Duty Status Whereabouts Unknown Jonathon Cody, 2009 The wars in Iraq and Afghanistan are typified by an enemy who strikes from the shadows sniper fire RPG s and suicide bombers are his modus operandi But above all others this enemy s favorite weapon is the improvised explosive device IED Ranging from the simplest of construction to the most sophisticated of all gadgetry the IED represents a grave threat to American soldiers all over the world In this kind of fight there is only one kind of soldier uniquely qualified to deal with these destructive weapons of war the Explosive Ordnance Disposal EOD technician With over 8 years of experience in EOD Staff Sergeant John Breuer knows a thing or two about danger As an EOD team leader he s encountered more than his fair share of IEDs But when he s betrayed by the Iraqi Army and sold to insurgents this bomb technician must confront a different kind of horror being listed as Duty Status Whereabouts Unknown DUSTWUN Tortured and exploited for propaganda purposes Jack must use his skills as a soldier and as a bomb technician to escape his captors before they have a chance to remove his head from his body An action packed adventure DUTY STATUS WHEREABOUTS UNKNOWN is a thoughtful tale of Operation Iraqi Freedom OIF and the soldiers who fight there with a focus on realism and technical details that only experience can convey Devoid of politics this novel tells an unblemished story of America s fight in the Global War on Terror GWOT and of Her soldiers day to day struggle **Niles' Weekly Register ...** Hezekiah Niles, 1813 **Addie** Mary Lee Settle, 1998 An autobiography that begins with one s birth begins too late in the

middle of the story sometimes at the end So begins Mary Lee Settle s memoir Her story carries within it inherited choices old habits old quarrels old disguises and the river that formed the Kanawha Valley of West Virginia and the mores of her childhood She traces effects on her family and herself as ancient as earthquakes mountain formations and the crushing of swamp into coal deposits In doing so Settle records the expectations talents and tragedies of a people and a place that would serve as her deep and abiding subject in *The Beulah Quintet* *Poltroons and Patriots* Dr. Glenn Tucker,2018-04-03 Author Glenn Tucker s interest in research on the War of 1812 was piqued whilst he was employed as a newspaperman in Washington D C I wanted to find out what truly occurred when the British occupied the American capital in 1814 Nothing like Ross s seizure of the capital of a great power with a small attacking force has happened elsewhere in modern times No other event gives so clear a view of the trials of our young government Searching out the details of Ross s conquest I found them gripping but meagerly reported and often with a farcical touch Often the incidents which many have regarded as humiliating and have wished forgotten abound in human interest and pointed lesson The interest and significance of the story of the Ross expedition led me to the story of the entire war Study of the war as a whole revealed strong contrast of cowardice and courage I have been amazed by the poltroonery and incompetence of some of the generals and cabinet members I have been stirred by the patriotic devotion of James Monroe by the flashing genius of Henry Clay by the patience and true greatness of James Madison And I discovered that not only men of high position played exciting roles in the war Soldiers seamen newsmen couriers and many others whose names are now obscure played brilliant if brief scenes some comic some adventurous some tragic The course of the War of 1812 like that of all wars was determined as much by emotion as by economic and political pressures Men acted and reacted violently passionately Today the wisdom and courage of some of their deeds evoke tremendous respect the foolhardiness of others evokes laughter Throughout these volumes I have made an effort to discern the thoughts and feelings of the people whose actions wove the variegated pattern of the war **Knife's Edge** M. **Treasure of the Guadalupe Mountains** William H. White,2014-01-06 It all began before the turn of the twentieth century when Pancho Villa and his faithful lieutenant Leonardo Regaldo took by force of arms a massive treasure stolen from the Mexican people by the despot dictator Porfirio In the mid 1980 s the search and recovery of this treasure was to become a contest of wills between the direct descendants of Leonardo and Porfirio Carl Webb and Jack Morgan get unwittingly entangled in this conflict and a simple treasure hunt soon becomes a deadly contest between the opposing forces It was in the remote reaches of the Guadalupe Mountains of New Mexico where the two groups fought it out with no quarter given on either side Will Carl Webb and Jack Morgan survive this military assault Earlier the two adventurers had endured an attempt by pirates to commandeer the Motor Sailor yacht Freeman Barnes off the coast of California Carl and Jack prevailed then but this is now and they have a far more dedicated enemy who is both clever and resourceful      [In Your Mind's Eye](#) Gary Nanson,2023-03-21 In the unforgiving streets of South Central Los Angeles Lieutenant Jack Adams walks through shadows most people fear to tread When a gang officer is shot by a sniper in Nickerson Gardens Adams finds himself on a collision course with Commander Stans Jelenick whose political ambitions clash with Adams relentless pursuit of justice As Adams

establishes an undercover operation called Gold Rush to take illegal guns off the streets he becomes the target of a ruthless Russian Mafia family What begins as a straightforward mission spirals into a deadly game when the Russians discover Adams identity leading to a brutal attack that leaves a detective dead and Adams fighting for his life Wounded and bleeding Adams must battle through his injuries to protect a young victim and his own family from the Russians wrath With enemies on both sides criminals who want him dead and a police commander willing to sacrifice him for political gain Adams faces the ultimate test of his resolve and commitment to the badge he carries Written by a 30 year veteran of the LAPD In Your Mind s Eye delivers an unflinching portrayal of modern policing where the line between monster and protector blurs in the struggle for justice This gripping tale explores loyalty corruption and the toll that serving in law enforcement takes on those who walk its thin blue line If you enjoyed The Black Echo The Onion Field or The Force you ll love In Your Mind s Eye      *The Lost Pibroch* Neil Munro,2020-08-06 Reproduction of the original The Lost Pibroch by Neil Munro
