Amy Richlin

The Official Graffiti Joke:

The Official Graffiti Joke Book Peter Cagney, 1980 The Official Margaret Thatcher Joke Book Des MacHale, 1983

Jokes and their Relations to Society Christie Davies, 2012-10-25 No detailed description available for Jokes and their Relations to Society The Anatomy of Laughter Toby Garfitt, 2017-12-02 The nature of laughter has recently attracted the attention of a number of different disciplines In two recent colloquia TRIO Translation Research in Oxford brought together international authorities from fields as diverse as physiology psychology linguistics translation and literary studies and sociology with scant regard for political correctness This fascinating and often hilarious collection of essays is the result With the contributions Jane Taylor Introduction Dominique Bertrand Anatomie et etymologie ordre et desordre du rire selon Laurent Joubert Silke Kipper Dietmar Todt The Sound of Laughter Recent Concepts and Findings in Research into Laughter Vocalizations Sarah Jayne Blakemore Why Can t You Tickle Yourself Michael Holland Belly Laughs Walter Redfern Upping the Ante i Exaggeration in Celine and Valles Giseline Kuipers Humour Styles and Class Cultures Highbrow Humour and Lowbrow Humour in the Netherlands Christie Davies Searching for Jokes Language Translation and the Cross Cultural Comparison of Humour Ted Cohen And What If They Don t Laugh Iain Galbraith Without the Rape the Talk Show Would Not Be Laughable Jean Michel Deprats Translating a Great Feast of Languages Paul J Memmi Traduire le rire Natacha Thiery Rire et desir dans les comedies americaines de Lubitsch l exemple de Ninotchka 1939 Adam Phillips What s So Funny On Being Laughed at Sukanta Chaudhuri Laughing and Talking Georges Roque Le Rire comme accident en peinture Laurent Bazin La Couleur du rire peinture et traduction Gerard Toulouse Views on the Physics and Metaphysics of Laughter The Joke Is on Us Julie A. Webber, 2018-12-11 This edited volume brings together scholars of comedy to assess how political comedy encounters neoliberal themes in contemporary media Central to this task is the notion of genre under neoliberal conditions where market logics motivate most actions genre becomes mixed Once stable discreet categories such as comedy horror drama and news and entertainment have become blurred so as to be indistinguishable The classic modern paradigm of comedy tragedy no longer holds if it ever did Moreover as politics becomes more economic and less moral or normative under neoliberalism we are able to see new resistance to comedic genres that support neoliberal strategies to hide racial and gender injustice such as unlaughter ambiguity and anti comedy There is also an increasing interest with comedy as a form of entertainment on the political right following both Brexit in the UK and the election of Trump in the U S Several essays confront this conservative comedy and place it in context of the larger humor history of these debates over free speech and political correctness For comedians too entry into popular media now follows the familiar neoliberal script of the celebration of self help with the increasing admonishment of those who fail to win in market terms Laughter plays an important role in shaming and valorizing often at the same time the precarious subject in the aftermath of global recession Doubling down on austerity self help policies and equivocation in the face of extremist challenges right and left politics foils the critical

comedian s attempt to satirize and parody its object Characterized by ambiguity mixed genre and the increasing use of anti humor political comedy mirrors the social and political world it mocks parodies and celebrates often with lackluster results suggesting that the joke might be on us as audiences

Religious Humor in Evangelical Christian and Mormon Culture Elisha McIntyre, 2018-01-25 Incorporating perspectives from religious studies humor studies cultural and film studies and theology as well as original data from textual analysis and the voices of religious comedians this book critically analyses the experiences of believers who appreciate that their faith is not necessarily a barrier to their laughter It is often thought that religion and humor are incompatible but Religious Humor in Evangelical Christian and Mormon Culture shows that humor is not only a popular means of entertainment but also a way in which an individual or community expresses their identity and values Elisha McIntyre argues that believers embrace their sense of humor actively producing and consciously consuming comic entertainment that reflects their own experiences This process is not however without conflict The book argues that there are specific characteristics that indicate a unique kind of humor that may be called religious humor Through an examination of religious humor found in stand up comedy television sitcoms comedy film and satirical cartoons and drawing on interview data the book outlines the main considerations that Christians take into account when choosing their comedy entertainment These include questions about ideology blasphemy taboos around the body and the motives behind the joke

The Garden of Priapus Amy Richlin, 1992 Statues of the god Priapus stood in Roman gardens to warn potential thieves that the god would rape them if they attempted to steal from him In this book Richlin argues that the attitude of sexual aggressiveness in defense of a bounded area serves as a model for Roman satire from Lucilius to Juvenal Using literary anthropological psychological and feminist methodologies she suggests that aggressive sexual humor reinforces aggressive behavior on both the individual and societal levels and that Roman satire provides an insight into Roman culture Including a substantial and provocative new introduction this revised edition is important not only as an in depth study of Roman sexual satire but also as a commentary on the effects of all humor on society and its victims

The Language of Jokes Delia Chiaro, 2006-12-05 In this highly readable and thought provoking book Delia Chiaro explores the pragmatics of word play using frameworks normally adopted in descriptive linguistics Using examples from personally recorded conversations she examines the structure of jokes quips riddles and asides Chiaro explores degrees of conformity to and deviation from established conventions the tellability of jokes and the interpretative role of the listener the creative use of puns word play and discourse The emphasis in her analysis is on sociocultural contexts for the production and reception of jokes and she examines the extent to which jokes are both universal in their appeal and specific to a particular culture

The Trouble with Jokes Nick Butler, 2023-12-18 We re accustomed to seeing humour as a diversion from the serious side of life but humour also permeates some of the most troubling political developments in recent years From the resurgence of white nationalism to the erosion of democratic norms jokes force feed us objectionable ideologies while we gasp and splutter

at all the side splitting shenanigans This book explores the relationship between humour and offensiveness in contemporary society Drawing on examples from philosophical thinkers and popular culture it invites readers to consider the dark side of humour Weaving together cultural analysis political discussion and philosophical reflection the book provides an antidote to positive thinking about laughter and a roadmap for navigating different types of offensive humour *969 Great Jokes* James McKeon, 2019-12-10 969 GREAT JOKES is a cavalcade of non stop irreverent humour There is no let up No one is spared One joke follows another This collection of naughty jokes is a comedian s dream It provides for him a limitless list of material If you want to spice up your speeches astound your audience or lighten your lectures then 969 GREAT JOKES is a must

The Top Books of the Year The Official Graffiti Joke The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels enthralling the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the fascinating narratives that have enthralled audiences this year. The Official Graffiti Joke : Colleen Hoover "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. The Official Graffiti Joke : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and thrilling novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
