Small Favor A Memoir:

Memoir of William Carey, D. D. Eustace Carey, 1837 **Memoirs of a Counterspy** Donald Bradshaw, 2010-09-07
Memoirs a historical novel covers the first 15 years of Don Bradshaw's career as a raw Army Counterintelligence Agent. During the course of his routine business Don discovers his KGB nemesis Ivan and then follows his activities until their lives merge in Bangkok Thailand. The journey through this portion of Special Agent Bradshaw's life and his encounters with numerous questionable but talented characters provides the backdrop for his Quixotic charges at the windmill Ivan and lays out the sequence of events providing the groundwork for his personal and professional pitfalls and successes. The anecdotes described herein will tell the story of Don's attempts to rise above hierarchical constraints and the untimely temporary reassignments away from the action. In the end the story requires the surprising cooperation of three separate US Government agencies to bring this episode to an end and forms the basis for many more stories to come. **A Memoir of Mary Capper** Mary Capper, 1882 *A Brief Memoir of Maria Fox* Maria Fox, 1859. The importance of religion is apparent in these letters and diary entries of Maria Fox. The Memoirs Of Dr. Thomas W. Evans : Recollections Of The Second French Empire Dr. Thomas Wiltberger Evans, 2014-06-13. Despite not speaking a word of French the intrepid Dr Evans left his native Philadelphia for Paris. His professional qualifications as a dentist did not seem to indicate that his life be filled with the adventures that he gleefully threw himself into. Within a short period in Paris he became renowned for his medical skill and enjoyed the confidences of Kings Princes and no less a person than the Emperor Napoleon III. He acted as a go between among the crowned heads of Europe with his engaging manner. As the American consul general William Seward wrote IT SOMETIMES HAPPENS when the crowned heads of Europe wish to communicate with one another without any responsibility they send for Evans to fix their teeth. As you are not likely to send so far for a dentist I need only add that the messages of this sort which he bears are always communicated to him by word of mouth and in the presence of no witnesses. His memoirs of the second Empire read both an engaging personal narrative and a secret view of the life of the court through tumultuous times including the diplomatic problems surrounding the Civil War attempts at Coups d'etat numerous political plots and disastrous Franco Prussian war of 1870-71. *Memoirs of Ernest II, duke of Saxe-Goburg and Gotha. [Transl.]* Ernst II (Duke of Saxe-Coburg-Gotha), 1890 *Bishop Hall, his life and times: or, Memoirs of ... Joseph Hall* John Jones (perpetual curate of Cradley, Worcs.), 1826 Select Memoirs of the English and Scottish Divines Thomas Smith, 2011-09-21. Thomas Smith has written a tour de force biography of English and Scottish Divines from the Reformation and Puritan era. The work begins with the lives of renowned English Worthies who introduced and effected the glorious Reformation from popery and concludes with those who were unsatisfied with the Romish peculiarities of the Church of England and were therefore denominated Non conformists or Puritans. There are contained in this volume 132 entries of varying length which treat each of these worthies and divines with the utmost respect for their work and labors for the Lord Jesus Christ. And it

should be noted that with many of them they glorified God in their death as martyrs Here you will meet the Puritans in their context of struggle and truth for the sake of the Gospel of the Lord Jesus Christ Also included are two introductory sections An Historical Sketch of the Christian Church in three parts and a Short Introduction to the Lives of the Puritans This is a major historical work both for scope and accuracy Among the noted entries are Ames Baille Baxter Bolton Bradford the Burgess both Anthony and Cornelius Case Cawdrey Coverdale Cotton Fox Gillespie Goodman Goodwin Henderson Hooker Hooper Janeway Latimer Lightfoot Ridley Rogers Rutherford Sibbes Tyndale Vines and a host of others For the Christian and student of the historical and doctrinal struggle for Reformation there is also a convenient and helpful list of books and works by each author covered appended to the end of each memoir This is the best biography on the Puritans that I have ever read or for that matter the best biography I ve ever read period Therese B McMahon

Berry, 2013-05-06 Never before in the history of the world had there been such cataclysmic destruction until World War II The entire face of the earth changed as millions died and entire cities were razed to rubble World War II was the harbinger of the Holocaust and the herald of the Atomic Age For Americans it was a time of intense patriotism and sacrifice in the cause of freedom throughout the world Follow an American infantryman as he goes to war in the European Theater of Operations Walk with him among the treacherous hedgerows of Normandy and through the bitter cold of winter in Germany See through his eyes the death destruction and depravation of a world gone mad From the beaches of Normandy to the gates of Nazi Germany read of heroic deeds and ultimate sacrifice The vivid accounts of 1Lt Richard Blackburn represent history in its purest form a firsthand story of how The Greatest Generation stepped up to save the world and the freedom we cherish as Americans I was no hero but I am honored to have served in the company of heroes those who gave the ultimate sacrifice and rest forever under white crosses in the far away places they helped to liberate Richard M Blackburn U S Army Ret
