Shaun Clarke, 2013-12-12 Ever since its formation during World War II the Special Air Service had operated under conditions of such secrecy that few members of the public even knew of its existence By the evening of 5 May 1980 all this had changed drastically On the morning of 30 April the Iranian Embassy at No 16 Price s Gate in London was seized by six well armed terrorists members of the Revolutionary Movement for the Liberation of Arabistan Nineteen Iranian nationals and four British citizens were captured During the subsequent negotiations between the terrorists and the British police a number of the hostages were released When on the fifth day of the siege one of the hostages was shot dead and his body pushed out through the door of the Embassy the police decided that the time for negotiation was over and asked the military to end the siege The only men deemed to possess enough skill and daring for this dangerous task were those of the legendary Special Air Service the SAS In fact convinced that they would eventually be called in to rescue the hostages the SAS had already

mapped out and practised a high risk operation in their top secret Killing House in Hereford and in some army barracks two miles from the Embassy On the evening of 5 May their well rehearsed plans were put into action when twelve SAS soldiers dressed in black in wearing anti gas respirators and NBC hoods made their courageous assault on the Embassy Using a combination of abseiling ropes stun grenades sub machine guns and 9mm high power handguns and in the full glare of the international media they routed the terrorists and succeeded in rescuing the hostages Within hours the SAS once relatively unknown had become the most celebrated regiment in the history of modern warfare

Soldier O: The Bosnian Inferno David Monnery,2013-12-12 In 1993 as civil war continued to rage in Bosnia a strange story began to emerge In the isolated mountain town of Zavidovići a small army of Serbs Muslims and Croats had been formed under the command of a renegade Briton by the name of Reeve Originally organised to defend the town against the tides of war and ethnic cleansing this force had subsequently started mounting raids further afield in search of food fuel and medical supplies All sides in the war were enraged by the exploits and the very existence of this maverick army even the UN mediators recognised the need for its suppression But there were only two people Reeve would be likely to listen to his ex wife and an ex comrade in the SAS The latter was willing to take a team of SAS men into Zavidovići the former had first to be found she was either trapped in Sarajevo or imprisoned in a Serbian concentration camp Rescuing her would be only the beginning The SAS team would then have to traverse the mountainous war zone and force their way into the besieged town This would be difficult enough Fighting their way out of the war ravaged territory with a convoy of the sick the old and the very young would be next to impossible

Soldier W: Guatemala - Journey Into Evil David Monnery,2013-12-12 In the Central American republic of Guatemala government sponsored torture and mass murder had reduced the Mayan Indian population to a despairing acquiescence and after five hundred years of struggle it began to seem as if the conqueror's peace could at last be claimed in the capital Then at the beginning of 1995 a guerrilla leader whom the authorities had long believed dead sprang mysteriously back to life No loyal Guatemalan could identify him and the government was compelled to seek help elsewhere from one of the two SAS soldiers who had helped to mediate a hostage crisis with the guerrilla almost fifteen years earlier To the government in Whitehall it appeared a straightforward enough exercise but for the soldier and his comrades the mission soon turned into a nightmare of impossible choices and then land of Guatemala magical and cruel by turns proved much easier to enter than to escape

Soldier F: Guerrillas in the Jungle Shaun Clarke,2013-12-12 In 1948 Communist terrorists were waging a bloody war against estates and rubber plantation owners in Malaya Chased into the interior by British Army units the guerrillas soon became experts at survival and evasion emerging from the jungle only to launch increasingly ferocious attacks In 1952 on the recommendation of Lieutenant Colonel Mad Mike Calvert veteran of the Chindit campaigns in Burma 22 SAS was formed as a special counter insurgency force Three years later the re formed SAS began their jungle patrols They learned how to survive for weeks at a time in hostile terrain often waist deep in water and under attack from wild animals leeches and poisonous

Soldier X: Operation Takeaway Doug Armstrong,2013-12-12 For Captain Don Headley of the SAS the police anti terrorist exercise on the outskirts of Heathrow Airport was to have been just another training job But in the grey suburban sprawl on the edge of London another far more sinister plot was about to unfold a plot that would suck him in relentlessly and send him off on a hostage rescue mission to the Indian subcontinent Under the auspices of the inscrutable Intelligence chief Sir Anthony Briggs the operation would reunite him with some of the hardest troopers from Hereford for only such a hand picked team was capable of storming a terrorist stronghold among the mountain fastnesses of Pakistan And only the very best would have a chance of coming back alive Central to the mission was the mysterious Mr Sanji It was at the cost of precious lives that Don and his men would learn the horrific secret of this world weary man and understand at last that the roots of the kidnap plot lay buried in the dying days of the British Raj

Soldier M: Invisible Enemy in Kazakhstan Peter Cave,2013-12-12 In the 1990s in the bleak snow capped mountains of Kazakhstan the SAS return to settle a score which goes back almost half a century and to face a new and terrifying enemy an enemy that is silent deadly and invisible and that will test their endurance and their equipment to the limit Almost fifty years earlier in 1945 even as treaties were being signed in Berlin treachery was being planned An SAS patrol on a routine mission was ambushed and massacred by a cynical and ruthless Russian KGB Major with an insane dream of a new and terrible form of biological warfare In the post war years captured Nazi medical personnel and the cream of the USSR s scientists were established in a high security research facility in the remote mountainous region of Kazakhstan close to the Mongolian border Although the complex s inhuman experiments were devastatingly successful and although it was still funded by the KGB by the early 1980s the virtually autonomous complex with its well armed security unit and fanatically independent community was almost forgotten by the Soviet authorities Until that is sketchy reports of an accident possibly a plague or leak of a mutated virus from a biological experiment filtered through to American intelligence A Russian army team sent in to investigate disappeared without trace The Chinese terrified that their territory might be threatened by the leak turned to Britain an unlikely ally for help Only one group of men was deemed capable of discovering the truth behind the underground facility the legendary Special Air Service the SAS

to Britain and to the legendary Special Air Service the SAS Two veterans are dispatched to Bogot When one of them is kidnapped and held for ransom by the cartels the only hope of securing his release seems to lie with the rest of the regiment back in England Getting into Columbia will be hard enough Getting out more perilous still as the men of the SAS face dangers in every corner of a violent land from the streets of Bogot through the high mountains of the Andes and on down into the Amazon rain forests Soldier D SAS The Colombian Cocaine War is the fourth in a series of novels based on this extraordinary regiment a thrilling factoid adventure about the most daring soldiers in military history the SAS
