Socrates And Legal Obligation

Julia Schneider

Socrates And Legal Obligation:

Socrates and Legal Obligation Reginald E. Allen, 1980 Charged with impiety and sentenced to death under the law of Athens Socrates did not try to disprove the charges or to escape death but rather held to a different kind of rhetoric aiming not at persuasion but at truth In *Socrates and Legal Obligation* R E Allen contends that Plato's works on Socrates acceptance of death the *Apology* and the *Crito* should be considered together and as such constitute a profound treatment of law and of obligation to law Allen's study of Socrates thought on these vital issues is accompanied by his own translations of the *Apology* and the *Crito* *Socrates and Legal Obligation* Reginald E. Allen, 1980 **Socrates and Legal Obligation** Reginald E. Allen, 1980 **Socrates and Legal Obligation** Reginald E. Allen, 1980-01-01 **Socrates and Legal Obligation** R. S. Allen, 1980 **The Function of Equity in International Law** Catharine Titi, 2021-06-11 This book provides a systematic and comprehensive study of the legal concept of equity as it operates in contemporary international law A principle with a long pedigree equity has been present in legal thought and in municipal legal systems since antiquity Introduced in international legal decisions through claims commissions and arbitral tribunals equity became progressively part and parcel of the international law mainstream From international cultural heritage law to the law on climate change from maritime boundary delimitations to decisions on security for costs in investment arbitration the relevance of equity is more far reaching than has previously been acknowledged In contrast with earlier studies on the topic this book is informed by a body of judicial and arbitral case law that has never been so substantial and varied It also draws extensively on the prolific case law of investment tribunals gaining insights from a valuable source that is typically overlooked in public international law scholarship As the importance of international law increases covering continuously new domains the value of equity increases with it It is this new equity in the international law of the 21st century that this book explores **Reason and Analysis in Ancient Greek Philosophy** Georgios Anagnostopoulos, Fred D. Miller Jr., 2013-06-14 This distinctive collection of original articles features contributions from many of the leading scholars of ancient Greek philosophy They explore the concept of reason and the method of analysis and the central role they play in the philosophies of Socrates Plato and Aristotle They engage with salient themes in metaphysics epistemology ethics and political theory as well as tracing links between each thinker's ideas on selected topics The volume contains analyses of Plato's Socrates focusing on his views of moral psychology the obligation to obey the law the foundations of politics justice and retribution and Socratic virtue On Plato's *Republic* the discussions cover the relationship between politics and philosophy the primacy of reason over the soul's non-rational capacities the analogy of the city and the soul and our responsibility for choosing how we live our own lives The anthology also probes Plato's analysis of logos reason or language which underlies his philosophy including the theory of forms A quartet of reflections explores Aristotelian themes including the connections between knowledge and belief the nature of essence and function and his theories of virtue and grace The volume concludes with an insightful intellectual

memoir by David Keyt which charts the rise of analytic classical scholarship in the past century and along the way provides entertaining anecdotes involving major figures in modern academic philosophy Blending academic authority with creative flair and demonstrating the continuing interest of ancient Greek philosophy this book will be a valuable addition to the libraries of all those studying and researching the origins of Western philosophy **Socrates on Trial** Thomas C. Brickhouse, Nicholas D. Smith, 1991-01-24 This book stands head and shoulders over other recent treatments of Plato's Apology It should become the standard work in this area Richard Kraut University of Illinois at Chicago **Plato and Platonism** J. M. van Ophuijsen, 1999 In this volume a distinguished group of philosophers aims to offer fresh insight into Platonic studies Combining research with analysis the authors present 14 essays on various dimensions of Plato's thought Most of Plato's dialogues are examined from such Socratic texts as Protagoras Euthyphro and Crito to the allegedly late Sophist Statesman and Laws Several essays explore specific philosophical problems raised in a single Platonic dialogue Some offer in depth analysis of one dialogue for instance the volume includes two very different but highly provocative essays on Timaeus Others pursue a topic or theme that runs throughout a number of dialogues and others speak about the Platonic heritage and the thought of ancient philosophers who regarded themselves as faithfully preserving and transmitting the doctrines of their master The major subject divisions of philosophy are covered with considerable attention being paid to issues of Platonist methodology *Moral Principles and Political Obligations* A. John Simmons, 2020-05-05 Outlining the major competing theories in the history of political and moral philosophy from Locke and Hume through Hart Rawls and Nozick John Simmons attempts to understand and solve the ancient problem of political obligation Under what conditions and for what reasons if any he asks are we morally bound to obey the law and support the political institutions of our countries Notes on Greek Philosophy from Thales to Aristotle Anthony Preus, 1996-12 **Plato's Euthyphro, Apology, and Crito** Rachana Kamtekar, 2004-11-26 Plato's Euthyphro Apology and Crito portray Socrates words and deeds during his trial for disbelieving in the Gods of Athens and corrupting the Athenian youth and constitute a defense of the man Socrates and of his way of life the philosophic life The twelve essays in the volume written by leading classical philosophers investigate various aspects of these works of Plato including the significance of Plato's characters Socrates's revolutionary religious ideas and the relationship between historical events and Plato's texts Readers will find their appreciation of Plato's works greatly enriched by these essays **Cross-Examining Socrates** John Beversluis, 2000-01-06 This book is a rereading of Plato's early dialogues from the point of view of the characters with whom Socrates engages in debate Socrates interlocutors are generally acknowledged to play important dialectical and dramatic roles but no previous book has focused mainly on them Existing studies are thoroughly dismissive of the interlocutors and reduce them to the status of mere mouthpieces for views which are hopelessly confused or demonstrably false This book takes interlocutors seriously and treats them as genuine intellectual opponents whose views are often more defensible than commentators have standardly thought The

