sensitive to the emotive capacities of verse despite arguably lacking lyrical talent solidifies the active role it played in his career and relationships Whether utilising it for flirtation political satire parody eulogy or to construct elaborate riddles Dickens continued to drop into poetry Furthermore as editor of Household Words and All the Year Round he regulated and influenced its periodical production by other Victorian writers Uncovering new biographical and historical allusions in over one hundred verse items this collection s editorial apparatus also cites Dickens s oeuvre and previous scholarship clarifies definitions and demystifies cultural references
