Smart Religious Poetry:

A Form of Sound Words Harriet Guest, 1989 Traditionally Christopher Smart has been represented as a mystical and eccentric poet a colorful visionary of only peripheral importance to our understanding of eighteenth century literature This study challenges that view offering a reassessment of Smart's work and examining the age in which he wrote and his place in it Guest reappraises his religious poetry in the context of theories of language and natural philosophy as well as in the context of a vast range of writing from private devotions and sermons to hymns and biblical criticism demonstrating the pervasive and complex significance of religion in the period
