

The Opera

Anne Siberell

The Opera:

History of the opera Henry Sutherland Edwards, 1862 History of the Opera From Its Origin in Italy to the Present Time With Anecdotes of the Most Celebrated Composers and Vocalists of Europe Volume 1 **The La Scala Encyclopedia of the Opera** Giorgio Bagnoli, 1993 Covering a broad range of styles this comprehensive volume includes entries for more than 450 operas that have been performed over the last four centuries Organized from A to Z for easy reference it s a complete guide that s certain to inform and entertain any opera buff 500 photos **The Opera Goers' Complete Guide** Leo Melitz, 1908 **The Victrola Book of the Opera** Samuel Holland-Rous, 2009-01-01 In depth descriptions of various operas with scene by scene aria by aria accounts **The Undergrounds of the Phantom of the Opera** J. Hogle, 2016-04-30 This is the most comprehensive analytical study ever done of The Phantom of the Opera in its many different versions from the original Gaston Leroux novel to the present day It proposes answers to the question why do we keep needing this story told and retold in the Western world by revealing the history of deep cultural tensions that underlie the novel and each major adaptation Using extensive historical and textual evidence and drawing on perspectives from several theories of cultural study this book argues that we need this tale told and reconfigured because it provides us ways to both confront and disguise how we have fashioned our senses of identity in the Western middle class The Phantom of the Opera in varying ways over time turns out like the Gothic tradition it extends to be deeply connected to Western self fashioning in the face of conflicted attitudes about class gender race religious beliefs Freudian psychology economic and international tensions and especially the shifting and permeable boundaries between high and low culture This book should interest all students of the history of Western culture as well as those especially fascinated by Gothic fiction opera musical theatre and film The Phantom of the Opera Gaston Leroux, 2007-12-18 In 1910 the mystery novelist Gaston Leroux working from scraps of history theatrical lore and his own fertile imagination created a masterpiece in *Le fantôme de l'opéra* the story of a disfigured composer who lives in the labyrinthine depths of the Paris Opera After the breathtaking debut of Christine Daa the whispers of an Opera ghost seem to become reality as the young singer vanishes As the Phantom strikes again and again targeting foes from a jealous diva to a romantic rival Leroux spins a thriller of obsession and violence with at its center a tormented murderer who awakens our deepest fears and sympathies The inspiration for Andrew Lloyd Webber s long running musical Leroux s novel is still more riveting than anything Broadway could produce The Victrola Book of the Opera Samuel Holland Rous, 1919

A Night at the Opera Sir Denis Forman, 1998-09-01 Delightful and anti reverential Sunday Times London With an encyclopedic knowledge of opera and a delightful dash of irreverence Sir Denis Forman throws open the world of opera its structure composers conductors and artists in this hugely informative guide A Night at the Opera dissects the eighty three most popular operas recorded on compact disc from Cilea s *Adriana Lecouvreur* to Mozart s *Die Zauberflöte* For each opera Sir Denis details the plot and cast of characters awarding stars to parts that are worth looking out for really good or

occasionally stunning He goes on to tell the history of each opera and its early reception Finally each work is graded from alpha to gamma although the Ring cycle gets an X and Sir Denis has no qualms about voicing his opinion the first act of Fidelio is a bit of a mess while the last scene of Don Giovanni towers above the comic finales of Figaro and Cos and whether or not it is Mozart's greatest opera it is certainly his most powerful finale The guide also presents brief biographies of the great composers conductors and singers A glossary of musical terms is included as well as Operatica or the essential elements of opera from the proper place and style of the audience's applause and boos to the use of subtitles A Night at the Opera is for connoisseurs and neophytes alike It will entertain and inform delight and perhaps infuriate providing a subject for lively debate and ready reference for years to come **Bravo! Brava! A Night at the Opera** Anne Siberell, 2002-01-03

A delightful introduction to opera Bravo Brava A Night at the Opera teaches elementary school children what opera is by showing how it is made Who writes the words Who makes an opera happen Who is backstage these questions and more are answered with easy to understand explanations and are illustrated with whimsical watercolors by the author From composer choreographer and costume designers to the conductor lighting and special effects crew and of course the singers the excitement builds as Anne Siberell explains each person's role in producing an opera Bravo Brava A Night at the Opera reveals details of the most famous operas plots and characters along the way and includes synopses of 27 popular operas a glossary suggestions for further reading and an index The Operas of Alban Berg George Perle, 1989

Right here, we have countless ebook **The Opera** and collections to check out. We additionally offer variant types and as well as type of the books to browse. The usual book, fiction, history, novel, scientific research, as without difficulty as various other sorts of books are readily approachable here.

As this The Opera, it ends taking place visceral one of the favored book The Opera collections that we have. This is why you remain in the best website to see the amazing books to have.
