the Brethren Church Forty nve years ago I became a member of the Church of the Brethren as it was then known Among those who did not belong to the same denomination the members were called Dunkards especially among those who were not friendly to their cause Besides these names I knew no other I was then in full harmony with the teachings of the church as far as I knew with a few exceptions I was told that the gospel of Christ was our only creed and discipline My father was a minister in the church and his father was a minister Hence I had every opportunity of knowing the customs and practices as well as the sentiments of the church and can safely say that taking all together I was in harmony with the average membership With the gospel peculiarities of the church I was in full sympathy Among those may be enumerated Faith Repentance Triune Immersion Laying On of Hands Feet washing Lord s Supper Communion Anointing Salutation Anti war Anti slavery Non swearing Non conformity from all sinful fashions and customs I set out to serve the Lord in good faith In a few things however I did not agree with the average member ship of that day For instance I never could see that education was a dangerous thing and had a great thirsting for more of it I always pre ferred to hear a man preach who knew more than myself which did not require anything uncommon I was never much afraid of Sunday schools although I never had attended a Sunday school regularly I believed in plainness of attire but never accepted the uniformity theory I worked along without jarring with the congregations in which I lived or the officers under whom I served for more than fifteen years About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
