Solitary Star A Biography Of Sam Houston

Ben R. Guttery

Solitary Star A Biography Of Sam Houston:

Solitary Star Donald Braider,1974 **Sam Houston** James L. Haley,2015-04-10 In the decades preceding the Civil War few figures in the United States were as influential or as controversial as Sam Houston In Sam Houston James L Haley explores Houston s momentous career and the complex man behind it Haley s fifteen years of research and writing have produced possibly the most complete most personal and most readable Sam Houston biography ever written Drawn from personal papers never before available as well as the papers of others in Houston s circle this biography will delight anyone intrigued by Sam Houston Texas history Civil War history or America s tradition of rugged individualism [The Biography Book](#) Daniel S. Burt,2001-02-28 From Marilyn to Mussolini people captivate people A E s Biography best selling autobiographies and biographical novels testify to the popularity of the genre But where does one begin Collected here are descriptions and evaluations of over 10 000 biographical works including books of fact and fiction biographies for young readers and documentaries and movies all based on the lives of over 500 historical figures from scientists and writers to political and military leaders to artists and musicians Each entry includes a brief profile autobiographical and primary sources and recommended works Short reviews describe the pertinent biographical works and offer insight into the qualities and special features of each title helping readers to find the best biographical material available on hundreds of fascinating individuals **Sam Houston** John Hoyt Williams,1994-03-03 Against the tumultuous backdrop of early Texas history Williams sketches a vivid portrait of a truly American legend Map [The Era of the Civil War--1820-1876](#) Louise A. Arnold-Friend,US Army Military History Institute,1982 **The Encyclopedia of the Mexican-American War** Spencer C. Tucker,2012-10-09 This user friendly encyclopedia comprises a wide array of accessible yet detailed entries that address the military social political cultural and economic aspects of the Mexican American War The Encyclopedia of the Mexican American War A Political Social and Military History provides an in depth examination of not only the military conflict itself but also the impact of the war on both nations and how this conflict was the first waged by Americans on foreign soil and served to establish critical U S military political and foreign policy precedents The entries analyze the Mexican American War from both the American and Mexican perspectives in equal measure In addition to discussing the various campaigns battles weapons systems and other aspects of military history the three volume work also contextualizes the conflict within its social cultural political and economic milieu and places the Mexican American War into its proper historical and historiographical contexts by covering the eras both before and after the war This information is particularly critical for students of American history because the conflict fomented sectional conflict in the United States which resulted in the U S Civil War **Stephen F. Austin** Gregg Cantrell,2016-02-09 The Texas State Historical Association is pleased to offer a reprint edition of Stephen F Austin Empresario of Texas Gregg Cantrell s path breaking biography of the founder of Anglo Texas Cantrell s portrait goes beyond the traditional interpretation of Austin as the man who spearheaded American Manifest Destiny Cantrell portrays

Austin as a borderlands figure who could navigate the complex cultural landscape of 1820s Texas then a portion of Mexico His command of the Spanish language respect for the Mexican people and ability to navigate the shoals of Mexican politics made him the perfect advocate for his colonists and often for all of Texas Yet when conflicts between Anglo colonists and Mexican authorities turned violent Austin s accomodationist stance became outdated Overshadowed by the military hero Sam Houston he died at the age of forty three just six months after Texas independence Decades after his death Austin s reputation was resurrected and he became known as the Father of Texas More than just an icon Stephen F Austin emerges from these pages as a shrewd complicated and sometimes conflicted figure This Corner of Canaan Randolph B.

Campbell,2013 Randolph B Mike Campbell has spent the better part of the last five decades helping Texans rediscover their history producing a stream of definitive works on the social political and economic structures of the Texas past Through meticulous research and terrific prose Campbell s collective work has fundamentally remade how historians understand Texan identity and the state s southern heritage as well as our understanding of such contentious issues as slavery westward expansion and Reconstruction Campbell s pioneering work in local and county records has defined the model for grassroots research and community studies in the field More than any other scholar Campbell has shaped our modern understanding of Texas In this collection of seventeen original essays Campbell s colleagues friends and students offer a capacious examination of Texas s history ranging from the Spanish era through the 1960s War on Poverty to honor Campbell s deep influence on the field Focusing on themes and methods that Campbell pioneered the essays debate Texas identity the creation of nineteenth century Texas the legacies of the Civil War and Reconstruction and the remaking of the Lone Star State during the twentieth century Featuring some of the most well known names in the field as well as rising stars the volume offers the latest scholarship on major issues in Texas history and the enduring influence of the most eminent Texas historian of the last half century Exiled Ron Rozelle,2017-12-01 After an undisputed record of political achievement leading the decisive battle for Texas independence at San Jacinto serving twice as president of the Republic of Texas twice again as a United States senator after annexation and finally as governor of Texas Sam Houston found himself in the winter of his life in a self imposed exile among the pines of East Texas Houston was often a bundle of complicated contradictions He was a spirited advocate for public education but had little formal education himself He was very much a Jackson man but disagreed with his mentor on the treatment of Native Americans He was a slaveholder who opposed abolition but scuttled his own political reputation by resisting the South s move toward secession After refusing to take an oath of loyalty to the Confederacy in 1861 Houston was swiftly evicted from the governor s office Let me tell you what is coming he later said from a window at the Tremont Hotel in Galveston After the sacrifice of countless millions of treasure and hundreds of thousands of lives you may win Southern independence if God be not against you but I doubt it Houston died just two years later and the nation was indeed fractured Ron Rozelle s masterful biographical portrait here lingers on Houston s final years especially as

