The CIA's Black Ops John Jacob Nutter, Ph.D,2009-12-04 The vast array of CIA black ops

operations has turned the agency into a policy maker dangerously independent of the government that created it This is an unprecedented declassification of foreign exploits and domestic secrets **Country Eastern** Don L. Clark,2010-10-31 A missing groom causes a budding Country Western singer to team up with an unlikely duo and head for Thailand to try and find out what happened to the fiancé who had once rescued her from a plane crash What she learns about his past amazes and scares her but Jes Darlin pushes on and becomes a big hit in the most crowded refugee camps in the world Danger mayhem and tawdry practices await her *The Burma Road to Poverty* Mya Maung,1991-08-30 Although political upheavals and mass killings in the Socialist Republic of Burma Myanmar have received a great deal of international attention scholars and journalists until now have failed to identify the unique underlying factors that produced this situation and helped to maintain military dictatorship under Ne Win's successors Mya Maung looks into the deeper sources of Burmese behavior focusing on the ancient tradition of sacred despotic rule the undermining of social and cultural life during the British colonial period and the impact of conflicting cultural realities on a Communist military elite whose attempts to reinstate absolute authority compounded their gross mismanagement of economic development Maung presents an overview of the contradictions and biases expressed by writers both foreign and Burmese who have attempted to understand the Burmese and their country's recent history He next describes a traditional society in which authoritarian rule existed side by side with a marked degree of social freedom and egalitarianism Maung discusses the far reaching impact of colonialism the transition to independence the Socialist military takeover and the progressive repression and economic failures that led ultimately to economic collapse Maung concludes with an examination of Burma's potential for utilizing its resources effectively and developing a stable economy in the transition to capitalism Based on field research hundreds of interviews and Maung's firsthand knowledge of Burmese culture this analysis contributes a balanced perspective and new information crucial to our understanding of a society that has been largely closed to outsiders for more than two decades **Mercenaries** Guy Arnold,1999-11-26 Mercenaries have been employed as auxiliaries since early times but in the post 1945 world they have operated almost exclusively in weak Third World countries From Columbia to the Congo Angola to Papua New Guinea Cambodia to Nicaragua they have appeared training the drug cartel armies assisting rebellions or civil wars acting as the agents of the major powers In the Congo crisis 1960-1965 they earned an especially unsavory reputation for greed brutality and racism it is a reputation that has stuck to the mercenary and on the whole justly During the 1990s a new phenomenon has emerged in the form of the mercenary corporations such as Executive Outcomes or Sandline These corporations offer a range of military expertise and weaponry have the covert support of governments in the countries from which they come and are rapidly becoming a power to themselves ultimately far more dangerous than the individual freebooters of the past Good Luck Frenchy Alain Olivier,2020-02-27 Being mistaken for someone else being falsely depicted as an important international heroin importer and trafficker and being made an unwilling accessory to murder aren't everyday occurrences

Surely this is not how the police behave to get their man But what if they go further What if with the aid of a thuggish civil agent the RCMP implement a buy and bust operation a Final Solution to get rid of you And what if a Mountie is killed in the process under very nebulous circumstances A chilling scenario that becomes even more disconcerting when members of the RCMP commit perjury to insure your conviction and cover up the true circumstances surrounding their colleague s death But what about you being sentenced to death as a result of this and a trial littered with lying witnesses and tainted evidence that sends you on a path meant to shatter your already broken life And what if in the end Canadian legal institutions and ministries opt to defend the undefendable in order to protect the RCMP s integrity and the image of Canada Known as Bang Kwang prison inmate 482 33 my name is Alain Olivier I learned first hand what it means to be treated as expendable when the RCMP screws things up during a sketchy buy bust operation oversea This was my struggle against all odds to survive in the jungle of Bang Kwang prison a true story that has something for everyone drugs murder threats violence conflict of interest political corruption coverups and my faint hope that the Canadian government would come to its senses and bring me home
