*Yaxchilan* Carolyn Elaine Tate, 1992-01-01 Art historian Carolyn Tate presents in a well organized and amply illustrated two part format a holistic treatment of a single archaeological site the great ancient Maya city of Yaxchilan This is the most successful attempt to relate art and architecture within a Maya site that I have seen Ethnohistory As archaeologists peel away the jungle covering that has both obscured and preserved the ancient Maya cities of Mexico and Central America other scholars have only a limited time to study and understand the sites before the jungle weather and human encroachment efface them again perhaps forever This urgency underlies *Yaxchilan The Design of a Maya Ceremonial City* Carolyn Tate's comprehensive catalog and analysis of all the city's extant buildings and sculptures During a year of field work Tate fully documented the appearance of the site as of 1987 For each sculpture and building she records its discovery present location condition measurements and astronomical orientation and reconstructs its Long Counts and Julian dates from Calendar Rounds Line drawings and photographs provide a visual document of the art and architecture of Yaxchilan More than mere documentation however the book explores the phenomenon of art within Maya society Tate establishes a general framework of cultural practices spiritual beliefs and knowledge likely to have been shared by eighth century Maya people The process of making public art is considered in relation to other modes of aesthetic expression such as oral tradition and ritual This kind of analysis is new in Maya studies and offers fresh insight into the function of these magnificent cities and the powerful role public art and architecture play in establishing cultural norms in education in a semiliterate society and in developing the personal and community identities of individuals Several chapters cover the specifics of art and iconography at Yaxchilan as a basis for examining the creation of the city in the Late Classic period Individual sculptures are attributed to the hands of single artists and workshops thus aiding in dating several of the monuments The significance of headdresses backracks and other costume elements seen on monuments is tied to specific rituals and fashions and influence from other sites is traced These analyses lead to a history of the design of the city under the reigns of Shield Jaguar A D 681 741 and Bird Jaguar IV A D 752 772 In Tate's view Yaxchilan and other Maya cities were designed as both a theater for ritual activities and a nexus of public art and social structures that

were crucial in defining the self within Maya society      [The Nameless Throne: An Epic Fantasy Adventure](#) Lisa Cassidy,2023-09-21 Her world is ice and steel Her destiny is fire and storm In the frozen borderlands of Dunidaen Arya Nameless has clawed her way up from nothing A Raider forged by hardship and discipline she dreams of more than endless patrols and silent winters she dreams of power purpose and a place to belong When her bravery catches the eye of the formidable Warlord Ravenstrike Arya is swept into a new world of strategy and statecraft where strength is currency and ambition draws blood But her temper is as sharp as her sword and one misstep could cost her the home she s only just begun to find Across the border an ancient enemy stirs The Nightstalker king of Andahar master of forbidden magic has turned his gaze on Dunidaen And on Arya He knows what she is What she could become As the storm of war gathers Arya must choose between the loyalty she s earned and the legacy she never wanted Between a throne carved by destiny and the family she would burn the world to protect      **The Inkweaver Archive: The Complete Series** Lisa Cassidy,2025-08-16 Her world is ice and steel Her destiny is fire and storm In the frozen borderlands of Dunidaen Arya Nameless has clawed her way up from nothing A Raider forged by hardship and discipline she dreams of more than endless patrols and silent winters she dreams of power purpose and a place to belong When her bravery catches the eye of the formidable Warlord Ravenstrike Arya is swept into a new world of strategy and statecraft where strength is currency and ambition draws blood But her temper is as sharp as her sword and one misstep could cost her the home she s only just begun to find Across the border an ancient enemy stirs The Nightstalker king of Andahar master of forbidden magic has turned his gaze on Dunidaen And on Arya He knows what she is What she could become As the storm of war gathers Arya must choose between the loyalty she s earned and the legacy she never wanted Between a throne carved by destiny and the family she would burn the world to protect      [Designing for Print](#) Charles Conover,2011-10-25 This book is a single source guide to planning designing and printing successful projects using the Adobe Creative Suite Packed with real world design exercises this revised edition is fully updated to align with CS Dozens of sidebars and step by step descriptions walk readers through the design process in the same order actual projects are implemented Content progresses from planning through execution      **Sacred Starts** MD Sharr,2025-05-03 Sacred Starts A Fresh Guide to Hindu Baby Names is a heartfelt and thoughtful book crafted to help parents find the perfect name for their child one that s rich in meaning spirituality and individuality In Hindu culture naming is a sacred act often influenced by tradition astrology and symbolism This guide honors those roots while offering a modern curated collection of both classic and rare names from Sanskrit and Hindu philosophy With clarity and warmth the book addresses the desires of contemporary parents who seek names that are easy to pronounce unique and spiritually resonant From deities and virtues to nature and poetic inspiration every name carries a story Categorized alphabetically and by gender the book is designed as a companion not a catalog guiding readers with care insight and cultural depth It celebrates the power of names as lifelong gifts and marks the beginning of a sacred journey in parenthood      [Unto the Hills](#) L.