lived out in Huntsville when so much of his life's work seemed on the verge of coming undone Artfully written for the general reader *Exiled The Last Days of Sam Houston* is a compelling look at Sam Houston's legacy and twilight years **A Country of Vast Designs** Robert W. Merry, 2010-11-02 ROBERT MERRY'S BRILLIANT AND HIGHLY ACCLAIMED HISTORY OF A CRUCIAL EPOCH IN U S HISTORY In a one term presidency James K Polk completed the story of America's Manifest Destiny extending its territory across the continent by threatening England with war and manufacturing a controversial and unpopular two year war with Mexico *Almanac of American Military History* Spencer C. Tucker, 2012-11-21 This almanac provides a comprehensive chronological overview of all American military history serving as the standard reference work of its type *Almanac of American Military History* is yet another reference work from acclaimed historian Dr Spencer C Tucker and ABC CLIO offering an unprecedented resource for a wide range of students and researchers A comprehensive four volume title this almanac traces all of American military history from the European voyages of discovery through 2011 chronicling the pivotal moments that have shaped the United States into the country it is today In addition to documenting key events this title presents biographies of more than 250 key individuals and provides information on more than 250 historically significant technologies and weapons systems A detailed glossary is included as are discussions of ranks and military awards and decorations Divided into conflict periods each chapter includes a detailed chronology reference entry sidebars statistical information primary source documents and a bibliography **The Encyclopedia of North American Indian Wars, 1607-1890** Bloomsbury Publishing, 2011-09-19 This encyclopedia provides a broad in depth and multidisciplinary look at the causes and effects of warfare between whites and Native Americans encompassing nearly three centuries of history The Battle of the Wabash the U S Army's single worst defeat at the hands of Native American forces The Battle of Wounded Knee an unfortunate unplanned event that resulted in the deaths of more than 150 Lakota Sioux men women and children These and other engagements between white settlers and Native Americans were events of profound historical significance resulting in social political and cultural changes for both ethnic populations the lasting effects of which are clearly seen today *The Encyclopedia of North American Indian Wars 1607 1890 A Political Social and Military History* provides comprehensive coverage of almost 300 years of North American Indian Wars Beginning with the first Indian settler conflicts that arose in the early 1600s this three volume work covers all noteworthy battles between whites and Native Americans through the Battle of Wounded Knee in December 1890 The book provides detailed biographies of military social religious and political leaders and covers the social and cultural aspects of the Indian wars Also supplied are essays on every major tribe as well as all significant battles skirmishes and treaties **Six Constitutions Over Texas** William J. Chriss, 2024-06-18 In his foreword to *Six Constitutions Over Texas Texas Political Identity 1830 1900* historian H W Brands describes the saga surrounding the development of the Texas state constitution as having the sweep of a Russian novel populated by characters as colorful as any of Tolstoy's Indeed even a glance at the table of contents reveals hints of

international and regional conflict intrigue and shifting political alliances that characterized the rise and in the case of the first five iterations fall of the constitutions serving as the guiding document for what was variously a state of Mexico an independent nation a member of the Union a Confederate state and a newly subdued region under Reconstruction This meticulous study by legal historian William J Chriss examines how Anglo Texans went about creating their political identity over three quarters of a century and the impact of those decisions By delineating the social political military and other considerations at play during the various stages of Texas development and how those factors manifested in the various constitutions Chriss illuminates the process by which various groups constructed Texas as an imagined community an identity produced by ideological consensus among economic cultural and legal elites Replete with insights on the ways in which systems of law impact social control and political identity **Six Constitutions Over Texas** offers a fresh view of how shifting political ideologies were canonized with varying degrees of permanency in the state constitution

