Identity Ethan Christofferson, 2012-09-13 Negotiating Identity addresses the missiological problem of why the Hakka Chinese Christian community in Taiwan is so small despite evangelistic efforts there for more than 140 years Christofferson explores the tensions between being Hakka and being Christian in northwestern Taiwan and discusses what both Hakka non Christians and Christians are doing and saying in the context of these tensions This ethnographic study uses the lens of social constructionism and consequently offers an example of how social science scholarship can help missionaries and other Christian workers to gain significant insights into the thoughts feelings and actions of those living in their ministry locations Of interest is Christofferson s conclusion that the missiological perspective which puts a primary focus on ministering to a people group is inadequate for explaining and engaging the complexities encountered in many ministry settings He suggests that an awareness of the way people are negotiating their identities can help Christian workers to better understand and strategically engage people in a variety of ministry contexts throughout the world **Taiwan** John Franklin

Copper, 2019-11-13 In this newly revised and updated seventh edition of Taiwan Nation State or Province Copper examines Taiwan s geography and history society and culture economy political system and foreign and security politics in the context of Taiwan s uncertain status as either a sovereign nation or a province of the People s Republic of China Analyzing possible future scenarios and trends that could affect Taiwan s status the author argues that Taiwan s very rapid and successful democratization suggests Taiwan should be independent and separate from China while economic links between Taiwan and China indicate the opposite New features to this brand new edition include The triumph of the Democratic Progressive Party DPP in the 2016 elections The impact of the Trump administration on US Taiwan relations The rise of populism The shift in cross Strait relations with China given their increased power on the world stage This revised and fully up to date textbook will be essential reading for students of Taiwan China US China relations and democracy
