Sociology Of Religion A Reader:

Sociology of Religion William Mirola, Susanne C Monahan, Michael O. Emerson, 2015-09-16 A reader that seeks to explore the relationship between the structure and culture of religion and various elements of social life in the U S Sociology of Religion A Reader 2e is ideal as either a standalone reader or supplement to the text written by the same author team Why Religion Matters Based on both classic and contemporary research in the sociology of religion this reader highlights a variety of research methods and theoretical approaches It explores the ways in which religious values beliefs and practices shape the world outside of church synagogue or mosque walls while simultaneously being shaped by the non religious forces operating in that world *Sociology of Religion* Susanne C. Monahan, 2015 **Theories of Religion** Seth Daniel Kunin, Jonathan Miles-Watson, 2006 This book provides a comprehensive selection of readings that relate to and explore the definition of religion The texts come from a wide range of approaches unified both by the questions they are addressing and their broadly social scientific perspective The disciplines covered include anthropology phenomenology psychology and sociology The editors have also included some key texts relating to the feminist approach to and critique of religion The first section of the book includes some of the foundational texts such as materials by Marx Freud and Durkheim The remaining sections look at more recent discussions of the issues from the different disciplinary perspectives Each reading is introduced by a biographical sketch of the author The book also includes introductory discussions to each section that both raise the key issues developed in a particular discipline and address the disciplinary approaches from a more critical stance **Theories of Religion A Reader** is an invaluable critical resource accessible to a broad audience as well as students of theology and religious studies **The sociology of religion** ,1966 *Religion, Culture and Society* ,1964 **Sociology of Religion** Rodney Stark, 2014 *Understanding Revolution* Kavous Ardalan, 2020-06-15 This book applies a multiparadigmatic philosophical frame of analysis to the topic of social revolution Crossing two disciplines and lines of literature social philosophy and social revolution this book considers different aspects of social revolution and discusses each aspect from four diverse paradigmatic viewpoints functionalist interpretive radical humanist and radical structuralist The four paradigms are founded upon different assumptions about the nature of social science and the nature of society Each paradigm generates theories concepts and analytical tools that are different from those of other paradigms An understanding of different paradigms leads to a more balanced understanding of the multi faceted nature of the subject matter In this book the first chapter reviews the four paradigms Using the Iranian Revolution as exemplar the next few chapters provide paradigmatic explanations for a particular aspect of revolution culture religion ideology With this background the book introduces a comprehensive approach to the understanding of revolution The final chapter concludes by recommending further paradigmatic diversity This book will be of particular interest to students and researchers interested in social revolution political sociology and political theory *Sociology of Religion* David Martin, 2015 Sociologist David Martin has

framed the secularization debate guided Pentecostal studies and shaped the scholarly study of religion Martin's work possesses both theoretical depth and global perspective This reader celebrates his best and most important work It is essential reading for scholars and students who want to learn more about modernization and cultural change Pentecostalism and the Global South peace and violence religion and sociology and theology and politics **The World Religions Reader** Gwilym Beckerlegge, 2001 Gathers together material on six of the world's most influential faiths with readings drawn from a broad range of historical and contemporary sources **SOCIOLOGY OF RELIGIONS** MIR MOHAMMAD

IBRAHIM, 2008-04-17 Considerable number of books and research articles have been published on the concept of religion and comparative religion But rarely has any religious scholar elaborated the contribution of different religions from sociological point of view This well researched and erudite study discusses the concept of religion with special reference to Dr Ali Shariati an eminent sociologist and Muslim scholar of Iran He brought forth the unique dimensions of the comparative study of religions The text provides a complete sociological background of various religions and stresses their contributions In addition different Islamic ideals and thoughts which need to be understood in modernist's religious perspective are discussed For example the concepts of Imamat Ijtihad Enjoining good and forbidding evil and Hajj are dealt from a sociological viewpoint Finally even the less known dimensions of Islamic ideologies are explained The book is intended for the postgraduate students of Islamic Studies Research scholars and postgraduate students of philosophy may also find the book useful In addition any reader who is interested in sociology of religion and in particular the ideology and other aspects of Islam will benefit from this book **A World Religions Reader** Ian S. Markham, Christy Lohr Sapp, 2020-01-24 A comprehensive and accessible textbook which explores the traditions and beliefs of the world's living religions the fully updated and revised new edition The World Religions Reader is an inclusive student friendly examination of the history teaching practices and appeal of the world's major religions Covering both the fundamentals and complexities of each religious tradition this popular textbook brings together significant texts from scriptures and scholars as well as writings from philosophers and other significant thinkers throughout history Students are provided with an introduction and overview of the tradition taken through its primary texts and presented with a text which seeks to persuade the student of the tradition's merits This new edition has been thoroughly updated to be even more accessible for students new to interreligious engagement and to reflect current trends and developments in religions worldwide Every chapter opens with a substantial overview which orients the new student and then flows into a carefully chosen set of texts a regular textbook is now combined with a Reader New content examines areas such as the Rastafarian tradition while revised chapters cover secular humanism and indigenous and emerging religious traditions The methodology of the book focuses on an empathetic approach representing each tradition from the perspective of a conventional adherent enabling students to develop understanding of each tradition and appreciate similarities and differences in their most typical forms Invites students to study each tradition

from the perspective of a follower aiming to understand why the tradition is popular and powerful Explores representative passages world views rituals and institutions ethical expressions and modern outlooks for each religion Features discussions of interfaith perspectives on the role of women in religious traditions and the impact of world events and politics on interfaith communication Encourages students to consider questions of truth the relation of religion and society and the changing nature of a tradition in the modern world Includes a complete set of pedagogical tools and instructor resources including end of chapter fact sheets topic summaries key term sections and essay and discussion questions The World Religions Reader Fourth Edition is an ideal textbook for undergraduate and graduate courses in religion especially for liberal arts and non affiliated colleges as well as general readers wishing to increase their knowledge of the world s religious traditions
