Slow Dance On Stilts:

Slow Dance on Stilts Marie Jordan, 2001 **I Love You Like a Tomato** Marie Giordano, 2004-04-19 I Letticia ChiChi Maggiordino will put to GOOD use the power of the Evil Eye ChiChi Maggiordino will do anything to get God's attention She will hold her breath stand on tiptoe for an hour walk a mile backward climb all stairs on her knees anything When her grandmother teaches her how to use the Evil Eye telling her it's how Jesus Christ made his miracles and how the Italians got rid of Mussolini ChiChi realizes it's what her prayers have been missing Now she can get started on the business of making her mother happier by helping her find love and healing her brother's weak lungs But ChiChi's family lives in Minneapolis and it's the 1950s For an Italian immigrant family sometimes it seems like nothing can make life easier ChiChi's mother still pines for her husband a long dead American soldier ChiChi's brother is disdainful of her sacrifices and penance he doesn't understand what his older sister already knows that sometimes God needs to be bribed When her grandmother passes away ChiChi steps up her search for meaning and happiness but it seems to be fruitless And she struggles the way so many women do because her love for her family is suffocating even while it fulfills her It's not until she meets two Italian dwarves and they teach her of the ancient clown tradition the commedia dell'arte that she comes to understand that in order to make everyone else happy she herself must be happy But first she must find her own way in the world and learn to accept that not even the power of the Evil Eye can keep people from changing At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied *Slow Dance* Melissa McDaniel, 2007-10-26 Read the Review This is a book about relationships It's the tale of one woman's slow awakening to what she's done to herself in allowing her relationship with her overly possessive mother to dictate the course of her life It's about the mother whose manipulation pushed her daughter into marriage with a man she did not love the husband who is a victim of that union the precious children who suffer but eventually thrive and the handsome southerner who sets the change in motion Anyone who has ever resented a parent's manipulation or even once thought about leaving a marriage will find Sheila's dilemma a compelling one Harried career women sandwich generation moms and anyone wondering how they strayed so far from their real selves will identify with Sheila's long repressed spirit as it embarks on the slow dance of connecting with the person she once was Slow Dance on the Fault Line Donald Rawley, 1998 In a world crazy with heat and desire pupating transsexuals strip their way to surgery young girls bud under hot eyes or smell sex as a black Cadillac swoops by while older ones find ways to release and renewal through murder and mayhem *Dooplé : the Eternal Law of African Dance* Alphonse Tiérou, 1992 The African dancer requires complete technical mastery and must respect the precise rules handed down by the society of the Masques de Sagesse Alphonse Tirou is from the Ouenon people of the Ivory Coast His major study is the first written record of this oral tradition and it explains the movements codes and meanings of the traditional African dance It is extremely valuable reading for all those studying or interested in Africa as dance is such an essential part of this continent's cultural heritage A former
