The Of Revelation A Simplified Commentary:

The Book of Revelation Harry Buis,1960 Social-Science Commentary on the Book of Revelation Bruce J. Malina,John J. Pilch, A groundbreaking first social science commentary on this popular book of the Bible *God, Order, and Chaos* Stephen Finamore,2009-04-01 The ideas of Rene Girard are having a profound effect on Christian theology This book offers a critical introduction to his thought and then uses it to interpret the Book of Revelation The result is a reading of extraordinary relevance for the contemporary world Readers of the Apocalypse are often disturbed by the images of destruction in the book and are unsure why these are unleashed after the exaltation of Jesus This study examines past approaches to these texts and uses Girard s theories to revive some old ideas and propose some new ones Seen in this light the Apocalypse becomes the story of the ultimate vindication of the victim a source of hope and a resource that can be used both to encourage resistance to the destructive forces within culture and to help the church and the poor to engage constructively with the issues of our day **Wisdom, Science, and the Scriptures** Stephen Finamore,John Weaver,2015-04-07 This collection of essays is offered in admiration of and in gratitude for the work of Ernest Charles Lucas The title of the volume acknowledges Ernest s particular areas of interest and expertise The word wisdom comes first for two reasons firstly because the Bible s Wisdom literature is a particular love about which Ernest has published a number of books and secondly because wisdom is a characteristic of the man Several of the contributions to this volume pick up the theme of biblical wisdom while others touch on the practical application of a wisdom shaped by the Scriptures to vital contemporary issues The second word of the title science reflects both Ernest s first career as a research bio chemist and his interest as a theologian in exploring the relationship between science and faith This area of interest is reflected in a number of the contributions to this collection including Ernest s passionate interest in and concern about climate change The final words of the title are and the Scriptures Ernest has at one time or another taught every part of the Bible and retained a keen interest in the discipline of Biblical Studies Once again this is reflected in some of the contributions There are other aspects to Ernest Lucas and among them is a love of sport especially cricket And so the collection ends with a reflection on this wonderful pastime *To Read and To Know* Bogdan Costea,Alexandru Costea,2024-01-10 In some language groups Bible commentaries and translations are of lesser quality often due to the lack of training in Greek Hebrew and Aramaic for their authors and translators Additionally many commentaries are authored by those who are unfamiliar with the language church and culture of the target audience Further some language groups struggle with the quality of translations even of the biblical text itself A translation may not be based on the biblical languages but on a Bible translation in another modern language This can result in the theological perspective of the previous translators being unwittingly written into the subsequent translation How can these challenges be addressed In this volume of the Tyndale Theological Seminary Theses Series two brothers Bogdan and Alexandru Costea address these types of biblical studies issues in Romania Bogdan writes about the

importance of having a Romanian commentary series that compares the biblical languages with the Romanian Bible versions used by Evangelicals and interacts with the Church Fathers Alexandru evaluates the meaning and implications of as translated in the Romanian Orthodox Bible a word commonly translated as save in many English contexts These two men thus grapple with the core issues related to commentary production suitable for the Romanian context as well as provide a model for other language contexts Their interest in conjunction with that of Dr Octavian Baban and Dr H H Drake Williams III has helped to produce the *Seria Comentarii Exegetice Rom ne ti Oradea RO Decenu 2023*

The Mystery of God, the Final Episode Paul Winkler, 2016-01-26 In this eye opening commentary Paul Winkler unlocks the Scriptures to reveal the mystery of God and how it was fulfilled just as Jesus promised within one generation of Christs time on earth Winkler condenses intensely technical studies from around the world and across time to present an easy to read verse by verse discussion of the entire book of Revelation His masterful inclusion of Scriptures from both the Old and New Testaments will leave readers feeling confident instead of confused and able to apply kingdom promises to their lives today His work supports the preterist prophecy already fulfilled viewpoint If one gives an answer before he hears it is folly and shame The one who states his case first seems right until the other comes and examines him Proverbs 18 13 17 ESV [ESV Expository Commentary \(Volume 5\)](#) Crossway, 2022-08-22 A Passage by Passage Commentary on Psalms Proverbs Ecclesiastes and Song of Solomon Designed to strengthen the global church with a widely accessible theologically sound and pastorally wise resource for understanding and applying the overarching storyline of the Bible the ESV Expository Commentary features the full text of the ESV Bible passage by passage with crisp and theologically rich exposition and application Editors Iain M Duguid James M Hamilton and Jay Sklar have gathered a team of experienced pastor theologians to provide a new generation of pastors and other teachers of the Bible around the world with a globally minded commentary rich in biblical theology and broadly Reformed doctrine making the message of redemption found in all of Scripture clear and available to all With contributions from a team of pastors and scholars this commentary s contributors include C John Collins Psalms Ryan Patrick O Dowd Proverbs Max Rogland Ecclesiastes Douglas Sean O Donnell Song of Solomon In Depth Features passage by passage commentary on the books of Psalms Proverbs Ecclesiastes and Song of Solomon taking a biblical theological and broadly Reformed approach to interpreting and applying the text Experienced Old Testament Scholars Contributions by C John Collins Ryan Patrick O Dowd Max Rogland and Douglas Sean O Donnell Perfect for In Depth Bible Study Includes introductions to each book featuring an outline key themes author and date information literary features relationship to the rest of the Bible and interpretive challenges Practical Characterized by sound exegesis biblical theology global awareness accessible application and pastoral usefulness High Quality Production Bound with durable high quality simulated leather stretched over board *Explanatory and practical comments; a series of short lectures upon the New Testament, by a clergyman of the established Church* Explanatory and practical comments, 1834 **The Redeemer: Discourses**
