The Of The Dead Man:

The Book of the Dead Man Marvin Bell,1994 *Tests of Concrete Deadman Anchorages in Sand* J. E. Smith,1957

Dead Man's Curve Mark A. Moore,2021-08-02 Jan Berry leader of the music duo Jan Dean from the late 1950s to mid 1960s was an intense character who experienced more in his first 25 years than many do in a lifetime As an architect of the West Coast sound he was one of rock n roll s original rebels brilliant charismatic reckless and flawed As a songwriter music arranger and record producer for Nevin Kirshner Associates and Screen Gems Columbia Music Berry was one of the pioneering self produced artists of his era in Hollywood He lived a dual life reaching the top of the charts with Jan Dean while transitioning from college student to medical student until an automobile accident in 1966 changed his trajectory forever Suffering from brain damage and partial paralysis Jan spent the rest of his life trying to come back from Dead Man s Curve His story is told here in depth for the first time based on extensive primary source documentation and supplemented by the stories and memories of Jan s family members friends music industry colleagues and contemporaries From the birth of rock to the bitter end Berry s life story is thrilling humorous unsettling and disturbing yet ultimately uplifting **The Lusty Man**

Terry Griggs,1995 Terry Griggs first novel is a comic extravaganza of life in an island community It is also about the lake surrounding that island about water itself The events of the novel are weirdly refracted This is the story of a christening a portrait of a community a story of a quest the search for the Lusty Man an iron age Celtic fertility figure transported to these shores in the nineteenth century which presides over the novel s loving quarrelling and begetting The story revolves around members of the Stink family who live in unwholesome closeness at the clan home in Stinkville Belchie Township and in satellite mobile homes Chet Stink plays Jingle Bells by hitting diverse portions of his skull with a wrench Tennessee Ernie Stink practices fire swallowing with a BBQ starter and a marshmallow on a toasting fork the entire pack is reputed to live on road kill Into these lives and through them drift angels ghosts and an androgynous school teacher whose subversive methodology renders intriguing consequences The Lusty Man is a novel experience indeed It is rather like watching the frozen activity of a Hieronymus Bosch painting or seeing a Breugel explode into manic life **The Power of Perspective**

Knut Mikjel Rio,2007-05-01 Focusing on different forms of agency in North Ambrym social life the author demonstrates the potency of outsiders at different times and in different situations in Ambrym society This model challenges the premises of much Western thinking about reciprocity and suggests new directions in the analysis of Melanesian societies The Politics of Labor Thomas Phillips Thompson,1887

Conversion, Identity, and Power Sue A. Russell, 1999-07-08 The introduction of Christianity into traditional societies has been the subject of numerous studies Few of these studies however have adequately examined the way that this introduction affects power relationships in a community In this the third volume in the American Society of Missiology s dissertation series A Sue Russell attempts to advance the discourse on Christianity and social change by showing how a new social institution the local church both influences and is influenced by existing sociocultural power relationships Building on her extensive research into the Tagal Murut Dr Russell clearly demonstrates that the introduction of Christianity created a dynamic that produced new social relations and power structures in Tagal society With its unique insights into this crucial dynamic *Conversion Identity and Power* stands as an important contribution to the sociological and missiological literature exploring the impact of Christianity on traditional societies Book jacket

The Sea-Dyaks of Borneo Edwin Herbert Gomes, 1907

Male Daughters, Female Husbands Professor Ifi Amadiume, 2015-03-12 In 1987 more than a decade before the dawn of queer theory Ifi Amadiume wrote *Male Daughters Female Husbands* to critical acclaim This compelling and highly original book frees the subject position of husband from its affiliation with men and goes on to do the same for other masculine attributes dislocating sex gender and sexual orientation Boldly arguing that the notion of gender as constructed in Western feminist discourse did not exist in Africa before the colonial imposition of a dichotomous understanding of sexual difference *Male Daughters Female Husbands* examines the structures in African society that enabled people to achieve power showing that roles were not rigidly masculinized nor feminized At a time when gender and queer theory are viewed by some as being stuck in an identity politics rut this outstanding study not only warns against the danger of projecting a very specific Western notion of difference onto other cultures but calls us to question the very concept of gender itself
