Perspectives on State Socialism in China Timothy Cheek, Tony Saich, 2016-12-05 Placing Chinese Community Party history in the realm of social history and comparative politics this text studies the roots of the policy failures of the late Maoist period and the tenacity of the CCP *The Handbook of Political Behavior* Samuel Long, 2013-11-11 In the writing of prefaces for works of this sort most editors report being faced with similar challenges and have much in common in relating how these challenges are met They acknowledge that their paramount objective is to provide more than an overview of topics but rather to offer selective critical reviews that will serve to advance theory and research in the particular area reviewed The question of the appropriate audience to be addressed is usually answered by directing material to a potential audience of social scientists graduate students and occasionally advanced undergraduate students Editors who are confronted with the problem of structuring their material often explore various means by which their social science discipline might be subdivided then generally conclude that no particular classification strategy is superior In elaborating on the process by which the enterprise was initiated editors typically resort to a panel of luminaries who provide independent support for the idea and then offer both suggestions for topics and the authors who will write them Editors usually concede that chapter topics and content do not reflect their original conception but are a compromise between their wishes and the authors' expertise and capabilities Editors report that inevitable delays occur authors drop out of projects and are replaced and new topics are introduced Finally editors frequently confess that the final product is incomplete with gaps occurring because of failed commitments by authors or because authors could not be secured to write certain chapters

Retrofitting Leninism Dimitar Gueorguiev, 2021-10-14 Retrofitting Leninism explains how modern Leninist regimes elicit and process bottom up information from citizens in the service of top down authoritarian control and public administration The book revolves around the modern Chinese Communist Party and its use of information technology to augment legacy institutions for social and political control While the empirical focus of the book is on contemporary China the analysis also builds on a historical and comparative understanding of state and society relations under authoritarianism

China, a Country Study Frederica M. Bunge, Rinn-Sup Shinn (Foreign affairs analyst), In-sōp Sin, 1981 General study of China covers historical and geographical aspects population ethnic groups social structure education culture religious practice economy standard of living agriculture industry trade transport science government politics international relations administration of justice defence etc Bibliography glossary maps photographs [The Religious Question in Modern China](#)

Vincent Goossaert, David A. Palmer, 2011-04-15 Recent events from strife in Tibet and the rapid growth of Christianity in China to the spectacular expansion of Chinese Buddhist organizations around the globe vividly demonstrate that one cannot understand the modern Chinese world without attending closely to the question of religion. *The Religious Question in Modern China* highlights parallels and contrasts between historical events, political regimes, and cultural movements to explore how religion has challenged and responded to secular Chinese modernity from 1898 to the present. Vincent Goossaert and David A. Palmer piece together the puzzle of religion in China not by looking separately at different religions in different contexts but by writing a unified story of how religion has shaped and in turn been shaped by modern Chinese society. From Chinese medicine and the martial arts to communal temple cults and revivalist redemptive societies, the authors demonstrate that from the nineteenth century onward, as the Chinese state shifted, the religious landscape consistently resurfaced in a bewildering variety of old and new forms. *The Religious Question in Modern China* integrates historical, anthropological, and sociological perspectives in a comprehensive overview of China's religious history that is certain to become an indispensable reference for specialists and students alike.

Chinese Ethics in a Global Context Karl-Heinz Pohl, Anselm Müller, 2022-04-19 How do Chinese and Western ethical traditions interact today? In this collection of articles, both Chinese and Western scholars carefully examine the issue, one of fundamental importance for the mutual understanding between China and the West. The volume is the result of the second symposium, which focused on a dialogue between China and the West on questions of ethics in particular concerning their commensurability and a possible common ground. The first part of the book discusses general problems of ethics in a cross-cultural context, followed by articles on ethical bases of Chinese and Western societies respectively. Further topics range from moral traditions in the context of social transformation in China today to developments in Western societies, politics, education, and religion. The last part deals with controversial issues such as human rights vs. human duties and medical ethics.

Transitions and Transformations in the History of Religions Reynolds, T. H. M. Ludwig, 2018-11-13 *How Maoism Was Made* Aaron William Moore, Jennifer Althenger, 2024-12-26 *How Maoism Was Made* features new scholarship on the early years after the Chinese Communist revolution, showing how ordinary people in China built socialism through their contributions to industry, science, and the arts.

China's Continuous Revolution Lowell Dittmer, 2024-03-29 *China's Continuous Revolution: The Post-Liberation Epoch 1949-1981* explores the ambitious and transformative era of China's political landscape after the founding of the People's Republic in 1949. This meticulously researched volume delves into the ideology of continuous revolution under the dictatorship of the proletariat and its profound impact on Chinese politics. Drawing from extensive interviews and historical analysis, the book examines key elements such as charismatic leadership, mass mobilization, and the complex restructuring of authority, highlighting the successes, failures, and eventual exhaustion of revolutionary zeal. It provides a nuanced perspective on China's socio-political evolution during a pivotal era of change, grappling with questions about legitimacy, power dynamics, and the role of ideology.

in shaping policy and governance Dittmer's work also contrasts China's revolutionary trajectory with global ideological movements presenting a critical examination of the enduring tensions between utopian aspirations and practical governance By analyzing the Cultural Revolution agricultural collectivization and the broader socio political reforms of the era the book offers a compelling narrative of a nation's struggle to reconcile revolutionary ideals with the realities of modern state building Scholars students and readers interested in China's contemporary history and political development will find this an invaluable resource for understanding the complexities of revolution and reform in a rapidly transforming society This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1987

Small Groups And Political Rituals Introduction

In the digital age, access to information has become easier than ever before. The ability to download Small Groups And Political Rituals has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Small Groups And Political Rituals has opened up a world of possibilities. Downloading Small Groups And Political Rituals provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Small Groups And Political Rituals has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Small Groups And Political Rituals. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Small Groups And Political Rituals. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Small Groups And Political Rituals, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Small Groups And Political Rituals has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
