My Amazing Life Munna L. Sharma, 2014-04 Imagine being a child living in a remote village What do you think your future will be like Becoming an internationally renowned expert in your field might not immediately come to mind But while it might seem unlikely such a future is not always out of reach In *My Amazing Life* Journey through Success Munna L. Sharma narrates his amazing story which began in a remote Indian village Through his academic excellence Sharma won scholarships and obtained master's and doctorate degrees from highly reputable universities in India and the United States He tells of his travels through the United States and his ultimate arrival in Australia Sharma joined Australia's most prestigious research organization CSIRO rising to one of its highest positions He takes us beyond his work success recounting his family and personal experiences in rural India and modern societies describing the cultural emotional and social challenges he faced Sharma's spiritual strength not only helped him to cope with traumatic events but also motivated him to use them as opportunities for further growth And as his financial advancements exceeded his expectations his spiritual development kept

him balanced and allowed him to lead a satisfying life A story of perseverance and dedication My Amazing Life demonstrates the importance of living a well rounded life and serves as an inspiration to others **Egypt** Mona L. Russell

Ph.D.,2013-01-11 This handbook provides an overview of the society culture geography history and politics of contemporary Egypt While such historic monuments as the pyramids at Giza the Karnak Temple and the Valley of the Kings draw visitors to Egypt each year the country is today a large and varied collection of some 79 million people An important political and cultural force in the Middle East and home to one of Africa s most advanced economies Egypt is rapidly becoming a major player in the 21st century world This comprehensive text examines all facets of life in Egypt including its land history politics and culture It is written in a manner that makes the subject accessible and engaging for readers with little prior knowledge about the country but also provides a critical analysis of the latest research for students and scholars familiar with Egypt and its people Special attention is given to the historical period following the rise of Islam to enable a greater understanding of Egypt s contemporary government religious practices popular culture and current events A Year in the Life of Ancient

Egypt Donald P. Ryan,2022-05-12 Discover a remarkable year in ancient Egyptian history *Consuming Ancient Egypt* Sally MacDonald,Michael Rice,2016-06-16 Consuming Ancient Egypt examines the influence of Ancient Egypt on the everyday lives of contemporary people of all ages throughout the world It looks at the Egypt tourist sees Egypt in film and Egypt as the inspiration for opera It asks why so many books are published each year on Egyptological subjects at all levels from the austere academic to the riotous celebrations of Egypt as a land of mystery enchantment and fantasy It then considers the ways in which Ancient Egypt interacts with the living world in architecture museum going the acquisition of souvenirs and reproductions design and the perpetual appeal of the mummy The significance of Egypt as an adjunct to and frequently the subject of marketing in the consumer society is examined It reveals much about Egypt s immemorial appeal and the psychology of those who succumb to its magic Female Voices and Egyptian Independence Rania M. Mahmoud,2023-12-28

This book offers a nuanced analysis of the ways in which Egyptian and British novels represent the Egyptian nationalist project in its struggle against British hegemony in the aftermath of two revolutions the 1881 82 Urabi Revolution known for inaugurating the British occupation of Egypt and the 1919 Revolution celebrated in Egyptian national memory as the classic Egyptian revolution par excellence Reading the novels against the grain the study recovers female voices that are multiply marginalized due to their gender and or ethnicity whether by colonial imperial powers the nation their immediate regional community or finally by the works under discussion themselves Using a comparative lens the study foregrounds the ways in which the authors confirm critique rewrite revise or reject developmental narratives Female Voices and Egyptian Independence pays particular attention to women that range from the uneducated black slave to the uneducated rural Siwan woman with artistic talent to the wealthy cultured Coptic housewife to the rising late nineteenth century British female professional and finally to the eclipsed twentieth century Egyptian female national intellectual all of whom play crucial roles

in the journeys of the respective male protagonists and by extension the Egyptian national project *Nasser and the Missile Age in the Middle East* Owen L. Sirrs, 2007-01-24 Egyptian efforts to acquire long range surface to surface missiles in the early 1960s carry important lessons for our time when weapons of mass destruction and charges of politicizing intelligence are key issues This new study traces the history of the early Egyptian ballistic missile program which began with the successful recruitment of German scientists who had experience in Hitler's V1 and V2 missile projects Yet even as these Germans began their work on developing missiles for Egyptian President Gamal Abdel Nasser Israeli intelligence was busy collecting information on their activities sparking a crisis in the Israeli leadership as top Israeli officials anxiously debated strategies to grapple with this new threat to their national security Ultimately they adopted a multifaceted approach that included intimidation of the scientists and their families appeals to the West German government to order the scientists recall and an attempt to involve the US government in the intricacies of the Arab Israeli conflict Drawing extensively on material from recently declassified US government documents this new major work demonstrates how Nasser's missile program played an instrumental role in cementing the US Israeli national security relationship The book concludes with several key lessons that can help stem the global proliferation of advanced weapons This book will be of great interest to scholars of proliferation international relations the Middle East disarmament and security studies in general *The Civilization of Ancient Egypt* Delia Pemberton, 2012-12-15 Readers will be intrigued by Ancient Egyptian history with stunning imagery of hieroglyphs relics ruins and monuments in this informational volume The text while informative remains accessible Lovers of ancient history will relish this treasure of Egypt's past ***The Egyptian Revival*** James Stevens Curl, 2013-04-03 In this beautifully illustrated and closely argued book a completely updated and much expanded third edition of his magisterial survey Curl describes in lively and stimulating prose the numerous revivals of the Egyptian style from Antiquity to the present day Drawing on a wealth of sources his pioneering and definitive work analyzes the remarkable and persistent influence of Ancient Egyptian culture on the West The author deftly develops his argument that the civilization of Ancient Egypt is central rather than peripheral to the development of much of Western architecture art design and religion Curl examines the persistence of Egyptian motifs in design from Graeco Roman Antiquity through the Medieval Baroque and Neo Classical periods rise of Egyptology in the nineteenth and twentieth century manifestations of Egyptianisms prompted by the discovery of Tutankhamun's tomb various aspects of Egyptianizing tendencies in the Art Deco style and afterwards For students of art architectural and ancient history and those interested in western European culture generally this book will be an inspiring and invaluable addition to the available literature
