Sleeping Fires George Gissing, 1974 *Sleeping Fires* Gertrude Franklin Horn Atherton, 2009-01 It was a San Francisco of simple stately homes and wooden sidewalks in a time when the ladies of Rincon Hill would take their carriages to Market Street and then gather to discuss the fortunes being made and lost in this veritable Southern Arcadia of a city Even after the Civil War the North suffered defeat after defeat in California The South had its last stronghold there defiantly aristocratic in the face of the common Northerners whose arrivals were never quite welcome In San Francisco numerous hopes centered upon young Dr Talbot who seemed well along the road to fortune Although often surrounded by beautiful and vivacious girls he always avowed he had seen too much of babies and should die an old bachelor Besides he loved them all the girls when he did not damn them roundly which he sometimes did to their secret delight But now he affronted them by marrying someone no one had set eyes upon and he even lacked the grace to go to his native South in marrying an outsider He had gone to Boston of all places to find a wife Gertrude Atherton 1857 1948 wrote such novels rich in historical detail as *The Californians* *The White Morning* and *What Dreams May Come* **Correct English and Current Literary Review ...**, 1922 **Correct English**, 1921 **The Publishers Weekly**, 1896 *The Heroic Life of George Gissing, Part II* Pierre Coustillas, 2015-09-30 This ambitious three volume biography on Gissing examines both his life and writing both chronologically and in close detail Part II assesses the period of Gissing's greatest authorial triumphs His most critically acclaimed works *The Nether World* 1889 *New Grub Street* 1891 and *The Odd Women* 1893 date from this time **A Garland For Gissing**, 2021-11-01 The crown upon the continuing vitality and popularity of Gissing studies in the final decade of the twentieth century was the publication of *The Collected Letters of George Gissing* 1990 97 The editors of that mammoth undertaking Paul Mattheisen Arthur Young and Pierre Coustillas had long been an inspiration to the younger generation of Gissing scholars and their presence at the International George Gissing Conference at Amsterdam in September 1999 explained the success of the encounter between Gissing's older and younger critics Ever since the

reappraisal of Gissing's works began to get under way in the early 1960s through the publication of many new editions of the works and ground breaking critical studies by Arthur Young Jacob Korg and Pierre Coustillas it has become impossible to ignore the high status he now enjoys by rights which resembles the position granted to him long ago by his contemporaries as one of the leading English novelists of the late nineteenth century This collection of essays is remarkable for its emphasis on women's issues addressed in Gissing's novels ranging from the inadequate education of women to the struggle for greater female independence within and without marriage Several contributors seek to define the precise nature and quality of Gissing's achievement and his place in the canon and in the process they open up fascinating new opportunities for future research
