Miraculous Gifts Thomas R. Edgar,2001-07-25 Miraculous Gifts is a discussion of spiritual gifts in light of the basic differences between cessationalism and Pentecostalism Many studies of this issue are written from a primarily theological perspective and while theological arguments are valid charismatics assert that this controversy concerns biblical gifts and miracles and is therefore a matter of faith to believe their claims with theological arguments proving unsatisfactory The fundamental question is Is this what the Bible discusses is it biblical Miraculous Gifts attempts to answer that question by providing a biblically based analysis of spiritual gifts in view of the charismatic controversy
