The Bloomsbury Handbook to Sofia Coppola Suzanne Ferriss, 2023-01-12 The Bloomsbury Handbook to Sofia

Coppola offers the first comprehensive overview of the director's impressive oeuvre. It includes individual chapters on her films including *The Virgin Suicides* 1999, *Lost in Translation* 2003, *Marie Antoinette* 2006, *Somewhere* 2010, *The Bling Ring* 2013, *The Beguiled* 2017, and *On the Rocks* 2020. While focused on her films, contributors also consider Coppola's shorter works for television, commercials, and music videos, as well as explorations of the distinct elements of her signature style: cinematography, production, costume design, music, and editing. Additional chapters provide insights into the influences on her work, its popular and scholarly reception, and interpretations of key themes and issues. The international team of contributors includes leading scholars of film, music, fashion, celebrity, and gender studies, visual and material culture, reception studies, as well as industry professionals. Their interdisciplinary insights capture the complexities of Coppola's work and its cultural significance.

Andrew Durham, *Set Pictures Behind the Scenes with Sofia Coppola* (University of Michigan Press, 2018-02-11) **Sofia Coppola** Fiona Handyside, 2017-01-29. She has received numerous accolades, including an Academy Award and two Golden Globes, and in 2004 became the first ever American woman to be nominated for a Best Director Oscar. From *The Virgin Suicides* to *The Bling Ring*, her work carves out new spaces for the expression of female subjectivity that embraces rather than rejects femininity. Fiona Handyside here considers the careful counterbalance of vulnerability with the possibilities and pleasures of being female in Coppola's films, albeit for the white and the privileged, through their recurrent themes of girlhood, fame, power, sex, and celebrity. Chapters reveal a post-feminist aesthetic that offers sustained intimate engagements with female characters. These characters inhabit luminous worlds of girlish adornments, light, and sparkle, and yet find homes in unexpected places, from hotels to swimming pools, palaces to strip clubs, resisting stereotypes and the ordinary. In this original study, Handyside brings critical attention to a rare female auteur and, in so doing, contributes to important analyses of post-feminism, authorship in film, and the growing field of girlhood studies.

Sofia Coppola Hannah Strong, 2022-05-17. An illustrated critical survey of Academy Award-winning writer and director Sofia Coppola's career, covering everything from her groundbreaking music videos through her latest films. In the two decades since her first feature film was released, Sofia Coppola has created a tonally diverse, meticulously crafted, and unapologetically hyperfeminine aesthetic across a wide range of multimedia work. Her films explore untenable relationships and the euphoria and heartbreak these entail, and Coppola develops these themes deftly and with discernment across her movies and music videos. From *The Virgin Suicides* and *Marie Antoinette* to *Lost in Translation* and *The Beguiled*, Coppola's award-nominated filmography is also unique in how its consistent visual aesthetic is informed by and in conversation with contemporary fine art and photography. Sofia Coppola offers a rich and intimate look at the overarching stylistic and thematic components of Coppola's work. In addition to critical essays about Coppola's filmography, the book will include interviews with some of her closest collaborators, including musician Jean-Benoît Dunckel and costume designer Nancy Steiner, along with a foreword by Italian filmmaker Alice Rohrwacher. It engages with her creative output while celebrating her talent as an imagemaker and storyteller. Along the way

readers meet again a cast of characters mired in the ennui of missed connections loneliness frustrated creativity rebellious adolescence and the double edged knife of celebrity all captured by the emotional intimate power of the female gaze

Sofia Coppola Anna Backman Rogers, 2018-11-29 A feminist study of the mood texture tone and multifaceted meaning of director Sofia Coppola's aesthetic through her most influential and well known films A Choice Outstanding Academic Title 2019 With this book Rogers has produced a sophisticated and impassioned analysis of Coppola's work Rogers's main argument that Coppola manipulates pleasurable images to unsettle rather than mollify us is utterly convincing If nothing else this certainly hits home in relation to my own enchantment with Coppola's work Bright Lights Film Journal All too often the movies of Sofia Coppola have been dismissed as all style no substance But such an easy caricature as this engaging and accessible survey of Coppola's oeuvre demonstrates fundamentally misconstrues what are rich ambiguous meaningful films Drawing on insights from feminist philosophy and psychology the author here takes an original approach to Coppola exploring vital themes from the subversion of patriarchy in *The Virgin Suicides* to the female gothic in *The Beguiled* As Rogers shows far from endorsing a facile and depoliticized postfeminism Coppola's films instead deploy beguilement mood and pleasure in the service of a robustly feminist philosophy From the Introduction Sofia Coppola possesses a highly sophisticated and intricate knowledge of how images come to work on us that is she understands precisely how to construct an image what to add in and what to remove in order to achieve specific moods tones and cinematic affects She knows that similar kinds of images can have vastly different effects on the viewer depending on their context This monograph is an extended study of Coppola's outstanding ability to think through and in images **A Critical Companion to Sofia Coppola**
