Only The Light Moves Francis A. Doherty, 2023-11-01 Doherty writes from the heart The descriptions of his missions are nothing less than hair raising He describes his struggles with coming to grips with the war and the senseless death of so many young men The Journal of the Air Force Historical Foundation Only the Light Moves tells the story of a twenty four year old US Army pilot who volunteered to fly covert S O G or Studies and Observations Group reconnaissance missions over the Ho Chi Minh Trail a region that came to represent not only the United States war with Vietnam but also the secret war with Laos and Cambodia But this is not simply a war story it is a love story about flying Captain Francis A Doherty spent every day for ten months above the jungle battlefield in a Cessna O 1 Bird Dog The first all metal fixed wing aircraft ordered for and by the United States Army following the Army Air Forces separation from it in 1947

the single engine Bird Dog was a liaison and observation aircraft And for this role it was completely unarmed It was from the cockpit of a Bird Dog that Captain Doherty observed this illusive war perhaps searching out enemy troop movements or calling down waiting F 4 Phantoms to strike a new target It was a war in which he followed his father s footsteps in his dream to become a pilot and where he learned a compassion that extended both to his comrades and the civilians caught in the middle of that terrible war In *Only the Light Moves* Captain Doherty not only reveals the highs and lows of his year at war in Vietnam but expands beyond his time in the conflict He explores the emotional struggle he and his comrades faced after they returned home reconciliations with lost faith and the incredible impact of war on families We are also given an insight into Francis subsequent journey to becoming a commercial airline pilot His story makes no effort to glorify the violence that took the lives of so many There are no broad stroke proclamations about the war only a very personal sensitive account of a terrible conflict seen through the eyes of a then young pilot in the air illuminating the reality and the cost of when one s country decides to go to war *Johnny Cash and the Paradox of American Identity* Leigh H. Edwards,2009-02-25
