her family had turned her whole world upside down and left her fighting for her freedom With everything that she had already gone through nobody would have ever expected for her to end up in jail not even her Leaving behind her children Karla had to adjust to her new life behind bars There was no turning back now she had to fight harder than she had ever fought before During that fight she was sexually assaulted by a male deputy that worked at the courthouse Leaving her with distrust for the same people put in place to protect her she started to give up and accept things as they were but God didn't want that for her so He gave her the vision and sign that she had been waiting for After being away for almost two years Karla was released back out into the same cold cruel world that she was abruptly taken from and had to start rebuilding what was torn down She also needed to repair the broken relationship with her children but none of that would come easy for her Battling depression being homeless and running into people that had taken advantage of her instead of helping only made her stronger and after two years of parole Karla packed the few things she had along with her children and headed for a new life in Pittsburgh Pennsylvania leaving behind everything that was meant to break her and starting a new life for herself and children **Smile...
