

HISTORICAL SKETCHES OF LOUISIANA.

CHAPTER I.

THE Spaniards and the French discovered and settled Florida and Louisiana long before Louisiana was known. These early events have a direct bearing on the subsequent affairs of those nations in the new world, and hence a concise detail of them will not be deemed foreign to the story of those Nations, particularly as they afford an obscure much light on the policy pursued by both in the establishment of their Colonies.

After the Spaniards landed on the Florida, nearly every year some European nation sent some more discoveries. Exploring ships got lost, they discovered important places and goods, especially in China and Japan. They then discovered the sources of other nations, and then some European nation took that measure, that knowledge of the world, not knowing the truth of the discoveries. These people were called the nations that belong to the Spaniards. The

Sketches Historical And Descriptive Of Louisiana:

SKETCHES, HISTORICAL AND DESCRIPTIVE, OF LOUISIANA. AMOS. STODDARD, 2018 **Sketches, Historical and Descriptive, of Louisiana** Amos Stoddard, 1812 *Sketches, Historical and Descriptive, of Louisiana* Amos

Stoddard, 1812 **Sketches, Historical and Descriptive, of Louisiana, by Major Amos Stoddard,...** Amos Stoddard (Major.), 1812 **Sketches, Historical and Descriptive, of Louisiana (Classic Reprint)** Amos Stoddard, 2016-11-11

Excerpt from Sketches Historical and Descriptive of Louisiana No wonder then that Louisiana at the time of the cession was so little known to the United States They had suddenly and unexpectedly acquired a territory of which they knew not the extent they were equally unacquainted with its climates soils and productions the magnitude and importance of its numerous rivers and its commercial and other natural advantages I therefore indulge the expectation that the subsequent sketches however inaccurate or erroneous will not prove wholly unacceptable to the public particularly as no one before me to my knowledge has attempted a history and description of this territory Historians have but partially noticed that country none of their works seem to embrace in regular detail any considerable number of years they are extremely barren of events and unfortunately contain many chasms These are in part supplied from some ancient manuscript journals and other documents to which I gained access yet it is to be regretted that materials are still wanting to exhibit even the prominent historical features of Louisiana The writings of missionaries at least those I have seen and the accounts published by French officers who were employed in the country during part of the two last centuries are mostly of an uninteresting nature I am however much indebted to both dead and living authors and if I have been less solicitous to acknowledge my obligations to them than to collect and arrange the substance of their labors it was because I relucted at marginal and other references About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Sketches, Historical and Descriptive, of Louisiana* Amos Stoddard, Henry Marie Brackenridge, 1819

Historical and Descriptive of Louisiana Amos Stoddard, 2023-07-18 Originally published in 1812 this fascinating book offers a detailed look at the history and culture of Louisiana in the early 19th century Drawing on a wide range of sources including personal accounts and official government documents the author provides a vivid portrait of life in this unique and vibrant region Whether you're a history buff or just curious about the world around you this book is an informative and entertaining read This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within

the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Catalogue of the American Library of the Late Mr.**

George Brinley of Hartford, Conn George Brinley,1881 *Catalogue of the American Library of the Late Mr. George Brinley* George Brinley,1878 **Studies in History, Economics and Public Law** ,1913 **Columbia Studies in the Social Sciences** ,1913 Indian Slavery in Colonial Times Within the Present Limits of the United States Almon Wheeler Lauber,1913 A history of the enslavement of Native Americans by the Native Americans themselves the Spanish the French and the English in North America during colonial times It discusses the idea of slavery the process of enslavement employment of slaves treatment of slaves and other social and legal topics for each group **Privileges and Immunities of Citizens of the United States** Arnold J. Lien,1913 **Columbia University Studies in the Social Sciences** ,1913

The Caddo Chiefdoms David La Vere,1998-01-01 For centuries the Caddos occupied the southern prairies and woodlands across portions of Louisiana Texas Oklahoma and Arkansas Organized into powerful chiefdoms during the Mississippian period Caddo society was highly ceremonial revolving around priest chiefs trade in exotic items and the periodic construction of mounds Their distinctive heritage helped the Caddos to adapt after the European invasion and to remain the dominant political and economic power in the region New ideas peoples and commodities were incorporated into their cultural framework The Caddos persisted and for a time even thrived despite continual raids by the Osages and Choctaws decimation by diseases and escalating pressures from the French and Spanish The Caddo Chiefdoms offers the most complete accounting available of early Caddo culture and history Weaving together French and Spanish archival sources Caddo oral history and archaeological evidence David La Vere presents a fascinating look at the political social economic and religious forces that molded Caddo culture over time Special attention is given to the relationship between kinship and trade and to the political impulses driving the successive rise and decline of Caddo chiefdoms Distinguished by thorough scholarship and an interpretive vision that is both theoretically astute and culturally sensitive this study enhances our understanding of a remarkable southeastern Native people **New Orleans: Facts and Legends** Raymond J. Martinez,Jack D. L.
