The Other Californians Prejudice And Discrimination Under Spain Mexico And The United States To 19:

The Other Californians Robert F. Heizer, Alan J. Almquist, Alan F. Almquist, 1977-09-12 A major contribution to California historiography will allow other scholars to analyze more fully the origins of racism and the range of ethnic experiences in California Pacific Historical Review A rare and realistic examination of American racism at work It should be placed in the hands of every American who questions the reality of American racism Race and Schools Racial Fault Lines Tomas Almaguer, 2023-11-15 This book unravels the ethnic history of California since the late nineteenth century Anglo American conquest and the institutionalization of white supremacy in the state Drawing from an array of primary and secondary sources Tom s Almaguer weaves a detailed disturbing portrait of ethnic racial and class relationships during this tumultuous time A new preface looks at the invaluable contribution the book has made to our understanding of ethnicity and class in America and of the social construction of race in the Far West This book unravels the ethnic history of California since the late nineteenth century Anglo American conquest and the institutionalization of white supremacy in the state Drawing from an array of primary and secondary sources Tom s Almaguer weaves a d **Driven Out** Jean Pfaelzer, 2008-08 This sweeping and groundbreaking work presents the shocking and violent history of ethnic cleansing against Chinese Americans from the Gold Rush era to the turn of the century **Survival of the Fist: The Book of Revelations** Chief Zulu, 2018-07-09 A timeline of historical events of Native Moorish Americans and how this chain of events shaped America and the world as we know it today **Taming the Elephant** John F. Burns, Richard J. Orsi, 2003 The final of four volumes in the California History Sesquicentennial Series this text compiles original essays which treat the consequential role of post Gold Rush California government politics and law in the building of a dynamic state with lasting impact to the present day Chicano School Failure and Success Richard R. Valencia, 2002 Examines from various perspectives the school failure and success of Chicano students The contributors include specialists in cultural and educational anthropology bilingual and special education educational history developmental psychology **Colonial Rosary** Alison Lake, 2006-06-12 California would be a different place today without the imprint of Spanish culture and the legacy of Indian civilization The colonial Spanish missions that dot the coast and foothills between Sonoma and San Diego are relics of a past that transformed California s landscape and its people In a spare and accessible style Colonial Rosary looks at the complexity of California s Indian civilization and the social effects of missionary control While oppressive institutions lasted in California for almost eighty years under the tight reins of royal Spain the Catholic Church and the government of Mexico letters and government documents reveal the missionaries genuine concern for the Indian communities they oversaw for their health spiritual upbringing and material needs With its balanced attention to the variety of sources on the mission period Colonial Rosary illuminates ongoing debates over the role of the Franciscan missions in the settlement of California By sharing the missions stories of tragedy and triumph author Alison Lake underlines the importance of preserving these vestiges of California s

prestatehood period An illustrated tour of the missions as well as a sensitive record of their impact on California history and culture Colonial Rosary brings the story of the Spanish missions of California alive **Vagrant Nation** Risa

Goluboff,2016-01-25 In Vagrant Nation Risa Goluboff has found a way to explain how the interaction between 1960s social movements and the courts fundamentally changed both American law and society writ large By look at the changing views regarding a minor type of crime vagrancy Goluboff shows how the courts were cast directly into the midst of the turmoil sweeping the nation **The Borders Within** Douglas Monroy,2022-07-19 Throughout its history the nation that is now called the United States has been inextricably entwined with the nation now called Mexico Indeed their indigenous peoples interacted long before borders of any kind were established Today though the border between the two nations is so prominent that it is front page news in both countries Douglas Monroy a noted Mexican American historian has for many years pondered the historical and cultural intertwinings of the two nations Here in beautifully crafted essays he reflects on some of the many ways in which the citizens of the two countries have misunderstood each other Putting himself and his own quest for understanding directly into his work he contemplates the missions of California the differences between liberal and traditional societies the meanings of words like Mexican Chicano and Latino and even the significance of avocados and bathing suits In thought provoking chapters he considers why Native Americans didn t embrace Catholicism why NAFTA isn t working the way it was supposed to and why Mexicans and their neighbors to the north tell themselves different versions of the same historical events In his own thoughtful way Monroy is an explorer Rather than trying to conquer new lands however his goal is to gain new insights He wants to comprehend two cultures that are bound to each other without fully recognizing their bonds Along with Monroy readers will discover that borders when we stop and really think about it are drawn more deeply in our minds than on any maps **The Other Californians** Robert Fleming Heizer,Alan J. Almquist,1977