author's purpose is not to summarise their positions or the arguments of the dialogues in which they appear much less to produce a series of biographical sketches but to investigate the phenomenology of philosophical disputation as it manifests itself in the early dialogues

The Great Conversation NORMAN. MORROW MELCHERT (DAVID.), David Morrow, 2023-03-31

Socratic Studies Gregory Vlastos, 1994 This is the companion volume to Gregory Vlastos highly acclaimed work *Socrates Ironist and Moral Philosopher* Four ground breaking papers which laid the basis for his understanding of Socrates are collected here in revised form they examine Socrates elenctic method of investigative argument his disavowal of knowledge his concern for definition and the complications of his relationship with the Athenian democracy The fifth chapter is a new and provocative discussion of Socrates arguments in the *Protagoras* and *Laches* The epilogue *Socrates and Vietnam* suggests that Socrates was not as Plato claimed the most just man of his time The papers have been prepared for publication by Professor Myles Burnyeat with the minimum of editorial intervention

Plato and Modern Law Richard O. Brooks, 2017-07-05 This audacious collection of modern writings on Plato and the Law argues that Plato's work offers insights for resolving modern jurisprudential problems Plato's dialogues in this modern interpretation reveal that knowledge of the functions of law based upon intelligible principles can be reformulated for relevance to our age Leading interpreters of Plato Vlastos Hall Strauss Weinrib Annas and Morrow are included in the collection The editor supplies an insightful introduction and extensive bibliography to the collection

Philosophical Examinations of Historical and Contemporary Problems Merrill Ring, 2022-08-31 The philosophical essays collected here cover a wide range of topics both historical and contemporary The historical essays are examinations of issues in the work of philosophers from Parmenides to Wittgenstein and Quine while those on contemporary matters are chiefly concerned with the nature of knowledge and belief and the relation of science to philosophy They have been written over a long philosophical career and are models of philosophical investigation and argument

Dialogue and Discovery Kenneth Seeskin, 2016-02-24 This book examines the Socratic method of elenchus or refutation Refutation by its very nature is a conflict which in the hands of Plato becomes high drama The continuing conversation in which it occurs is more a test of character than of intellect *Dialogue and Discovery* shows that in his conversations Socrates seeks to define moral qualities moral essences with the goal of improving the soul of the respondent Ethics underlies epistemology because the discovery of philosophic truth imposes moral demands on the respondent The recognition that moral qualities such as honesty humility and courage are necessary to successful inquiry is the key to the understanding of the Socratic paradox that virtue is knowledge The dialogues receiving the most emphasis are the *Apology* *Gorgias* *Protagoras* and *Meno*

Philosophy as a Way of Life Matthew Sharpe, Michael Ure, 2021-07-15 In this first ever introduction to philosophy as a way of life in the Western tradition Matthew Sharpe and Michael Ure take us through the history of the idea from Socrates and Plato via the medievals Renaissance and Enlightenment thinkers to Schopenhauer and Nietzsche Foucault and Hadot They examine the kinds of practical exercises

each thinker recommended to transform their philosophy into manners of living Philosophy as a Way of Life also examines the recent resurgence of thinking about philosophy as a practical lived reality and why this ancient tradition still has so much relevance and power in the contemporary world

Problems from Philosophy James Rachels, Stuart Rachels, 2021-06-11

Problems from Philosophy is an introductory text organized around the great philosophical problems the existence of God the nature of the mind human freedom the limits of knowledge and the truth about ethics It begins by reflecting on the life of the first great philosopher Socrates Then it takes up the fundamental question of whether God exists Next comes a discussion of death and the soul which leads to a chapter about persons The later chapters consider whether objective knowledge is possible in science and ethics Problems from Philosophy represents the final work of philosopher James Rachels In it he brings the same liveliness and clarity to the introduction of philosophy present in his other best selling texts Problems from Philosophy has been revised by James Rachels son Stuart who has carefully refined his father s work to further strengthen its clarity and accessibility The fourth edition features revisions on discussions of free will artificial intelligence idealism and Kantian ethics

Socrates And Legal Obligation Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and

manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Socrates And Legal Obligation PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Socrates And Legal Obligation PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Socrates And Legal Obligation free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Socrates And Legal Obligation Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality?
