Handbook of Russian Literature Victor Terras, 1985-01-01 Profiles the careers of Russian authors scholars and critics and discusses the history of the Russian treatment of literary genres such as drama fiction and essays **Preliminary Listing of Ethnic Libraries, Museums, Archives and Research Centres** Elizabeth Boghossian, Canada. Multiculturalism Directorate, 1984 **Slavic Ethnic Libraries, Museums and Archives in the United States** ,1980 **Ethnic Forum** ,1995 The American Bibliography of Slavic and East European Studies ,1990 **Slavic Studies** Murlin Croucher, 1993-04 This second edition is vastly improved reflecting all the geographic political changes of the last 10 years New features include more than 2 300 new annotations in addition to 5 200 from the first edition the addition of diacritics new hierarchical listings in each geographic section for easier access of information subject listings within each geographic region The annotations are arranged by country and subject area and comprehensive author and title indexes round out this work **Conférence internationale des balkanologues** Radovan Samardžić, 1984 Conference papers and proceedings

Journalism Jo A. Cates, 2004-05-30 Journalism A Guide to the Reference Literature is a critically annotated bibliographic guide to print and electronic sources in print and broadcast journalism The first edition was published in 1990 the second in 1997 It has been described as one of the critical reference sources in journalism today and it is a key bibliographic guide to the literature Choice magazine called it a benchmark publication for which there are no comparable sources The format is similar to the second edition What makes this edition significantly different is the separation of Commercial Databases and Internet Resources Commercial Databases includes standard fee based resources The new chapter on Internet sources features Web based resources not included in the commercial databases chapter as well as portals other online files listservs newsgroups and Web logs blogs All chapters have been revised and there are significant revisions in Directories Yearbooks and Collections Miscellaneous Sources Core Periodicals Societies and Associations and Research Centers and Archives The second edition has 789 entries The third edition contains almost 1 000 entries James Carey of Columbia University who provided the foreword for the first two editions has updated his foreword for this edition **Archives in Russia: A Directory and Bibliographic Guide to Holdings in Moscow and St. Petersburg** Patricia Kennedy Grimsted, Patricia Kennedy Grimstead, 2016-04-01 This is a comprehensive directory and bibliographic guide to Russian archives and manuscript repositories in the capital cities of Moscow and St Petersburg It is an essential resource for any researcher interested in Russian sources for topics in diplomatic military and church history art dance film literature science ethnography and geography The first part lists general bibliographies of relevant reference literature directories bibliographic works and specialized subject related sources In the following sections of the directory archival listings are grouped in institutional categories Coverage includes federal ministerial agency presidential local university Academy of

Sciences organizational library and museum holdings Individual entries include the name of the repository in Russian and English basic information on location staffing institutional history holdings access and finding aids More comprehensive and up to date than the 1997 Russian Version this edition includes Web site information dozens of additional repositories several hundred more bibliographical entries coverage of reorganization issues four indexes and a glossary

The Enigma of Ethnicity Wilbur Zelinsky, 2001-04 In *The Enigma of Ethnicity* Wilbur Zelinsky draws upon more than half a century of exploring the cultural and social geography of an ever changing North America to become both biographer and critic of the recent concept of ethnicity In this ambitious and encyclopedic work he examines ethnicity s definition evolution significance implications and entanglements with other phenomena as well as the mysteries of ethnic identity and performance Zelinsky begins by examining the ways in which ethnic groups and ethnicity have been defined his own definitions then become the basis for the rest of his study He next focuses on the concepts of heterolocalism the possibility that an ethnic community can exist without being physically merged and personal identity the relatively recent idea that one can concoct one s own identity In his final chapter which is also his most provocative he concentrates on the multifaceted phenomenon of multiculturalism and its relationship to ethnicity Throughout he includes a close look at African Americans Hispanics and Jews as well as such less studied groups as suburbanized Japanese Cubans in Washington Koreans Lithuanian immigrants in Chicago Estonians in New Jersey Danish Americans in Seattle and Finns Reasonable nonpolemical and straightforward Zelinsky s text is invaluable for readers wanting an in depth overview of the literature on ethnicity in the United States as well as a well thought out understanding of the meanings and dynamics of ethnic groups ethnicity and multiculturalism

Russian Government and Politics Eric Shiraev, 2020-10-06 Few countries have been transformed as rapidly and dramatically as Russia since the end of the Communist regime Yet the more that certain things change in Russia the more others remain the same The result is a political and social system of which almost every aspect is a work in progress marked by sudden accelerations slowdowns turnarounds and conundrums This lively and innovative third edition provides a clear and comprehensive picture of Russian politics which does full justice to its changes challenges and paradoxes A distinctive feature throughout is its emphasis on outlining basic facts and developments and setting these in historical contexts before moving on to critical analysis This is the ideal text for upper level undergraduate and postgraduate students studying Russian politics or comparative government and politics more broadly New to this Edition Fully updated to cover the latest developments including 2018 s presidential election Two chapters offering expanded coverage of foreign policy which better balances coverage of domestic and international affairs New content on elections presidential power constitutional amendments events in Ukraine political opposition economic and business policies domestic and global challenges facing Russia and Russia s vision of the world Accompanied by a revamped set of online resources such as multiple choice questions and PowerPoint slides
