The Study of Evangelism Paul W. Chilcote, Lacey C. Warner, 2008-02-13 Christians and communities of faith

today are rediscovering evangelism as an essential aspect of the church's mission. Many of the resulting books in the marketplace however have a hands-on orientation often lacking serious theological engagement and reflection. Bucking that trend, *The Study of Evangelism* offers thirty groundbreaking essays that plumb the depths of the biblical and theological heritage of the church with reference to evangelistic practice. Helpfully organized into six categories, these broad, diverse writings lay a solid scholarly foundation for meaningful dialogue about the church's practice of evangelism.

Evangelism Renewed Henry H. Knight, 2025-04-08. Evangelism has entered a new day. From the 1980s to the present, a vast array of new forms of evangelism have emerged, shaped and informed by theological reflection on the good news of Jesus Christ and the mission of God. Rejecting the reduced and formulaic forms of evangelism typical of most of the twentieth century, these newer approaches speak more of the reign and love of God, relationship and community, and both personal and social transformation. They are very diverse, but each has something to contribute to how we understand and practice evangelism. This book is a doorway into these theologies of evangelism and their fresh and dynamic ways of sharing the good news.

The A to Z of the Baptists William H. Brackney, 2009-09-16. With 110 million members worldwide, Baptists are surpassed only by Roman Catholic and Orthodox groups as the largest segment of Christians. The term Baptist has its origins with the Anabaptists, the denomination historically linked to the English Separatist movement of the 16th century. Although Baptist churches are located throughout the world, the largest group of Baptists lives in the Southern United States, and the Baptist faith has historically exerted a powerful influence in that region of the country. *The A to Z of the Baptists* relates the history of the Baptist Church through a chronology, an introductory essay, a bibliography, and hundreds of cross-referenced dictionary entries on important events, doctrines, and the church's founders, leaders, and other prominent figures who have made notable contributions. This volume commemorates the 400th anniversary of the founding of the Baptist movement in 1609.

Evangelizing the Chosen People Yaakov Ariel, 2003-06-19. With this book, Yaakov Ariel offers the first comprehensive history of Protestant evangelization of Jews in America to the present day. Based on unprecedented research in missionary archives as well as Jewish writings, the book analyzes the theology and activities of both the missions and the converts and describes the reactions of the Jewish community, which in turn helped to shape the evangelical activity directed toward it. Ariel delineates three successive waves of evangelism: the first directed toward poor Jewish immigrants, the second toward American-born Jews trying to assimilate, and the third toward Jewish baby boomers influenced by the counterculture of the Vietnam War era. After World War II, the missionary impulse became almost exclusively the realm of conservative evangelicals, as the more liberal segments of American Christianity took the path of interfaith dialogue. As Ariel shows, these missionary efforts have profoundly influenced Christian-Jewish relations. Jews have seen the missionary movement as a continuation of attempts to delegitimize Judaism and to do away with Jews through assimilation or annihilation. But to conservative evangelical Christians who support the State of Israel, evangelizing Jews is a manifestation of goodwill toward

them **Evangelism after Christendom** Bryan Stone, 2007-03-01 Most people think of evangelism as something an individual does one person talking to one or more other people about the gospel Bryan Stone however argues that evangelism is the duty and call of the entire church as a body of witness Evangelism after Christendom explores what it means to understand and put to work evangelism as a rich practice of the church grounding evangelism in the stories of Israel Jesus and the Apostles This thorough treatment is marked by an astute sensitivity to the ways in which Christian evangelism has in the past been practiced violently intentionally or unintentionally Pointing to exemplars both Protestant and Catholic Stone shows pastors professors and students how evangelism can work nonviolently Unbinding the Gospel- Second Edition Martha Grace Reese, 2008-09-01 Based on a major four year study of superb evangelism funded by the Lilly Endowment Unbinding the Gospel sparkles with life practicality and spiritual depth Unbinding the Gospel Real Life Evangelism is a book for pastors who want to know the truth about the state of evangelism Recently selected by The Christian Century as a featured Take and Read book 2007 book issue Unbinding the Gospel is a book for Christians who want a hopeful powerful joy filled way to learn to share their faith It s also a book for people who cringe when they hear the E word This book for congregational use has been enthusiastically endorsed by 8 heads of denominations Brian McLaren Richard Peace as well as by countless pastors and church leaders Unbinding the Gospel 2nd ed is the foundation of the Unbinding the Gospel Series which can lead to a six week all congregation saturation study with individual prayer small group study and all church worship and prayer dimensions See Unbinding Your Heart the 6 week version of GOSPEL with a different 40 day prayer journal and Unbinding Your Church the Pastor s Guide Follow up your all church saturation study the E vent with a small group based Experiment in Christian Prayer Community using Unbinding Your Soul Small groups will double when members invite their unchurched friends into the Experiment Unbinding the GOSPEL is in more than 12 000 congregations in 49 denominations all 50 states and 8 countries The new second edition contains a personal 40 day prayer journal Order one copy for each small group participant From the Unbinding the Gospel Series
