Slave Master The Story Of Spartacus:

Slave and Master Jacques Perdue,2012-12-01 **The Roman Guide to Slave Management** Jerry Toner,2014-09-04 A scholar explores the history of slavery in Ancient Rome using a fictional story as a backdrop Marcus Sidonius Falx is an average Roman citizen Born of a relatively well off noble family he lives on a palatial estate in Campania dines with senators and generals and like all of his ancestors before him owns countless slaves Having spent most of his life managing his servants many of them prisoners from Rome's military conquests he decided to write a kind of owner's manual for his friends and countrymen The result The Roman Guide to Slave Management is a sly subversive guide to the realities of servitude in ancient Rome Cambridge scholar Jerry Toner uses Falx his fictional but true to life creation to describe where and how to Romans bought slaves how they could tell an obedient worker from a troublemaker and even how the ruling class reacted to the inevitable slave revolts Toner also adds commentary throughout analyzing the callous words and casual brutality of Falx and his compatriots and putting it all in context for the modern reader Written with a deep knowledge of ancient culture and the depths of its cruelty this is the Roman Empire as you've never seen it before By turns charming haughty and brutal an ingenious device The New Yorker Toner's history and commentary provides context for the dirty institution upon which modern civilization is built Publishers Weekly

The Kubrick Facade Jason Sperb,2006-06-22 Many of Stanley Kubrick's films are often interpreted as cold and ambiguous Whether viewing Barry Lyndon 2001 The Shining or Eyes Wide Shut there is a sense in which these films resist their own audiences creating a distance from them Though many note the coldness of Kubrick's films a smaller number attempt to explore exactly how his body of work elicits this particular reaction Fewer still attempt to articulate what it might mean to feel Stanley Kubrick's films In The Kubrick Facade Jason Sperb examines the narrative ambiguity of the director's films from the voice over narration in early works including the once forgotten Fear and Desire to the blank faces of characters in his later ones In doing so Sperb shows how both devices struggle in vain to make sense of the chaos and sterility of the cinematic surface All thirteen of Stanley Kubrick's feature length films are discussed in chronological order from the little seen and long neglected Fear and Desire to the posthumous release of Eyes Wide Shut Sperb also discusses Kubrick's importance to Steven Spielberg's AI While exploring all of Kubrick's films the author concentrates in particular on The Killing Dr Strangelove 2001 The Shining Full Metal Jacket and Eyes Wide Shut This is also the first book length study that focuses considerable attention on Fear and Desire and its relevance to Kubrick's larger body of work In this respect The Kubrick Facade is one of the first truly comprehensive books on narrative in the maverick director's films It is also the first book to integrate a discussion of AI and the first to fully explore the importance of the consistent visual emphasis on blank silent faces in his post Lolita films

Empire of Ancient Rome Michael Burgan,2009 Explores the rise and fall and spheres of influence society and daily life key events and important figures of the Roman Empire

The Golden Age: The Sequel Joe Reina,2025-01-03 After celebrating his 50th birthday with friends from around the

world in 1950 Giancarlo and his wife were living their dream of early retirement They split their time between their spring home in Lucca Italy and their summer retreat by the sea in Siracusa Life seemed perfect until a sudden tragedy struck the death of the caretaker for their olive oil business The loss disrupted their luxurious lifestyle pulling Giancarlo out of retirement to take over marketing for his family's 200 year old business What started as a simple task turned into a decade long journey that would reshape his life as he worked to expand the olive oil business in both Italy and the U S Set against the backdrop of one of the most transformative periods in American history Giancarlo's story spans the 1950s a time of booming prosperity and profound change From the rise of suburban living and shopping centers to the revolution in cinema and literature Giancarlo navigates a world in flux The automobile industry flourished and cars from the era are now prized by collectors The Civil Rights Movement led by figures like Martin Luther King Jr began challenging the deep rooted racism in America while the nation dealt with the aftermath of the Korean War and the growing conflict in Vietnam Above all television changed everything bringing entertainment news sports and advertisements into the homes of millions driving consumer culture and reshaping the economy This was a time fondly remembered as The Golden Years when America was on the cusp of modernity and Giancarlo was part of it all

Performing the Temple of Liberty Jenna M. Gibbs, 2014-06-20 How popular theater including blackface characters reflected and influenced attitudes toward race the slave trade and ideas of liberty in early America Jenna M Gibbs explores the world of theatrical and related print production on both sides of the Atlantic in an age of remarkable political and social change Her deeply researched study of working class and middling entertainment covers the period of the American Revolution through the first half of the nineteenth century examining controversies over the place of black people in the Anglo American moral imagination Taking a transatlantic and nearly century long view Performing the Temple of Liberty draws on a wide range of performed texts as well as ephemera broadsides ballads and cartoons and traces changes in white racial attitudes Gibbs asks how popular entertainment incorporated and helped define concepts of liberty natural rights the nature of blackness and the evils of slavery while also generating widespread acceptance in America and in Great Britain of blackface performance as a form of racial ridicule Readers follow the migration of theatrical texts images and performers between London and Philadelphia The story is not flattering to either the United States or Great Britain Gibbs's account demonstrates how British portrayals of Africans ran to the sympathetic and to a definition of liberty that produced slave manumission in 1833 yet reflected an increasingly racialized sense of cultural superiority On the American stage the treatment of blacks devolved into a denigrating patronizing view embedded both in blackface burlesque and in the idea of Liberty the figure of the white

Gender, Power, and Identity in The Films of Stanley Kubrick Karen A. Ritzenhoff,Dijana Metlić,Jeremi Szaniawski,2022-10-21 This volume features a set of thought provoking and long overdue approaches to situating Stanley Kubrick s films in contemporary debates around gender race and age with a focus on women s representations Offering new historical and critical perspectives on Kubrick s cinema the book asks how his work should be viewed bearing in mind issues of gender equality sexual harassment and abuse The authors tackle issues such as Kubrick s at times questionable relationships with his actresses and former wives the dynamics of power misogyny and miscegenation in his films and auteur apologism among others The selections delineate these complex contours of Kubrick s work by drawing on archival sources engaging in close readings of specific films and exploring Kubrick through unorthodox venture points With an interdisciplinary scope and social justice centered focus this book offers new perspectives on a well established area of study It will appeal to scholars and upper level students of film studies media studies gender studies and visual culture as well as to fans of the director interested in revisiting his work from a new perspective **Slaves on Screen** Natalie Zemon

Davis,2011-03-04 People have been experimenting with different ways to write history for 2 500 years yet we have experimented with film in the same way for only a century Noted professor and historian Natalie Zemon Davis consultant for the film The Return of Martin Guerre argues that movies can do much more than recreate exciting events and the external look of the past in costumes and sets Film can show millions of viewers the sentiments experiences and practices of a group a period and a place it can suggest the hidden processes and conflicts of political and family life And film has the potential to show the past accurately wedding the concerns of the historian and the filmmaker To explore the achievements and flaws of historical films in differing traditions Davis uses two themes slavery and women in political power She shows how slave resistance and the memory of slavery are represented through such films as Stanley Kubrick s Spartacus Steven Spielberg s Amistad and Jonathan Demme s Beloved Then she considers the portrayal of queens from John Ford s Mary of Scotland and Shekhar Kapur s Elizabeth to John Madden s Mrs Brown and compares them with the cinematic treatments of Eva Peron and Golda Meir This visionary book encourages readers to consider history films both appreciatively and critically while calling historians and filmmakers to a new collaboration **The Manifest Destiny of Human Being** Murat Sofuoglu,2004-10 This book represents the author s view of humanity
