He also offers sharply written reappraisals of those great Wagnerian conductors Klemperer, Toscanini, Karajan and Solti. Carnegie provides revealing accounts of the inside workings of the Royal Opera House and of English National Opera at troubled points in their recent history. In a fascinating conversation with Sir Michael Tippett the composer talks with unique authority about the problems facing would be musical dramatists today. Past William Beard, 2010-05-29. Guy Maddin started making films in his back yard and on his kitchen table. Now his unique work which relies heavily on such archaic means as black and white small format cinematography and silent film storytelling premieres at major film festivals around the world and is avidly discussed in the critical press. **Into the Past** provides a complete and systematic critical commentary on each of Maddin's feature films and shorts from his 1986 debut film *The Dead Father* through to his highly successful 2008 full length docu fantasia *My Winnipeg*. William Beard's extensive analysis of Maddin's narrative and aesthetic strategies, themes, influences and underlying issues also examines the origins and production history of each film. Each of Maddin's projects and collaborations showcase his gradual evolution as a filmmaker and his singular development of narrative forms. Beard's close readings of these films illuminate among other things the profound ways in which Maddin's art is founded in the past both in the cultural past and in his personal memory. [Serving](#)

[Genius](#) Thomas D. Saler, 2024-03-18. *Serving Genius* tells the life story of Carlo Maria Giulini, one of the most renowned and beloved conductors of the twentieth century. Detailing Giulini's extraordinary professional career, Thomas D. Saler also chronicles Giulini's personal life including his musical awakening while growing up amid the spectacular beauty of the Dolomite mountains, his years as a student in Rome's Academy of St. Cecilia, his conscription into the Italian army during World War II, his nine months in hiding for his anti-fascist and pacifist beliefs, and his selfless devotion to his wife Marcella, a humble master who shunned the limelight. Giulini took a deeply emotional and subjective approach to making music. Saler provides uniquely detailed analysis of Giulini's nuanced musicianship and the way he conveyed that musicianship to the orchestra through physical gestures. Meditating on the very art of conducting at which Giulini excelled, Saler discusses each of the conductor's major musical appointments including stints with the Chicago Symphony Orchestra, Philharmonia Orchestra, Vienna Symphony and Los Angeles Philharmonic. The book also addresses his repertoire of choice, leadership style and moral framework. Drawing on extensive interviews with Giulini's family, music critics, arts administrators, orchestra members and collaborating soloists, *Serving Genius* draws out the personal amid the professional life of this giant among
