## **Solitary Raven:**

**Solitary Raven** Bill, 2012-03-23 A seminal collection of writing from one of Canada's most revered artists spanning forty years of his life. When Haida sculptor and Canadian icon Bill Reid died in the spring of 1998, he was more widely and more fervently admired than any other Native artist in North America. Although Reid attained his greatest fame in the visual arts, words were his first professional medium. Until he received his first large carving commission in 1958, he made his living as a radio announcer and script writer. This work earned him the Haida name Kihlguulins, the One with the Beautiful Voice. In his later years, Parkinson's disease curtailed his public speaking, but it did not prevent him from writing. His oratorical and literary gifts are rightly part of the Reid legend. Recordings of his voice can still be played in a number of major museums around the world. Despite his gift for words, much of what he wrote was published only in newspapers, magazines, and exhibition catalogues. Some was made public in audio form but never printed, and some has languished in manuscript for years. This book collects for the first time the most important of these widely scattered writings: seminal statements on the art on the Northwest Coast, the role of the Native artist in a multicultural world, and the quintessential role of the environment to the survival of human culture.

**The Raven Scholar** Antonia Hodgson, 2025-04-15 A labyrinth of a book, vast and intricate, full of fiendish twists and clever traps, with a deeply human heart at its center. It's thrilling, romantic, often tragic, and always funny. I'm obsessed. Alix E. Harrow, New York Times bestselling author of *Starling House*. *The Raven Scholar* is a masterfully woven tale of imperial intrigue from an electrifying new voice in epic fantasy. In a stunning edition featuring French flaps and silver foiled cover effects, let us fly now to the empire of Orrun, where after twenty-four years of peace, the reign of Bersun the Brusque has come to an end. In the dizzying heat of midsummer, seven exceptional warriors, thinkers, strategists compete to replace him. When one of them is murdered, it falls to Neema Kraa, the emperor's brilliant idiosyncratic High Scholar, to find the killer and fight for the throne. Neema believes she is alone. But we are here to help; all she has to do is let us in. If she succeeds, we will win an empire. If she fails, death awaits her. But we won't let that happen. We are the Raven, and we are magnificent. Sharply written and intricately plotted, a masterclass in storytelling. Ann Leckie, Hugo Award-winning author of *Ancillary Justice*. Fiendishly charming and clever, this is a book you absolutely must devour. Tasha Suri, World Fantasy Award-winning author of *The Jasmine Throne*. *The Raven Scholar* is as clever as its namesake: each beloved character, each twist, and each turn is a shiny new gift. It is magnificent. C. L. Clark, author of *The Unbroken*. Epic fantasy at its finest: fiendish political intrigue, the ultimate trial for the throne, and a shocking crime at the center. Simply glorious. Georgia Summers, author of *The City of Stardust*. Engrossing and unputdownable, my favorite read of the year. A conflagration of court intrigue, religious folktale, and characters with deliciously murky motivations. *The Raven Scholar* is a pure delight. Bethany Jacobs, Philip K. Dick Award-winning author of *These Burning Stars*.

[The Raven's Rune](#) Casey McLe, 2024-11-06 The world of Aeridor is built on song, a sonic architecture of power wielded by the skalds holding at bay the formless hunger of the Void. But the songs are

fading and the whispers of oblivion grow louder When a crimson stained raven feather the chilling mark of the Raven s Rune cult is found embedded in his rune carved drum Einarr the last of the Bear Clan skalds knows his time is running out Haunted by a past betrayal that fractured the world s defenses he entrusts Elara his storm born apprentice with a fragmented rune poem a cryptic key to a power that could save Aeridor or shatter it completely Driven by vengeance against the cult that decimated her village Elara embarks on a perilous journey Ancient forests whisper secrets windswept plains echo with forgotten battles and crumbling cities choke under the encroaching shadows a landscape mirroring the turmoil within Elara s own heart Her path leads her to Kurt Rojas a grizzled seafarer marked by the swirling patterns of the Void a survivor who has peered into the abyss and returned with cryptic prophecies and the chilling truth of the Raven s Rune s ambition to rewrite the song of creation into a hymn of destruction Within the ruins of a forgotten observatory Elara discovers a hidden library a repository of lost knowledge where whispering stones and crumbling scrolls reveal the true nature of the Void not merely an absence but a banished god yearning for return As Elara unravels the mysteries of the rune poem she confronts not only the external threat of the Raven s Rune but the inner demons that threaten to consume her Rojas haunted by his past becomes her unlikely mentor guiding her in the art of controlling her untamed power teaching her that true strength lies not in vengeance but in creation Beneath the ethereal glow of the aurora borealis on the desolate plateau of the Whispering Ridge the Raven s Rune prepares their final ritual using the stolen voices of slain skalds to weave a song of unraveling Elara armed with the knowledge of the rune poem and the strength of Rojas s guidance confronts the cultists The final battle is not fought with steel but with song Elara s voice rises against the chilling chant of the Raven s Rune a melody of defiance resonating with the primordial energies of Aeridor Rojas in a final act of sacrifice amplifies her song unleashing a devastating wave of sound that shatters the ritual and pushes back the encroaching Void In the aftermath Elara becomes the voice of a new dawn weaving melodies of resilience and hope The Void is not defeated but Aeridor now attuned to a new song stands ready Elara scarred but unbroken becomes a beacon a testament to the power of one voice to sing against the silence a symbol of creation in the face of oblivion

Gannon,2009-11-01 A Native rereading of both British Romanticism and mainstream Euro American ecocriticism this cross cultural transatlantic study of literary imaginings about birds sets the agenda for a more sophisticated and nuanced ecocriticism Lakota critic Thomas C Gannon explores how poets and nature writers in Britain and Native America have incorporated birds into their writings He discerns an evolution in humankind s representations and attitudes toward other species by examining the avian images and tropes in British Romantic and Native American literatures and by considering how such literary treatment succeeds from an ecological or animal rights perspective Such depictions Gannon argues reveal much about underlying cultural and historical relationships with the Other whether other species or other peoples He elucidates the changing interconnections between birds and humans in British Romanticism from Cowper to Clare with particular attention to Wordsworth Coleridge Shelley Byron and Keats Gannon then considers how birds are imagined by Native writers including early Lakota authors and contemporary poets such as Linda Hogan and Joy Harjo Ultimately he shows how the sensitive and far reaching connections with nature forged by Native American writers encourage a more holistic reimagining of humankind s relationship to other animals
