Slow Fade:

Straight Lick J. Ronald Green, 2000-09-22 A critical examination of the films of Oscar Micheaux One of the most original and successful filmmakers of all time Oscar Micheaux was born into a rural working class African American family in mid America in 1884 yet he created an impressive legacy in commercial cinema Between 1913 and 1951 he wrote directed and distributed some forty three feature films more than any other black filmmaker in the world a record of production that is likely to stand for a very long time Micheaux s work was founded upon the concern for class mobility or uplift for African Americans Uplift provided the context for Micheaux s extensive commentary on racist cinema such as D W Griffith s 1915 blockbuster *The Birth of a Nation* which Micheaux answered with his very early films *Within Our Gates* and *Symbol of the Unconquered* Uplift explains Micheaux s use of negative images of African Americans as well as his multi pronged campaign against stereotype and caricature in American culture His campaign produced a body of films saturated with a nuanced intertextual signifying boldly and repeatedly treating controversial topics that face white censorship time after time topics ranging from white mob and Klan violence to light skin color fetish to white financing of black cultural productions *Empty Nest, Full Life* Jill Savage, 2019-08-06 How to thrive after your kids had the audacity to leave home Can t decide between grief and delight Caught between wanting to hold on to the past and trying to figure out where to start your nearly kid free future Empty nesting can be a disorienting time but it can also become the best season of your life if you ll let it Jill Savage is an empty nest mom who will guide you through this unpredictable season She ll teach you what you need to let go of and what you need to hold onto during this new season of life like letting go of guilt and holding on to new friendships or letting go of your child s problems and holding on to your marriage You ll gain confidence and clarity in a disorienting time and have a laugh along the way Let go of mixed emotions and grab hold of your full life today **No More Perfect Marriages** Jill Savage, Mark Savage, 2017-02-07 No marriage is perfect But every marriage can get better No More Perfect Marriages is about having the right expectations and growing in love and grace Guiding couples in the fundamentals of marital health Jill and Mark share how they came back from infidelity and restored intimacy to their marriage Read this book to guard against the seven slow fades that threaten every marriage and get tools and tips for cultivating a stronger connection with your spouse **Black American Cinema** Manthia Diawara, 2012-10-02 This is the first major collection of criticism on Black American cinema From the pioneering work of Oscar Micheaux and Wallace Thurman to the Hollywood success of Spike Lee Black American filmmakers have played a remarkable role in the development of the American film both independent and mainstream In this volume the work of early Black filmmakers is given serious attention for the first time Individual essays consider what a Black film tradition might be the relation between Black American filmmakers and filmmakers from the diaspora the nature of Black film aesthetics the artist s place within the community and the representation of a Black imaginary Black American Cinema also uncovers the construction of Black sexuality on screen the role of Black women in

independent cinema and the specific question of Black female spectatorship A lively and provocative group of essays debate the place and significance of Spike Lee Of crucial importance are the ways in which the essays analyze those Black directors who worked for Hollywood and whose films are simplistically dismissed as sell outs to the Hollywood master narrative as well as those crossover filmmakers whose achievements entail a surreptitious infiltration of the studios Black American Cinema demonstrates the wealth of the Black contribution to American film and the complex course that contribution has taken Contributors Houston Baker Jr Toni Cade Bambara Amiri Baraka Jacquie Bobo Richard Dyer Jane Gaines Henry Louis Gates Jr Ron Green Ed Guerrero bell hooks Phyllis Klotman Ntongele Masilela Clyde Taylor and Michele Wallace

On the Real Side Mel Watkins,1999-05-01 This comprehensive history of black humor sets it in the context of American popular culture Blackface minstrelsy Stepin Fetchit and the Amos n Andy show presented a distorted picture of African Americans this book contrasts this image with the authentic underground humor of African Americans found in folktales race records and all black shows and films After generations of stereotypes the underground humor finally emerged before the American public with Richard Pryor in the 1970s But Pryor was not the first popular comic to present authentically black humor Watkins offers surprising reassessments of such seminal figures as Fetchit Bert Williams Moms Mabley and Redd Foxx looking at how they paved the way for contemporary comics such as Whoopi Goldberg Eddie Murphy and Bill Cosby
