Who Picked This Place? Stuart Anderson, 2006-10-13 Book

Description In his last book about vacation misadventures *Travels with Anne* Stuart Anderson won our sympathy by describing his experiences in remote corners of the world with broken down vehicles clueless guides unbearable traveling companions miserable weather and decidedly uncooperative wildlife Unfortunately for Stuart his new book *Who Picked This Place* makes it plain that he did not learn a thing from those experiences Thus in *Who Picked This Place* we get to follow Stuart to unlikely vacation destinations across the world and laugh out loud as Stuart and his bird crazy companion Anne tour the Yucatan Peninsula and discover biting ants angry monkeys and the advisability of making sure the lid of that whiskey flask in your luggage is screwed on tight Stuart and Anne decide to vacation for some inexplicable reason in Mexico's most politically unstable state Chiapas While there they try mightily to sweat themselves to death climbing Maya pyramids They also go to church with a bunch of drunks who mark the occasion by chopping the heads off chickens In Belize Stuart and Anne canoe a jungle river in the rain which turns out to be the prelude to a later adventure that involves traveling over miles of ocean in a small boat in a much bigger rain In Belize also Stuart and Anne have a guide who is less interested in guiding than in hitting on all the available and some of the unavailable local women That may explain why Stuart and Anne sometimes find themselves lost Anne wants to see polar bears in the wild so she and Stuart go to a lodge on northern Hudson Bay that is miles and miles from nowhere At the lodge they share a cabin with the world's most obnoxious photographer and also with an elderly woman who has difficulties using the bathroom All of them see polar bears way too close Anne's dad goes with Stuart and Anne to Kenya on a photographic safari Anne's dad unfortunately tends to stray from camp on foot and alone into country inhabited by leopards and lions He also tends to fall asleep in his dinner Not wanting to be outdone by Anne's dad in Kenyan shenanigans Stuart gets himself mistaken for a CIA agent by some locals who try to recruit Stuart the CIA agent to murder one of their neighbors Stuart and Anne go off to southeastern Turkey even though southeastern Turkey borders on places like Iran Iraq and Syria All of their friends think that Stuart and Anne are crazy The two survive the trip very well despite the inconveniences of stopped up toilets 120 degree heat and cave hotels In Panama Stuart and Anne get sick celebrate the New Year with forty aggressive Pakistanis and go bird watching with a guide who doesn't speak any English and doesn't know anything about birds You'll laugh you'll cry as you share these and other adventures on four continents with the dauntless Stuart and Anne And like them you will often find yourself asking a question that for one or

both of the books two protagonists probably has an embarrassing answer Who Picked This Place A Knight of Another Sort Gary DeNeal,1998-12-10 Charlie Birger s legacy is that of the most popular and arguably the most violent gangster in southern Illinois during the 1920s A Russian immigrant who first proved his grit on the streets of St Louis as a newsboy Birger later excelled in boxing and breaking horses in the West But the coming of Prohibition to the coal fields of southern Illinois provided the opportunity for Birger to become a key figure in a maelstrom of violence that would shock the country Bolstered by years of research and interviews Gary DeNeal tenders an insightful biography of this controversial character Enhanced by newly discovered photographs and a new chapter the second edition of A Knight of Another Sort brings Birger and his bloody era vividly to life **Journey of a Lawman** Robert Sobba,2021-01-27 Journey of a Lawman By Robert Sobba Reading this book makes it easy to understand why Robert Sobba had such a successful law enforcement career His passion for justice and true concern for the rights of victims shows through in every chapter This book is his way of reminding us of the voices of those victimized Chris Allgood retired Caldwell Police Chief Based on Robert Sobba s excellent record as an officer and police chief when I was elected governor of Idaho I appointed him as the Director of the Idaho Department of Law Enforcement Robert was dedicated to public service and professionalism during that time I recommend his book to anyone interested in getting a unique look inside of police work Phil Batt Former Idaho Governor During my career in law enforcement I often had the pleasure of working with Chief Robert Sobba Robert s account of his years in police work will prove an informative and entertaining book George Nourse former Canyon County Sheriff *The Outsiders* ,2011-03
