Smart Economics Commonsense Answers To 50 Questions About Government Taxes Business And Households:

Smart Economics Michael Walden, 2005-08-30 Budget deficits gas prices health care costs social security job security Anxiety over the economy pervades our daily lives from reports on the early morning newscasts to gossip around the water cooler to dinner table debate Yet most citizens are woefully ignorant when it comes to understanding how the economy works and how to interpret the impact of policies and business decisions It s easy to slip into generalities government spending is wasteful taxes are too high good paying jobs are being shipped overseas Americans don t save enough Other issues become hijacked by political partisans to advance their agendas trade must be fair tax cuts will pay for themselves there will be no money left in the social security till after the baby boomers loot it In *Smart Economics* Michael Walden provides an antidote take 50 of today s top economic issues and explain their meaning implications and potential solutions in a logical straightforward commonsense and non partisan way Has Government Spending Been Out of Control Is Profit Bad Walden applies basic economic concepts and logical argumentation to help readers get their bearings to separate fact from fiction and ultimately make better economic decisions themselves The result is an entertaining and highly informative introduction to economic principles and their influence on our behavior In *Smart Economics* Michael Walden provides an antidote take 50 of today s top economic issues and explain their meaning implications and potential solutions in a logical straightforward commonsense and non partisan way From Has Government Spending Been out of Control to Is Profit Bad to Why Are Pro Sports Stars Paid So Much Walden demystifies the dismal science using basic concepts and logical argumentation to help readers get their bearings to separate fact from fiction and ultimately make better decisions when it comes to spending investing saving and voting The result is an entertaining and informative introduction to economic principles and their influence on our behavior

North Carolina in the Connected Age Michael L. Walden, 2009-06-01 At a time when North Carolina s population is exploding and its economy is shifting profoundly one of the state s leading economists applies the tools of his trade to chronicle these changes and to inform North Carolinians in easy to understand terms what to expect in the future Today we are living in a technologically connected age that has completely transformed the North Carolina economy Walden explains Once driven by tobacco textiles and furniture the North Carolina economy now thrives on technology pharmaceuticals finance food processing and the manufacture of vehicle parts While the state as a whole has benefited from these dramatic transformations some population groups and regions have not experienced consistent economic growth Walden identifies education as the key factor a skilled college educated work force he argues is now a region s most prized commodity Walden traces how the forces of the late twentieth and early twenty first centuries have remade the North Carolina economy impacted people and regions and led to the most substantive public policy debates in decades Written in a lively style and including original research and insights *North Carolina in the Connected Age* is essential reading for anyone wanting to understand how the state arrived where it is today and what its future might hold

Macro Mayhem Michael Walden, M. Whitman Walden, 2006 Dr Lydia Dia Fenner is a newly minted PhD in economics who takes her first job with the U S Treasury Department Her assignment is to design policies to get the economy out of its slump before the next election But when the policies Dia recommends are implemented they don t work Something underhanded is going on that wasn t covered in her Ivy League education Dia enters a race against time as she tries to determine who or what is trying to sabotage the economy Along the way she must contend with a vengeful ex boyfriend an arrogant boss an ambitious senator and a mysterious yet attractive colleague The action spans the halls of power in Washington D C to the rolling hills of rural Virginia as Dia attempts to unravel the plot against the troubled economy Will she succeed or will she too become a target and a victim *Macro Mayhem* supplies the double punch of an entertaining story with insight into how the macroeconomy works Economics also known as the dismal science has never been as much fun or as dangerous as in this fast paced thriller of financial intrigue

Emerging Markets Vito Bobek, Chee-Heong Quah, 2021-07-07 The rapid growth and development of emerging economies offer both opportunities and threats for international businesses Understanding the economic development of emerging markets combined with a knowledge of the increasingly complex international business market enables better exploitation of opportunities in increasingly competitive world markets The BRIC countries the most prominent emerging markets have long been discovered by foreign firms due to their enormous potential for investment opportunities This book offers a comprehensive look at emerging markets especially as they integrate with the global economy It offers a conceptual framework to analyze emerging markets from multiple perspectives including those of indigenous entrepreneurs struggling to overcome constraints to build world class businesses multinationals from developed countries tapping into emerging markets for their next growth spurt and domestic and foreign investors seeking to profit from investment opportunities in emerging markets *The Freeman* ,2007 *American Book Publishing Record* ,2005

The Federal Budget Deficit Susan Hunnicutt, 2010 From Books Back Cover Greenhaven Press s At Issue series provides a wide range of opinions on individual social issues Each volume focuses on a specific issue and offers a variety of perspectives eyewitness accounts governmental views scientific analysis newspaper and magazine accounts and many more to illuminate the issue Extensive bibliographies and annotated lists of relevant organizations point to sources for further research Enhancing critical thinking skills each At Issue volume is an excellent research tool to help readers understand current social issues and prepare reports Choice ,2006
