Anderson,2010-12-01 Judith H Anderson conceives the intertext as a relation between or among texts that encompasses both Kristevan intertextuality and traditional relationships of influence imitation allusion and citation Like the Internet the intertext is a state or place of potential expressed in ways ranging from deliberate emulation to linguistic free play Relatedly the intertext is also a convenient fiction that enables examination of individual agency and sociocultural determinism Anderson s intertext is allegorical because Spenser s Faerie Queene is pivotal to her study and because allegory understood as continued or moving metaphor encapsulates even as it magnifies the process of signification Her title signals the variousness of an intertext extending from Chaucer through Shakespeare to Milton and the breadth of allegory itself Literary allegory in Anderson s view is at once a mimetic form and a psychic one a process thinking that combines mind with matter emblem with narrative abstraction with history Anderson s first section focuses on relations between Chaucer s Canterbury Tales and Spenser s The Faerie Queene including the role of the narrator the nature of the textual source the dynamics of influence and the bearing of allegorical narrative on lyric vision The second centers on agency and cultural influence in a variety of Spenserian and medieval texts Allegorical form a recurrent concern throughout becomes the pressing issue of section three This section treats plays and poems of Shakespeare and Milton and includes two intertextually relevant essays on Spenser How Paradise Lost or Shakespeare s plays participate in allegorical form is controversial Spenser s experiments with allegory revise its form and this intervention is largely what Shakespeare and Milton find in his poetry and develop Anderson s book the result of decades of teaching and writing about allegory especially Spenserian allegory will reorient thinking about fundamental critical issues and the landmark texts in which they play themselves out      Shakespeare on Masculinity Robin Headlam Wells,2000-12-21 Reviews Shakespeare s view of masculinity through The Tempest Hamlet Othello Macbeth and others      **King Arthur** Edward Donald Kennedy,2013-10-18 Examining the origins of the Arthurian legend and major trends in the portrayal of Arthur from the Middle Ages to the present this collection focuses on discussion of literature written in English French Latin and German Its 16 essays four published here for the first time deal with such matters as the search for the historical Arthur the depiction of Arthur in the romances Erec and Iwein of Hartmann von Aue the way Arthur is depicted in 19th century art and the Victorian view of manhood and conceptions of King Arthur in 20th century literature Six of the essays originally published in French and German are translated into English especially for this book Two essays have been substantially revised An introduction offers a general discussion of the development of the legends in the countries of Europe Works discussed include medieval and Renaissance chronicles Geoffrey of Monmouth s Historia Regum Britanniae Wace s Roman de Brut Polydore Vergil s Anglica Historia Scottish vernacular and Latin chronicles

medieval romances the Lancelot en prose the Mort Artu the Post Vulgate Roman du Graal and works of Chr tien de Troyes Hartmann von Aue and Sir Thomas Malory Spenser s Faerie Queene Tennyson s Idylls of the King and T H White s Once and Future King A bibliography lists selected major secondary studies of King Arthur as well as major reference works

**Arthurian Women** Thelma S. Fenster,Norris J. Lacy,2015-12-22 Featuring three original and 14 classic essays this volume examines literary representations of women in Arthuriana and how women artists have viewed them The essays discuss the female characters in Arthurian legend medieval and modern readers of the legend modern critics and the modern women writers who have recast the Arthurian inheritance and finally women visual artists who have used the material of the Arthurian story All the essays concentrate interpretation on a female creator and the work This collection contains a useful bibliography of material devoted to female characters in Arthurian literature *The Faerie Queene (Routledge Revivals)* Humphrey Tonkin,2014-08-01 Edmund Spenser s The Faerie Queene is among the most important literary products of the Elizabethan age and the vast sweep of its moral political and social concerns tells us more about the age than any other work This volume first published in 1989 offers detailed readings of each of the poem s seven books along with introductory chapters on Spenser s career and the roots of the poem in the English and continental traditions Humphrey Tonkin pays particular attention to the work s political and cultural role and its contribution to the development of Elizabethan ideology A comprehensive analysis this reissue will be of particular value to literature students and academics alike **The Spenser Encyclopedia** A.C. Hamilton,2020-07-01 This masterly work ought to be The Elizabethan Encyclopedia and no less Cahiers Elizabethains Edmund Spenser remains one of Britain s most famous poets With nearly 700 entries this Encyclopedia provides a comprehensive one stop reference tool for appreciating Spenser s poetry in the context of his age and our own understanding the language themes and characters of the poems easy to find entries arranged by subject [A Variorum Commentary on the Poems of John Milton: The Latin and Greek poems, by D. Bush. The Italian poems, by J. Shaw and A. Giamatti](#) Douglas Bush,1970 **"The White Horse" and Other Stories** Emilia Bazan,1993 This is a collection of stories by Emilia Pardo Bazan 1851 1921 a Spanish author who often found the subject matter of her stories in the mysteries and vicissitudes of life Some of her tales are fictional accounts of actual occurrences or people The Pardon A Galician Mother and The Lady Bandit others are a defense of women subjugated by a double standard The Guilty Woman and The Faithful Fiancee a number focus on the figure of the rural priest A Descendant of the Cid and Don Carmelo s Salvation for example One highly symbolic story The White Horse qualifies Pardo Bazan as the godmother of the Generation of 98 the group of writers who exhorted Spain to begin anew ridding itself of inertia apathy and fixation on past glories Several of the collected tales are like contemporary suspense thrillers such as The Cuff Link and The White Hair while many others reveal a keen psychological insight The Torn Lace The Substitute Scissors The Nurse and Rescue Pardo Bazan s themes are fear love hatred forgiveness cruelty poverty necrophilia repentance homesickness and madness that is naked reality bitter reality and often an ugly

vicious reality One of the indisputable giants of the nineteenth century short story is Guy de Maupassant Pardo Bazan met him along with Daudet and Zola in France and considered him author of *The Horla* to be the master of short story writers However although Maupassant influenced her most notably in psychological inquiry and careful attention to realistic detail Pardo Bazan put her own stamp on her stories and developed a style *sui generis* the most striking feature of which is brevity The essence of Pardo Bazan's approach is to engage the reader as quickly as possible certainly in the first paragraph frequently in the first few sentences Some aspect of a character or an episode is brought to light and the story unfolds rapidly There are third person narratives in which the author occasionally injects herself or her point of view Other narratives are presented wholly in the first person some by an omniscient narrator some by the players and from time to time Pardo Bazan has someone else tell the story to her and then as narrator she becomes the audience It is entirely plausible that some of her graphic descriptions were intended to blunt accusations of softness i e femininity that in her era would foolishly but automatically have been associated with a woman writer Still when the time came to represent the plight of women in terms of natural understandable sexual needs and intellectual acceptance Pardo Bazan captured the anguish and inferior status of her Spanish sisters
