Speaking Out For Women A Biblical View:

Speaking Out for Women, a Biblical View Philip Siddons, 1980 **Women, Authority & the Bible** Alvera Mickelsen, 1986-03-21 Editor Alvera Mickelsen presents a collection of essays from twenty seven evangelical scholars which address the biblical view of women's roles in church and society Recovering Biblical Manhood and Womanhood John Piper, Wayne Grudem, 2006-08-08 A controversy of major proportions has spread through the church. Recent generations bear witness to the rise of evangelical feminism, a movement that has had a profound impact on all of life, challenging some of our basic Christian beliefs. In this new edition of an influential and award winning best seller, more than twenty men and women have committed their talents to produce the most thorough response yet to this modern movement. Combining systematic argumentation with popular application, this volume deals with all of the main passages of Scripture brought forward in this controversy regarding gender based role differences. Anyone concerned with the fundamental question of the proper relationship between men and women in home, church and society will want to read this book. New preface included.

Feminist Companion to Paul Amy-Jill Levine, 2003-09-01 The seventh volume of this Companion series is devoted to the writings ascribed to Paul but widely thought not to be genuinely from the Apostle. These are of particular importance in showing how Paul's authority was exploited in the Early Church and the topics addressed often deal with Christian discipline and hierarchy. Hence there is a particularly strong feminist agenda to be explored here. The Pastoral Epistles, Ephesians and Colossians are prominent among the writings addressed in this sparkling collection and the authors include David Scholer, Luise Schottroff, Bonnie Thurston, Lilian Portefaix, Sara Winter and Ingrid Rosa Kitzberger The Female Prophets of the Bible The Rev. Debra Moody Bass, PH.D, 2018-01-18 This book highlights five female prophets that have prophesied in both the Old Testament and New Testament. The book encourages women to accept their calling from God at whatever level God appoints them. Too often the female characters in the Bible have all been lumped together under the category women in the Bible. This has diminished the role women like Deborah and Anna have played in God's plan for salvation. God is no respecter of persons. God uses whom God chooses, no matter the gender. **Remaking the Godly Marriage** John P. Bartkowski, 2001 In *Remaking the Godly Marriage* John Bartkowski studies evangelical Protestants and their views on marriage and gender relations and how they are lived within individual families. The author compares elite evangelical prescriptions for godly family living with the day to day practices in conservative Protestant households. He asks, How serious are the debates over gender and the family that are manifested within contemporary evangelicalism? What are the values that underlie this debate? Have these internecine disputes been altered by the emergence of new evangelical movements such as biblical feminism and the Promise Keepers? And given the fact that leading evangelicals advance competing visions of godly family life, how do conservative religious spouses make sense of their own family relationships and gender identities? *Preaching the Women of the Old Testament* Lynn Japenga, 2017-02-16 Take an in depth look at over twenty fierce, faithful and strong women.

featured in the Old Testament with Preaching the Women of the Old Testament Inside this unique resource author Lynn Japinga interprets the stories of various biblical women including Eve Rebekah Dinah Tamar Miriam Deborah Jael Abigail Bathsheba and Vashti Along with providing an interpretation Japinga demonstrates how the character's story has been read in Christian tradition and offers sermon ideas that connect contemporary issues to each story This book is ideal for pastors who want to know more about the many women of the Old Testament and learn how to better incorporate them into their sermons

Liberated Traditionalism Ronald B. Allen, Beverly Allen, 2009-07-01 In the struggle between the sexes Ronald and Beverly Allen are peacemakers With feminists they feel fully the past and present pain the yearning for new freedom and fulfillment But they also trust the Bible the source for all that is oldest and best in male female traditions To open your mind to what really matters in the women's movement the Allens take you everywhere to the incomparable events in Eden and to Paul's perplexing directives in the New Testament to Betty Friedan in the sixties and a different Betty Friedan in the eighties to Sarah and Steinem to Deborah and deBeauvoir to

Proverbs 31 and Archie Bunker The result is a call to balance to help you rise from the ruts of injustice and insensitivity and yet stay in the safe confines of God's design Till the Heart Sings Samuel L. Terrien, 2004 Samuel Terrien systematically shows that when the books of the Old and New Testaments are viewed in their historical growth they reveal a theology of manhood and womanhood that runs counter to modern religious attitudes and practices
