Soldier Patriot Financier A Biographical Sketch Of Major General George Olmsted:

Soldier, Patriot, Financier Howard L. Dutkin, 1971 The story of Maj Gen George Olmsted who with his staff originated rescue operations resulting in the freeing of thousands of prisoners from Japanese prison camps in World War II and who in civilian life became one of the world's great financiers is sharply delineated in this biography by Howard L. Dutkin It is an incredible story and yet the facts are all on the record The New York Times editorializing on the prisoner rescue in the issue of Aug 24 1945 said in part Like many spectacular deeds of the war the smooth operation of the parachute teams has been due not only to individual daring but to careful step by step training in organization Like the Commandos the rescue teams knew precisely where they were going what they wanted to do and how to do it Brigadier General George Olmsted who planned and directed their activities left very little to chance It is a bright chapter in the Pacific war Cover flap *The Tito-Stalin Split and Yugoslavia's Military Opening toward the West, 1950-1954* Ivan Lakovic, Dmitar Tasic, 2016-07-14 Yugoslav military cooperation with West emerged after the country's split with the U S S R and its allies in 1948 It came as a surprise for many since Yugoslavia used to be one of the staunchest followers of Soviet politics However faced with possible military escalation of the ideological political and economic worsening of relations with the East the Yugoslav leadership quickly turned to their former class enemies For the United States it presented an opportunity to acquire many unexpected political benefits Yugoslav alienation from the Kremlin provided territorial consolidation of the southern flank of NATO denial of direct approach to the Adriatic Sea and Northern Italy to Soviet troops and dealt a strong political blow to the homogeneity of the Eastern bloc While not insisting on changing the ideological nature of Yugoslav state the United States provided much needed material and financial aid developing the base for entering into sphere of military cooperation It had two main categories direct support for Yugoslav forces through shipments of military equipment as well as Yugoslavia entering into defensive military alliance the Balkan Pact with Greece and Turkey already full members of NATO Such trends aiming towards closer Yugoslav bonding with Western military and political structures ended in the mid 1950s with Stalin's death the outbreak of the Trieste crisis and Tito's reconciliation with Soviet leadership Developing the new policy of non alignment with either of the confronting blocs Yugoslavia stepped out from the program of Western military aid while the Balkan Pact slowly faded in growing animosity between Greece and Turkey *Air University Library Index to Military Periodicals*, 1971 *Special Warfare*, 2009 **Writings on American History, 1962-73**, 1985 This book provides a comprehensive listing of the book length works published from 1962 to 1973 that are relevant to the study of American history and is organized into a subject classification system This bibliography gives access to over 50 000 works on the history the geography and the political social and economic aspects of the United States its people its government and its institutions The entries cover the entire area now within the United States or under its jurisdiction ranging from prehistoric times to 1973 Introd *Catalog of Copyright Entries.
