A Guide to Truth for the Jehovah's Witness Ron Abud,2025-10-09 Over the years from time to time Jehovah s Witnesses have stopped by the house Once two Witnesses came by during a busy Christmas season Being preoccupied I invited them to come back another time One of them did he came back twice Both times after I d invited him inside to chat something unrelated came up that required me with an apology to end his visit prematurely Following the second interruption I agreed to meet with him again after the holidays had passed His commitment was admirable it inspired me to do some research in expectation of his return He never did return but that research is the foundation of this book It is based on biblical texts supported at times by excerpts borrowed from historic Greek and Hebrew manuscripts The book demonstrates beyond a doubt that Jesus Christ is the Eternal Son of God In the New World Translation of the Holy Scriptures NWT the translations of these Greek and Hebrew excerpts are not correct They have been altered changed in ways which make it seem as if Jesus was created The author of the NWT the Watchtower Bible and Tract Society Watchtower Society justifies the alteration of these translations by alleging the early second century church changed their meanings and as altered they convey what was originally intended The book proves not only that this Watchtower Society allegation is without merit but shows how impossible what it alleges would have been for the early church to undertake and accomplish The NWT has been revised several times over the years Many of these revisions include changes the Watchtower Society made to its own doctrine It has done so all the while proclaiming itself to be Jehovah God s true prophet The irreconcilable problem here for the Watchtower Society is that God s truth does not change A true prophet of Jehovah knows this and would never change what that prophet previously declared had come from God If you will kindly pray for spiritual discernment and then read the book *Cause Or Effect* Ivan Huff,2009-12 Do you believe that God causes tragedies in order to punish individuals cities or nations How you answer this question determines what kind of relationship you have with God Cause or Effect demonstrates that a biblically sound relationship with God is not based on fear but unconditional love and unequivocal acceptance through

Strawbridge, 2015-11-13 This study offers a fresh approach to reception historical studies of New Testament texts guided by a methodology introduced by ancient historians who study Graeco-Roman educational texts In the course of six chapters the author identifies and examines the most representative Pauline texts within writings of the ante-Nicene period 1Cor 2 Eph 6 1Cor 15 and Col 1 The identification of these most widely cited Pauline texts based on a comprehensive database which serves as an appendix to this work allows the study to engage both in exegetical and historical approaches to each pericope while at the same time drawing conclusions about the theological tendencies and dominant themes reflected in each Engaging a wide range of primary texts it demonstrates that just as there is no singular way that each Pauline text was adapted and used by early Christian writers so there is no homogeneous view of early Christian interpretation and the way Scripture informed their writings theology and ultimately identity as Christian

Seeing the Word Markus Bockmuehl, 2006-09 This important study considers the divided and contentious state of contemporary New Testament studies arguing that the interpretation of Scripture must take place within the context of the church and Christian theology **Marginal(ized) Prospects through Biblical Ritual and Law** Bernon Lee, 2017-06-19 This book follows a reader's logic of association through a series of overlapping constructs in biblical prescription of things prized and lofty holy hair unblemished beasts sacred edibles wholesome wombs pristine precincts esteemed ethnicities and as unlikely as it seems dismembered members Thoroughly intersectional in disposition Bernon Lee uncovers not just the

Narrative Theology of the New Testament Timo Eskola, 2015-07-21 Focusing on the metanarrative of exile and restoration Timo Eskola claims that a post liberal narrative New Testament theology is both consistent and explanative Combining a post New Quest perspective on Jesus with an eschatological reading of Paul the author states that Jesus temple criticism aims at restoration eschatology Jesus starts a priestly community that expects God s jubilee to begin with Jesus work and proceed with the preaching of the new gospel The reception of this message in the post Easter church results in resurrection Christology that proclaims Jesus Davidic kingship on God s throne of glory Both Paul and Jewish Christian teachers later present Christ s community as a new temple where believers serve the Lord as priests of the new covenant Furthermore restoration eschatology provides a new basis for understanding Paul s contrast with the words of the law and his teaching of justification
