What We Did in Bed Brian Fagan, Nadia Durrani, 2019-09-24 A social history that pulls back the covers on the most intimate piece of furniture in our lives Entertaining will keep you awake long into the night Paul Chrystal author of *The History of Sweets* Louis XIV ruled France from his bedchamber Winston Churchill governed Britain from his during World War II Travelers routinely used to bed down with complete strangers and whole families shared beds in many preindustrial households Beds were expensive items and often for show Tutankhamun was buried on a golden bed wealthy Greeks were sent to the afterlife on dining beds and deceased middle class Victorians were propped up on a bed in the parlor In this sweeping social history that spans seventy

thousand years Brian Fagan and Nadia Durrani look at the endlessly varied role of the bed through time This was a place for sex death childbirth storytelling and sociability as well as sleeping But who did what with whom why and how could vary incredibly depending on the time and place It is only in the modern era that the bed has transformed into a private hidden zone and its rich social history has largely been forgotten Includes photographs **With Fire and Sword** Henryk Sienkiewicz, 1897

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts.

The Secret History is a brilliant and gripping novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
