The Origins of Nonviolence Martin Green,1986 *Gandhi's Truth: On the Origins of Militant Nonviolence* Erik H. Erikson,1993-04-17 In this study of Mahatma Gandhi psychoanalyst Erik H Erikson explores how Gandhi succeeded in mobilizing the Indian people both spiritually and politically as he became the revolutionary innovator of militant non violence and India became the motherland of large scale civil disobedience Origins of Non-Violence Martin Burgess Green,1999-02-01 Nonviolence Senthil Ram,Ralph Summy,2008 The so called war on terror has gone badly for the West playing directly into the strategy of al Qaeda and the rest of the terrorist network Why did this happen Were there other approaches that might have been implemented with better prospects of success This edited collection of perspectives on the non violent counter to terrorism opens the topic to serious consideration The development of a non violent paradigm brings into sharp focus the deficiencies of present thinking and paves the way for comprehending how non violence might overcome those deficiencies and introduce viable alternatives Since there is a general ignorance about the history theory and operational dynamics of non violence these aspects are featured throughout the book and related to the special case of terrorism To understand empathetically the background and mind set of the opponent without condoning his actions to study his culture to avoid the strategic trap he has set to examine the different gender reactions of a Muslim Society to differentiate between non violent Islam and Islamic Terrorism to jettison the misinformed baggage we carry about violence to appreciate the positive role education and aesthetics can play and to investigate ways in which a non violent counter to terrorism might be staged including a Gandhian response These are just some of the tasks that the contributors have collectively pursued Their ideas excitingly open up a whole new set of possibilities for a more peaceful world **The Revolution of Values** Ramin Jahanbegloo,2018-10-25 In this book Professor Ramin Jahanbegloo elucidates the central concepts in the moral and political thought of Martin Luther King Jr bringing out the subtlety potency and universal importance of his concepts of Agape love and non violence the Beloved Community and revolution of values and his view of the relation between justice and compassion in politics King s political philosophy integrates the ethical the moral and the spiritual into a political way of being that is not only best suited for the American society but also for any society in quest of an inclusive democracy Jahanbegloo s account of King s moral and political philosophy demands those of us confronted by the challenges of today s world to have a fresh look at the pragmatic and non utopian thoughts of one of the prophetic voices of twentieth century *Philosophy of Nonviolence* Chibli Mallat,2015 In 2011 the Middle East saw the dictators of Tunisia Egypt and Yemen deposed in a matter of weeks by non violent marches Imprecisely described as the Arab Spring the revolution has been convulsing the whole region It failed in some countries and was not sustained in others after the dictators fall Beyond this uneven course *Philosophy of Nonviolence* examines how 2011 may have ushered in a fundamental break in the human journey one animated by non violence which the book argues is the new anima of the philosophy of

history **Introduction to Non-Violence** Theodore Paullin, 2019-12-04 In *Introduction to Non Violence* Theodore Paullin presents a compelling exploration of non violent resistance as a philosophical and practical approach to social change Paullin deftly employs a combination of historical analysis and personal narrative to illustrate the principles of non violence weaving through the works of influential figures such as Mahatma Gandhi and Martin Luther King Jr His literary style is both accessible and thought provoking inviting readers to reflect on the ethical dimensions of conflict resolution while situating non violence within broader sociopolitical movements The book is not only a theoretical framework but serves as a practical guide for those seeking to enact non violent strategies in their own lives and communities Theodore Paullin a scholar and activist with deep roots in the civil rights movement draws upon his extensive study of both historical and contemporary non violent movements His experiences have shaped his conviction that non violence is a powerful tool for social transformation Paullin s academic background combined with his real world advocacy lends a unique authenticity and urgency to his writings making the concepts resonate for a modern audience *Introduction to Non Violence* is essential reading for anyone interested in understanding the power of peaceful resistance It is an invaluable resource for activists students and scholars alike offering both theoretical insight and practical applications for cultivating a more just and equitable society Paullin s work encourages readers to reconsider their approaches to conflict and to recognize the profound impact of non violent action in shaping a better world

Nonviolence in the Mahabharata Alf Hiltebeitel, 2016-03-22 In Indian mythological texts like the Mah bh rata and R m ya a there are recurrent tales about gleaners The practice of gleaning in India had more to do with the house less forest life than with residential village or urban life or with gathering residual post harvest grains from cultivated fields Gleaning can be seen a metaphor for the Mah bh rata poets art an art that could have included their manner of gleaning what they made the leftovers what they found useful from many preexistent texts into Vy sa s entire thought including oral texts and possibly written ones such as philosophical debates and stories This book explores the notion of non violence in the epic Mah bh rata In examining gleaning as an ecological and spiritual philosophy nurtured as much by hospitality codes as by eating practices the author analyses the merits and limitations of the 9th century Kashmiri aesthetician Anandavardhana that the dominant aesthetic sentiment or rasa of the Mah bh rata is shanta peace Mahatma Gandhi s non violent reading of the Mahabharata via the Bhagavad Gita are also studied This book by one of the leaders in Mah bh rata studies is of interest to scholars of South Asian Literary Studies Religious Studies as well as Peace Studies South Asian Anthropology and History

Gandhi and the Psychology of Nonviolence, Volume 1 V. K. Kool, Rita Agrawal, 2020-11-06 The first of two volumes this book examines Gandhi s contribution to an understanding of the scientific and evolutionary basis of the psychology of nonviolence through the lens of contemporary researches on human cognition empathy morality and self control While psychological science has focused on those participants that delivered electric shocks in Professor Stanley Milgram s famous experiments these books begin from the premise that we have neglected to fully explore why the

other participants walked away Building on emergent research in the psychology of self control and wisdom the authors illustrate what Gandhi s life and work offers to our understanding of these subjects who disobeyed and defied Milgram The authors analyze Gandhi s actions and philosophy as well as original interviews with his contemporaries to elaborate a modern scientific psychology of nonviolence from the principles he enunciated and which were followed so successfully in his Satyagrahas Gandhi they argue was a practical psychologist from whom we can derive a science of nonviolence which as Volume 2 will illustrate can be applied to almost every subfield of psychology but particularly to those addressing the most urgent issues of the 21st century This book is the result of four decades of collaborative work between the authors It marks a unique contribution to studies of both Gandhi and the current trends in psychological research that will appeal in particular to scholars of social change peace studies and peace psychology and serve as an exemplar in teaching one of modern psychology s hitherto neglected perspectives *Nonviolence to Animals, Earth, and Self in Asian Traditions* Christopher Key Chapple, Navin and Pratima Doshi Professor of Indic and Comparative Theology Christopher Key Chapple, 1993-01-01 This book probes the origins of the practice of nonviolence in early India and traces its path within the Jaina Hindu and Buddhist traditions including its impact on East Asian Cultures It then turns to a variety of contemporary issues relating to this topic such as vegetarianism animal and environmental protection and the cultivation of religious tolerance
