Intimate Letters Leos Janáček,2014-07-14 These are the letters of a great love story In 1917 the Czech composer Leos Jan ek met Kamila St sslov while on holiday at Luha ovic a spa resort in Moravia He was sixty three and locked in a loveless marriage she was twenty six the wife of an antique dealer frequently away from home After the holiday Jan ek began writing to St sslov Undeterred by her lack of interest in his work and her spasmodic replies he continued to send her letters until his death eleven years later An extraordinarily self revealing portrait emerges of an isolated artist at the height of his creative powers and the beginning of his international fame It is also a portrait of a lonely man who as the years went by came to fantasize about St sslov as his true wife the inspiration for many of the works of his old age Most of these letters were suppressed until changing conditions in Czechoslovakia allowed their full publication in 1990 John Tyrrell has edited and translated a comprehensive selection concentrating on the almost daily letters of the final eighteen months Supported by a diary of meetings between Jan ek and St sslov a decoding of the erotic references in the letters and a selection of mostly unknown photographs this remarkable book breathes life into the story one of the greatest of operatic composers and provides vital clues to the nature of his creative genius Originally published in 1994 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

The Little Terrorist Sheila Schwartz,2001-05-03 This is a story of family love and loss joy and tragedy set against a background of contemporary terrorism It is particularly relevant today The heroine Elizabeth Stern is an affluent pediatric surgeon whose husband and child are killed in the Athens Airport massacre at the end of their vacation there The little terrorist is Nadja a little girl the sole survivor of an exploding automobile who is brought into the doctors operating room in upstate New York after Elizabeth pulls herself together enough to return to work Elizabeth functions like an automaton

devoting her life completely to her medical work until she sees in Nadja a resemblance to her own daughter and the girl becomes more than just another patient to her. She vows to save the girl especially because she had no opportunity to save her own child. Gradually she begins to love Nadja fantasizing that nobody will come for the girl and she will be able to take her home, put her into her daughters room and have someone to love again. The antagonist initially and love interest is David Hashemi, an FBI agent of Lebanese background who is assigned to the hospital because the FBI has discovered that the same plastique that blew up the World Trade Center was in the car that exploded. At first Elizabeth is hostile to him. She does not like the FBI, resents their campus harassment during the Vietnam War, is horrified by the WACO incinerations and fears that they will take Nadja away from the hospital. Gradually against her will Elizabeth falls in love with David as she finds that he is a good man, noble, caring and brave who needs love as much as she does. The major figures at the hospital are 1 Clifford Grubman, the Hospital President who is romantically interested in Elizabeth and 2 Molly Quinn, Elizabeths assistant nurse who is Elizabeths best friend and forces her to stay alive after the Athens massacre. The FBI remains at the hospital to keep Nadja under surveillance while waiting for her to regain consciousness so that they can ask her about the cars destination. Certain that a backup team will come to replace the people blown up in the car, Hashemi says that it is essential to find the target to be bombed. Nadja is also under surveillance by other terrorists who are hidden around the hospital and want to make sure that she does not divulge any information to the Americans. During the following weeks there are a number of dramatic confrontations. Hospital personnel and FBI agents are killed in their attempts to protect the girl. Hashemi decides that she must be moved and she and a nurse Molly are taken over night to Elizabeths house. Dr Grubman is tortured and murdered when he can not divulge where Nadja is taken when shes moved from the hospital. However before she can be moved again she is kidnapped. Molly is injured and another FBI agent is killed. Interrogating a woman arrested in a raid Hashemi discovers that Nadja is to be used as a human bomb like a kamikaze pilot or a suicide bomber and that the target is the U S President who will be arriving at Stewart Airport to pay a visit to Franklin Roosevelts legendary house in Hyde Park. Hashemi tells Elizabeth that she must accept Nadjas inevitable death and forbids Elizabeth to come to the airport on the day of the confrontation. They quarrel violently about this and that morning as soon as he is gone Elizabeth drives herself to Stewart Airport. When she sees Nadja out on the tarmac she runs toward her determined to save her. In the ensuing conflagration at Stewart Airport the gang of terrorists is captured. Nadja and Elizabeth are saved but Hashemi loses a leg running to protect them. He is angry and bitter and irrationally blames Elizabeth and Nadja for his loss. He is a hero, will be decorated and will be given a desk job by the FBI but he is as might be expected inconsolable. Although Hashem
