Mom,2022-09-13 The beginning of the 21st century has seen important shifts in mobility cultures around the world as the West s media driven car culture has contrasted with existing local mobilities from rickshaws in India and minibuses in Africa to cycling in China In this expansive volume historian Gijs Mom explores how contemporary mobility has been impacted by social political and economic forces on a global scale as in light of local mobility cultures the car as an adventure machine seems to lose cultural influence in favor of the car s status character Vietnam Janet Arrowood,2011-04-15 Janet Arrowood is a long time and frequent visitor to Southeast Asia Huge lakes tremendous waterfalls elephant rides jungles wonderful people fabulous food The sense of the new and unknown will amaze you Prices Phenomenally low And the scenery is spectacular Canoe on Vietnam s historic lakes kayak the South China Sea see some of the largest waterfalls in the world visit the islands trek to hill tribe areas visit former royal palaces wander through local markets The imperial temples along the Perfume River are unforgettable Travel Adventures are about living more intensely waking up to your surroundings and truly experiencing all that you encounter Each book offers an ideal mix of practical travel info along with culturally enriching activities and physical adventures And the fun is for everyone no matter what his or her age or ability Comprehensive background information history culture geography and climate gives you a solid knowledge of each destination and its people Regional chapters take you on an introductory tour with stops at museums historic sites and local attractions Places to stay and eat transportation to from and around your destination practical concerns tourism contacts its all here Detailed maps feature walking and driving tours Then come the adventures both cultural and physical from canoeing and hiking to taking dance or cooking classes This unique approach allows you to really immerse yourself in the local culture This guide is based on our larger work Vietnam Laos Cambodia but it focuses primarily on Vietnam A brief excerpt follows Hanoi History Hanoi is not all that old as international capitals go It was first settled in the seventh century by Chinese invaders of the T ang dynasty They liked the climate and growing conditions in the Red River Valley and Delta Prior to this time there was just a small fort in the area The Chinese held what they called Amman the Pacified South for about three centuries For a century the site was abandoned until King Le Thai To the erstwhile founder of Hanoi located his capital there For most of the next 800 years until the capital was moved to Hu Hanoi was the Imperial City During this time the Chinese periodically invaded and retook the city but their control never lasted very long As a result Hanoi saw a flowering of culture with the founding of the country s first university the outdoor Temple of Literature From about the early 16th century following the death of the

last strong emperor King Le Thanh Thong the city underwent a gradual decline and finally Emperor Gia Long moved his entire court to Hu in 1802 As a provincial backwater the remnants of the former Imperial city were easy picking for the French invaders and in 1882 they took over named the area Tonkin and made Hanoi the seat of government for the entire region in 1887 So it remained until the French were pushed out of the North in 1954 That s when the city once again became the capital of Vietnam Arriving in Hanoi If you come in by bus you are going to end up at one of the three long distance bus centers none of which are centrally located Plan on taking a taxi to your hotel at a cost of about 10 If you come in by mini bus you may be able to negotiate a drop off at the hotel of your choice for a small additional fee The train station is only about a kilometer from the center and a bit farther from the old French Quarter A taxi should cost a few dollars to get to hotels in those areas I recommend not taking a taxi alone you may need a witness in case the driver decides to raise the agreed price and refuse to give you your luggage until you pay up Two Westerners are usually enough to preclude this behavior Rental cars are not usually a problem the hotel or car service collects the money from you and handle
