Enhancing the Climate Resilience of Africa's Infrastructure Raffaello

Cervigni,Rikard Liden,James E. Neumann,Kenneth M. Strzepek,2015-09-01 To sustain Africa s growth and accelerate the eradication of extreme poverty investment in infrastructure is fundamental In 2010 the Africa Infrastructure Country Diagnostic found that to enable Africa to fill its infrastructure gap some US 93 billion per year for the next decade will need to be invested The Program for Infrastructure Development in Africa PIDA endorsed in 2012 by the continent s Heads of State and Government lays out an ambitious long term plan for closing Africa s infrastructure including trough step increases in hydroelectric power generation and water storage capacity Much of this investment will support the construction of long lived infrastructure e g dams power stations irrigation canals which may be vulnerable to changes in climatic patterns the direction and magnitude of which remain significantly uncertain Enhancing the Climate Resilience of Africa s Infrastructure evaluates using for the first time a single consistent methodology and the state of the arte climate scenarios the impacts of climate change on hydro power and irrigation expansion plans in Africa s main rivers basins Niger Senegal Volta Congo Nile Zambezi Orange and outlines an approach to reduce climate risks through suitable adjustments to the planning and design process The book finds that failure to integrate climate change in the planning and design of power and water infrastructure could entail in scenarios of drying climate conditions losses of hydropower revenues between 5% and 60% depending on the basin and increases in consumer expenditure for energy up to 3 times the corresponding baseline values In in wet climate scenarios business as usual infrastructure development could lead to foregone revenues in the range of 15% to 130% of the baseline to the extent that the larger volume of precipitation is not used to expand the production of hydropower Despite the large uncertainty on whether drier or wetter conditions will prevail in the future in Africa the book finds that by modifying existing investment plans to explicitly handle the risk of large climate swings can cut in half or more the cost that would accrue by building infrastructure on the basis of the climate of the past **What the Small Day Cannot Hold** Susan

Musgrave,2000-04-16 These poems reconstitute the lost canon of one of our most vibrant and original voices Musgrave explodes expectations and haunts the reader with dramatic appeal Last Words & Regrets: What We Say Before We Go

Ranjot Singh Chahal,2025-09-27 Our final words carry a weight unlike any other They can heal old wounds leave lasting legacies or echo with the silence of things unsaid Last Words Regrets What We Say Before We Go explores the universal themes that emerge at life s end love forgiveness courage humour and the haunting what ifs that linger when opportunities are missed Through heartfelt reflections real voices and historical last statements this book reveals what matters most when time runs out It uncovers the regrets people carry the words they wish they had spoken sooner and the comfort they strive to leave behind for loved ones More than a collection of final sentences this book is a guide for the living It shows how to reduce regret speak your truth daily and live authentically so that when the end comes your last words are not filled with sorrow but with peace A book for anyone seeking wisdom closure and a reminder to live fully now The Thousand Deaths of Mr Small

Gerald Kersh,2013-11-21 The Thousand Deaths Of Mr Small is the best novel that Gerald Kersh has yet written Charles Small

successful advertising expert and miserable man turns over in his mind the stinking sour stagnant untransmitted mass which is his life This book has a rich warm quality long and full of detail it teems with humour satire incident character in a word with life Yorkshire Post It see saws from side splitting dialogue to such catalogues of loathing and revulsion as have rarely been seen in print from outrageous farce to sudden compassion for the Smalls of this world who find Hell enough in the eternal contemplation of themselves as they made themselves New York Herald Tribune With brilliant descriptive power and an emetic vocabulary Kersh has produced a tormented and forceful work Commonweal

The Moral Psychology of Regret Anna Gotlib, 2019-10-21 What kind of an emotion is regret What difference does it make whether how and why we experience it and how does this experience shape our current and future thoughts decisions goals Under what conditions is regret appropriate Is it always one kind of experience or does it vary based on who is doing the regretting and why How is regret different from other backward looking emotions In *The Moral Psychology of Regret* scholars from several disciplines including philosophy gender studies disability studies law and neuroscience come together to address these and other questions related to this ubiquitous emotion that so many of us seem to dread And while regret has been somewhat under theorized as a subject worthy of serious and careful attention this volume is offered with the intent of expanding the discourse on regret as an emotion of great moral significance that underwrites how we understand ourselves and each other
