Reflections of a Spiritual Father Father Greg Shaffer, *Religious Leadership* Sharon Henderson Callahan, 2013-05-20 This 2 volume set within The SAGE Reference Series on Leadership tackles issues relevant to leadership in the realm of religion It explores such themes as the contexts in which religious leaders move leadership in communities of faith leadership as taught in theological education and training religious leadership impacting social change and social justice and more Topics are examined from multiple perspectives traditions and faiths Features Benefits By focusing on key topics with 100 brief chapters we provide students with more depth than typically found in encyclopedia entries but with less jargon or density than the typical journal article or research handbook chapter Signed chapters are written in language and style that is broadly accessible Each chapter is followed by a brief bibliography and further readings to guide students to sources for more in depth exploration in their research journeys A detailed index cross references between chapters and an online version enhance accessibility for today's student audience *In Context: Teresa of Ávila, John of the Cross, and Their World* Mark O'Keefe OSB, 2020-03-04 St Teresa of Ávila and St John of the Cross are among the greatest teachers of prayer in the Christian tradition For nearly five centuries their writings on the spiritual life have guided those seeking greater union with God Beyond the written corpus of these saints the lived experiences of these reformers of the Carmelite Order also draws fascination Living in sixteenth century Spain among kings prelates explorers inquisitors and reformers these two saints were formed and sanctified by the context and circumstances of their historical time and place In *In Context Teresa of Ávila John of the Cross and Their World* explores the social cultural intellectual and religious themes that prevailed during the time in which St Teresa of Ávila and St John of the Cross lived and breathed This book is not only a thematic overview but also visits particular situations in the lives of these saints the events that shaped their writings their lives and the Carmelite Reform they initiated Offering for the first time in English a comprehensive contextual overview of the Carmelite reformers Father O'Keefe draws upon pivotal scholarly sources not available to many beginner to intermediate students of spirituality The

extensive bibliographies point readers toward the next steps in diving deeper into Carmelite studies Also including A fully linked comprehensive index 16 pages of color photos This book is an excellent resource for any earnest student of St Teresa of vila and St John of the Cross *Love Awakened by Love* Mark O'Keefe OSB,2014-04-14 A skilled moral theologian Benedictine Father Mark O Keefe leads God seekers to focus attention on St John of the Cross s teaching in *The Ascent of Mount Carmel* The essence of the spiritual journey is union with God through the practice of the virtues especially faith hope and love It s virtuous living that enables us to truly love God and be conformed to God in divine union For St John religious experiences are not the essence of the spiritual journey at all nor is asceticism for its own sake John s emphasis on the nada is to lead us to liberating emptiness authentic human freedom that equips us to be filled with the divine life At the journey s summit we find the God who is Love This book is an insightful companion to *The Ascent of Mount Carmel* Ideal for personal and group study Carmelite formation college courses and a must for every library **The Way of Transformation** Mark O'Keefe, OSB,2016-08-12 *The Way of Transformation* is a play on the title of St Teresa s classic *The Way of Perfection* Written for her Discalced Carmelite nuns it is nonetheless considered Teresa s operations manual for anyone genuinely committed to the spiritual life But by perfection she doesn t intend the futile pursuit of idealized flawlessness as some might think Rather Teresa means achieving an authentic human fulfillment a true becoming of that person we are meant to be Offering a fresh perspective on St Teresa s thought Father Mark O Keefe draws our attention to the central fact that she considers the virtues especially love of neighbor detachment and humility as the essential and ever relevant foundation for her spirituality of prayer This very human Doctor of the Church teaches that whether in the 16th century or the 21st prayer is intimately and necessarily linked with personal transformation Authentic prayer is never divorced from our daily living God Teresa reminds us walks among the pots and pans With attention catching quotations helpful questions for personal reflection or group discussion and its comprehensive index *The Way of Transformation* is an excellent resource for any serious student of St Teresa of Jesus and a must read for everyone looking to explore Christian spirituality and prayer more deeply and authentically *The Changing Face Of The Priesthood* Donald B. Cozzens,2017-06-15 Few today would contest that the priesthood is in a state of crisis The nature and implications of that crisis however remain the subject of considerable discussion and debate In *The Changing Face of the Priesthood* Fr Donald Cozzens offers insight into the crisis by reflecting on the issues challenges concerns and realities of the priesthood today The same year that Pope John XXIII surprised the Catholic world with his call for an ecumenical council Cozzens began his formal study of theology As a seminarian he felt the shaking of the priesthood s foundations The very face of the priesthood was evolving even as he arrived at his first parish assignment A generation later the face of the priesthood continues to reveal new contours fascinating features and sadly some tragic blemishes In *The Changing Face of the Priesthood* Cozzens takes a long honest look at the present state of the priesthood He provides this examination not merely from an empirical scientific perspective but also from a personal pastoral

perspective Drawing on clinical data church documents and his nearly forty years of pastoral experience Cozzens gives shape and form to the changing face of the priesthood Through his reflections he leads readers to both concern and hope for the priesthood of the twenty first century Chapters are Discovering an Identity Guarding One s Integrity Loving as a Celibate Facing the Unconscious Becoming a Man Tending the Word Considering Orientation Betraying Our Young and The Changing Face of the Priesthood Donald Cozzens PhD a priest and writer is author of two award winning titles Sacred Silence and The Changing Face of the Priesthood and editor of The Spirituality of the Diocesan Priest all published by Liturgical Press He is writer in residence at John Carroll University where he teaches in the religious studies department
