Unlocking the Bible Story: Old Testament Volume 2 Colin S. Smith,2016-12-01 For all who are wondering how the pieces fit into the jigsaw of God's revelation Colin Smith has provided an answer which is refreshingly simple biblically accurate and will prove phenomenally helpful to the serious Bible student and the new beginner alike Alistair Begg senior pastor Parkside Church In Unlocking the Bible Story Colin Smith moves gradually through portions of the Bible to explain how it all holds together He tells God's one grand story of salvation and reflects on major themes along the way In volume 2 he moves through the Wisdom and Prophetic books which provide reflections on life with God judgment for sin and the hope of restoration Includes the study guide formerly sold separately One of the most urgent needs in the church today is for a crisp and comprehensive knowledge of the Bible's storyline To grasp how the sacred history moves from Genesis to Revelation not only brings fresh insight into how the Bible hangs together and what each part contributes to the whole but also is crucial for developing a Christian worldview Colin Smith has met these needs admirably I hope these volumes will circulate widely and be read and re read D A Carson research professor New Testament at Trinity Evangelical Divinity School cofounder of The Gospel Coalition The Old Testament Story Retold for Young People William Henry Bennett,1907 The Greatest Book

Ever Written Fulton Oursler, 1953 **Telling the Old Testament Story** Dr. Brad E. Kelle, 2017-10-17 While honoring the historical context and literary diversity of the Old Testament *Telling the Old Testament Story* is a thematic reading that construes the OT as a complex but coherent narrative Unlike standard introductory textbooks that only cover basic background and interpretive issues for each Old Testament book this introduction combines a thematic approach with careful exegetical attention to representative biblical texts ultimately telling the macro level story while drawing out the multiple nuances present within different texts and traditions The book works from the Protestant canonical arrangement of the Old Testament which understands the story of the Old Testament as the story of God and God's relationship with all creation in love and redemption a story that joins the New Testament to the Old Within this broader story the Old Testament presents the specific story of God and God's relationship with Israel as the people called created and formed to be God's covenant partner and instrument within creation The Old Testament begins by introducing God's mission in Genesis The story opens with the portrait of God's good intended creation of right relationships Gen 1:2 and the subsequent distortion of that good creation as a result of humanity's rebellion Gen 3:11 Genesis 12 and following introduce God's commitment to restore creation back to the right relationships and divine intentions with which it began Coming out of God's new covenant engagement with creation in Gen 9 this divine purpose begins with the calling of a people who turn out to be the manifold descendants of Abraham and Sarah to be God's instrument of blessing for all creation and thus to reverse the curse brought on by sin The diverse traditions that comprise the remainder of the Pentateuch then combine to portray the creation and formation of Israel as a people prepared to be God's instrument of restoration and blessing As the subsequent Old Testament books portray Israel's life in the land and journey into and out of exile the reader encounters complex perspectives on Israel's attempts to understand who God is who they are as God's people and how therefore they ought to live out their identity as God's people within God's mission in the world The final prophetic books that conclude the Protestant Old Testament ultimately give the story of God's mission and people an open ended quality suggesting that God's mission for God's people continues and leading Christian readers to consider the New Testament's story of the Church as an extension and expansion of the broader story of God introduced in the Old Testament The main methodological perspective that informs the book includes work on the phenomenological function of narrative especially story's function to shape the identity and practice of the reader as well as more recent so called missional approaches to reading Christian scripture Canonical criticism provides the primary means for relating the distinctive voices within the Old Testament texts that still honor the particularity and diversity of the discrete compositions Accessibly written this book invites readers to enter imaginatively into the biblical story and find the Old Testament's lively and enduring implications *Unlocking the Bible Story Old Testament Vol 1 with Study Guide* Colin S. Smith, 2002-01-01 This set includes *Unlocking the Bible Story Old Testament Vol 1* and *Unlocking the Bible Story Study Guide Old Testament Vol 1* The Bible takes its readers from the center of the Garden to today's urban centers

with the same message for all Christ has come to deliver the captives Pastor Colin Smith shows how Jesus Christ is the focus of Scripture indirectly or directly from beginning to end Beginning with the Old Testament he unlocks rich life changing truths while encouraging and strengthening readers in their daily walk with Christ Unlocking the Bible Story Old Testament Vol 1 and its accompanying study guide will help you unlock the Bible Story from Genesis to Nehemiah Unlocking the Bible Story Study Guides will help you Focus you or your small group s study time to be as productive and rewarding as it can possibly be Enrich your understanding of the book and your comprehension of God s Word Apply the book s lessons in ways that will change your life forever Once you ve finished the volume 1 and study guide set the volume 2 and study guide set is highly recommended as it will complete your study in the Old Testament you or your small group could move through the entire Old Testament by using both sets in less than a year Then dive into the New Testament study guides by using volumes 3 and 4
