The Mafia's Consigliere Juan Manuel Sánchez, 2023-01-29 The luxurious lifestyle of a Los Angeles lawyer and his family is about to be turned upside down by one of the most powerful mafia families in New York City Warrent a corrupt philandering New York senator is playing dirty games with Hollywood lawyer Breska At stake is millions of dollars for a movie licensing deal During negotiations the lawyer is paid an unexpected visit from the mob Breska is intimidated into swearing an oath of omert the mafia code of silence and

he unwillingly becomes the New York family's consigliere. Fearing for his life, Warrent escapes to a Spanish island where a volcano is about to explode. The FBI and DEA are fast on the track of the criminal conspiracy and have well-founded suspicions about the connections with Mexican and Colombian narcos, which causes the mob to lose trust in their new consigliere. Returning from a trip to one of the tax havens where the mafia hides its money, Breska decides to go against the tide and breach the code of silence trapped between the two government agencies who hope to gather enough evidence to gain a conviction against the mob by a popular jury. It is the first time in Mafia culture that their consigliere wishes to breach the omertà.

Mafiacraft Deborah Puccio-Den, 2022-02-09 The Mafia: What is the Mafia? Something you eat. Something you drink. I don't know the Mafia. I've never seen it. Mafiosi have often reacted this way to questions from journalists and law enforcement. Social scientists who study the Mafia usually try to pin down what it really is, thus fusing their work with their object. In *Mafiacraft*, Deborah Puccio-Den undertakes a new form of ethnographic inquiry that focuses not on answering 'What is the Mafia?' but on the ontological, moral, and political effects of posing the question itself. Her starting point is that Mafia is not a readily nameable social fact but a problem of thought produced by the absence of words. Puccio-Den approaches covert activities using a model of *Mafiacraft* which inverts the logic of witchcraft. If witchcraft revolves on the lethal power of speech, *Mafiacraft* depends on the deadly strength of silence. How do we write an ethnography of phenomena that cannot be named? Puccio-Den approaches this task with a fascinating anthropology of silence, breaking new ground for the study of the world's most famous criminal organization.

The Mafia's Greatest Hits David H. Jacobs, 2025-10-28 A true crime Mafia classic, this homicide hall of fame is loaded with thrilling, graphically detailed accounts of the greatest outlandish and brazen executions only the Mob would ever dare to pull off. No one will ever truly know how many gangland executions the Mob has taken out over the years. But for all the wise guys buried in obscurity, the Mafia's sordid history shines bright with this rogues' gallery of celebrated star-making murders, including Joey Gallo killed in Umberto's Clam House, Little Italy, 1975; Abe Reles, the Murder, Inc. stool pigeon, who was tossed out of a hotel window in Coney Island in 1941; Albert Anastasia cut down in a barber's chair in 1957; Carmine Galante killed in a hail of bullets as he finished lunch in a Brooklyn restaurant in 1977; Joe The Boss Masseria whacked in a Coney Island restaurant in 1933; Big Paul Castellano gunned down in front of Sparks Steak House in 1985. Welcome to the best of Murder Mayhem, Inc.

The Fence Darrell J. Steffensmeier, 1986 This book is based on the experiences of a dealer in stolen goods, alias Sam Goodman, whose history serves as a model for understanding the role that fences play in today's society. In his straightforward and colorful analysis of underground life, Steffensmeier analyzes how a fence initiates and sustains relationships with thieves, customers, and other fences; how he sets and negotiates prices; the profits he enjoys; the skills required for his job; and the meaning and rewards of fencing. The author relates the circumstances leading to Sam's fall, his eventual arrest and conviction for receiving stolen property. His field interviews are supplemented with court records and newspaper accounts, interviews of thieves and customers who had contact with Sam, several other

fences and law enforcement officials In addition to documenting the lifestyle of a fascinating criminal life the author shows how crime is intricately woven into the fabric of society in which thieves and fences share many similarities in skills and behavior with those of legitimate businessmen Sociologists criminologists law enforcement officers and public policy makers will find this book an enlightening and engaging portrayal of the criminal career **Mafia Wars in the History**

IntroBooks,2018-02-21 The term mafia has been used to refer to various secret groups or organizations that are involved in various forms of organized crimes and are spread across the world in various countries They are usually recognized by the name of the country in which they have originated Most of the group members of the mafia belong to a particular nationality and operate in the particular country itself The main goal of such mafia groups is to have full control over the various kinds of activities They can even have a monopoly over certain criminal activities But one should not be mistaken Though several films documentaries and plays have been enacted in the life of the mafias and the wrong deeds done by them people might still get the impression that the mafias are good people The people might be allured by the money earning capacity of the mafias in no matter of time The lavish lifestyle led by them and the kind of richness they possess it might appear quite overwhelming on the exterior front But the truth is that on the inner side it is all black The mafias have their hands spoiled with the color of blood Mafia members are constantly living under the violence from the other mafia groups and often end up getting killed or killing others There is no room for peace in their lives The world in the due course of the mafias and their menace has witnessed several major wars The Mafia Wars as it is called have been the root cause due to the disturbances created in one group or the other and in taking revenge on the other As we live in the present era there are still major mafia groups out there in several parts of the world **The 'Ndrangheta and Sacra Corona Unita** Nicoletta