Single Star of the West Kenneth W. Howell, Charles Swanlund, 2017-03-15 Does Texas's experience as a republic make it unique among the other states In many ways Texas was an accidental republic for nearly ten years until Texans voted overwhelmingly in favor of annexation to the United States after winning independence from Mexico **Single Star of the West** chronicles Texas's efforts to maneuver through the pitfalls and hardships of creating and maintaining the accidental republic The volume begins with the Texas Revolution and examines whether or not a true Texas identity emerged during the Republic era Next several contributors discuss how the Republic was defended by its army navy and the Texas Rangers Individual chapters focus on the early founders of Texas Sam Houston Mirabeau B Lamar and Anson Jones who were all exceptional men but like all men suffered from their own share of fears and faults Texas's efforts at diplomacy and persistence and transformation in its economy also receive careful analysis Finally social and cultural aspects of the Texas Republic receive coverage with discussions of women American Indians African Americans Tejanos and religion The contributors also focus on the extent that conditions in the republic attracted political and economic opportunists some of whom achieved a remarkable degree of success **Single Star of the West** also highlights how the Texas Republic was established on American political ideology With the majority of the white settlers coming from the United States this will not surprise many scholars of the era In some cases the Texans successfully adopted American political and economic ideology to their needs while other times they failed miserably

Battleground Béxar Richard L. Curilla, 2025-09-17 2023 Winner of the Summerfield G Roberts award for best work on the Republic of Texas era 2025 Winner of the Conservation Society of San Antonio Publication Award The famous siege and fall of the Alamo in 1836 is the stuff of legends What is often missing from most discussion of that battle is why the Texian defenders were in the Alamo in the first place Richard L Curilla's pathbreaking book **Battleground Béxar** shows how the famous compound that has become such a Texas icon was just a small piece of the strategic real estate that now composes downtown San Antonio In 1835 Mexican Centralist soldados faced a deteriorating political situation in the region

and the very real threat of an insurgent attack by the Texian Federalist Army of the People They fortified the main plazas in the frontier town of B xar to meet the attack they knew must certainly come Today where traffic and pedestrians compete for the right of way once stood cannon earthworks and barricades that transformed streets and blocks of downtown San Antonio into a stronghold Using advanced computer generated imaging Curilla has recreated San Antonio de B xar as it looked in 1835 Now for the first time ever the location of the Alamo and its role as an important garrison and artillery position covering the approaches to the heart of the town is revealed Mexican Centralist troops reinforced and modified the old mission compound and transformed it into a fortress which they believed they could defend The Siege of B xar in December 1835 created the battleground and circumstances that would shape the destiny of Texas forever This book made possible in part by a grant from Summerfield G Roberts Foundation Union 1812 A. J. Langguth,2006 Sample Text *Representing Texas* Ben R. Guttery,2008-03-02 Representing Texas is a compendium of biographies of the men and women who have represented the state in the United States and Confederate Congresses These biographies include information about the representative s birth education marriages family experiences profession elections congressional record and death records including burial site In addition to the biographies there are lists of U S Senators by succession U S Representatives by district Representatives and Senators to the Confederate Congresses Confederate Congressional Districts by county Confederate Congress session dates U S Congress session dates and U S Congressional Districts by county A complete set of U S Senator election returns and U S Representative election returns from Texas completes the work Also included is a bibliography The work was completed following interviews with living ex members of Congress and current sitting members of Congress from Texas The work is the only one to address the topic specific to Texas and is a valuable reference for any Texas library and any history or political researcher **Sam Houston** Catherine Troxell Gonzalez,1986-12 A biography of General Sam Houston Governor of Tennessee first president of the Republic of Texas Governor of Texas and the hero of San Jacinto *From Slave to Statesman* Patricia Smith Prather,Jane Clements Monday,1995 Joshua Houston 1822 1902 was born on the Temple Lea plantation in Marion Perry County Alabama In 1834 Templeton Lea died and willed Joshua to his daughter Margaret as her personal slave In 1840 Margaret Lea married General Sam Houston and moved to Texas She took Joshua with her Joshua faithfully served the Houston family during their many political and financial ups and downs In 1862 Sam Houston freed his slaves Joshua elected to remain with the Houston family and took Houston as his surname In 1866 he homesteaded in Huntsville Texas near the Houston family He became a well known and respected public figure in Huntsville where he served as city alderman and later served as county commissioner of Wlker County In 188 he was elected as a delegate to the National Republican Convention from Texas He was the father of seven or eight children by three different women Descendants live in Texas **Texas' First Lady** Rita Kerr,1987 Follows the life of the woman who married Sam Houston first president of the Republic of Texas and later governor of that state and discusses how she influenced the course

of Texas politics and history
