Breed captures with utter simplicity and searing honesty the experience of a soldier in the fierce Pacific Theater Here is what saved threatened and changed his life Here too is the story of how he learned to hate and kill and came to love his fellow man In all the literature on the Second World War there is not a more honest realistic or moving memoir than Eugene Sledge's This is the real deal the real war unvarnished brutal without a shred of sentimentality or false patriotism a profound primer on what it actually was like to be in that war It is a classic that will outlive all the armchair generals safe accounts of not the good war but the worst war ever Ken Burns *The Old Man* Ilya Trifonov,1999 The Old Man veers between a contemporary effort to buy a dacha and the memories of an incident during the Civil War A questionable action in the past haunts the present and throws into relief the materialism that has come to replace revolutionary idealism by suggesting that this idealism may have been tainted in the first place Trifonov implicitly blames the past for the ills of the present While the setting and situation are very Soviet the quandary Trifonov describes has universal significance Book Jacket *The Old Contemptibles* Keith Simpson,2015-10-05 This book originally published in 1981 tells the story of the regular soldiers and reservists of the British Expeditionary Force B E F who fought in the first six months of the First World War on the Western Front This photographic history of the B E F is unique in that the photographs were taken not by official war photographers but either by the few press photographers who were able to get near the Front or by members of the B E F themselves Complementing the photographs are many first hand accounts of their experiences by Old Contemptibles and an authoritative text by Keith Simpson **The Age of Oligarchy** Geoffrey Holmes,D.
