Siuda, 2024-08-26 Presenting modern devotional perspectives that are rarely covered in other works this premium hardcover offers comprehensive profiles of more than one hundred Egyptian gods goddesses and other divine beings This thoroughly researched full color tome provides detailed descriptions and illustrations of well known deities like Anubis Horus Isis Ra and Sekhmet It also features demigods spiritual beings and deities of neighboring regions who were also honored by the Egyptians such as Menhyt the lioness headed goddess of Nubia and Harmachis the spirit that resides in the Giza Sphinx Each entry includes a remarkable cache of information including the deity's name in hieroglyphs festivals relatives personality domain and more Also featuring photographs of important sites and antiquities this impressive collection is the only resource on Egyptian deities you will ever need **The Migrant Cocoa-farmers of Southern Ghana** Polly Hill, 1997 The economic and social organisation of Ghanaian cocoa farming is very complex reflecting differences in population density land tenure accessibility soil fertility and other factors The small peasant with his two or three acre farms is one type of farmer and it has always been supposed that it was he who created the world's largest cocoa growing industry The migration of southern Ghanaian cocoa farmers which has been proceeding since the 1890s was not known to have occurred and this study shows that it was the migrant not the peasant who was the real innovator This migrant has scarcely been mentioned in the literature Author Polly Hill now gives a full account of his migration one of the great events in the recent economic history of Africa south of the Sahara The migrant farmer who rather resembles a capitalist than a peasant buys land or inherits it from those who bought before him and conventionally uses the proceeds from one cocoa land to purchase others It is now possible with the aid of farm maps to study the whole migratory process with its changing pattern of land ownership over more than half a century The results are revealing The conventional notion that it was only recently that West Africans began to engage in large scale economic enterprises is shown to be false One of the main contentions of this book is that the migrant farmer has been remarkably responsive to economic ends It is further shown that there is no incompatibility

between this kind of enterprise and the continuance of traditional forms of social organisation nor is there evidence that the enterprising individual found himself hampered by the demands made on him by members of his lineage In analysing and recording the details of the migratory process Dr Hill has made an important contribution to the economic history of West Africa Besides the economists and economic historians for whom the book is primarily intended it should be studied by lawyers geographers social anthropologists and all concerned with problems of underdevelopment Salt and Civilization S.A.M. Adshead,2016-07-27 Highly recommended as a thorough examination of the commodity history of salt The Geographical Journal Salt has been called the primordial addiction It has been an object of almost universal consumption since Neolithic times This book sets out to place the particular histories of salt in a global perspective and write the history of a human commodity as a theme in world history From pagan man through classical Rome Byzantium early Islam the Dark Ages the Renaissance to the modern world the production distribution consumption and taxation of salt are examined The author shows how a history of salt cannot be separated from the histories of commerce medicine diet cooking taxation invention and war Although taken for granted today salt has been of critical economic and cultural importance to countries and peoples throughout history the instigator and catalyst to actions and events ranging from the first maritime expedition of Muslim forces to Columbus s discovery of America After Salt and Civilization salt can not be taken for granted again The Druze between Palestine and Israel 1947-49 L.
