Speech Silence Action The Cycle Of Faith Journeys In Faith:

The Living Church ,1980-07 Evangelical Feminism Pamela Cochran,2005 For most people the terms evangelical and feminism are contradictory Evangelical invokes images of conservative Christians known for their strict interpretation of the Bible as well as their support of social conservatism and traditional gender roles So how could an evangelical support feminism a movement that seeks at its most basic level to redress the inequalities injustice and discrimination that women face because of their sex Evangelical Feminism offers the first history of the evangelical feminist movement It traces the emergence and theological development of biblical feminism within evangelical Christianity in the 1970s how an internal split among members of the movement came about over the question of lesbianism and what these developments reveal about conservative Protestantism and religion generally in contemporary America Cochran shows that biblical feminists have been at the center of changes both within evangelicalism and in American culture more broadly by renegotiating the religious symbols which shape its deepest values *The Power of a Focused Heart* Mary Lou Redding,2017-09-15 Looking to simplify your life quiet your mind find your unique spiritual gift s and make a difference Turn to the Beatitudes Sometimes teachings from well known biblical passages are so obvious and preached so often that we overlook other helpful not so obvious lessons The Beatitudes are celebrated as being the template for humble Christian living Dig deeper and you ll also find practical applications for living a simpler yet more spiritually engaged life especially in this distraction heavy and frenzied world the Beatitudes are not easy sayings we can glibly incorporate in our way of life writes Redding Like so much of what Jesus said they invite us to move beyond first impressions and surface meanings They challenge us to explore Using Jesus teachings about the kingdom of heaven and how that message spurs us to critically evaluate our priorities Redding says we must learn to say no to some things to say yes to God The book s brief chapters are just right for today s busy schedules and can be read in minutes Daily exercises following each chapter will help you consider and practice lessons learned and respond to scripture in a self guided study Also included are meeting plans for an 8 session small group study of the book

A Simplicity of Faith William Stringfellow,1982 Just as I Am Harvey Cox,1983 Desperate for Authenticity Patricia Hawley,2010-08-04 Virginia Ramey Mollenkott is a pioneer in the endeavors to integrate feminism with Christian theology specifically evangelical theology Desperate for Authenticity considers her personal development alongside her theological development to provide insight into her contributions in the scholarly arena Dr Mollenkott was one of the first evangelicals who demanded that concern for marginalized and vulnerable populations of people be nurtured A foreword by Dr Mollenkott is included as a response to some of the ideas within this book **American Bookseller** ,1980 **The Gift of Tomorrow** Robert Arnold Raines,1984 **Revive Us Again** Jim Wallis,1983 Season of Ash and Fire will help pastors and worship planners prepare for Lent and Easter The author provides corporate prayers for each Sunday and Holy Day in the Easter Cycle including Ash Wednesday 1st through 5th Sundays in Lent Passion Palm Sunday Holy Thursday Good Friday

Easter Vigil Easter Sunday Morning Easter Evening 2nd through 7th Sundays of Easter Ascension Day Pentecost Additional prayers and liturgies for use during the season by small groups and families help extend and unify the congregation's celebration Blair Meeks gifted with an evangelical heart an emancipated imagination and a life settled in liturgy offers a first rate resource as the church learns again to pray Meeks not only guides the prayer of the church through the depth of Lent and the wonder of Easter she also interprets and instructs along the way Out of her long reflection on the mystery of worship this book will serve pastors and all those in the church who live by faith that is funded through prayer Walter Brueggemann Professor Emeritus Columbia Theological Seminary **Engage/social Action** ,1984
