Francis J. West, 1967 **Small Unit Action in Vietnam, Summer 1966** Francis J. West, Jr., Jr Usmc West,
Captain, 2014-06-10 The origin of this publication lies in the continuing program at all levels of command to keep Marines
informed of the ways of combat and civic action in Vietnam Not limited in any way to set methods and means this
informational effort spreads across a wide variety of projects all aimed at making the lessons learned in Vietnam available to
the Marine who is fighting there and the Marine who is soon due to take his turn in combat Recognizing a need to inform the
men who are the key to the success of Marine Corps operations the enlisted Marines and junior officers of combat and
combat support units the former Assistant Chief of Staff G 3 Major General William R Collins originated a project to provide a
timely series of short factual narratives of small unit action stories which would have lessons learned as an integral part
Essential to General Collins concept was the fact that the stories would have to be both highly readable and historically
accurate The basic requirement called for an author trained in the methodology of research with recent active duty
experience at the small unit level in the FMF and a proven ability to write in a style that would ensure wide readership This
publication then is based upon first hand eyewitness accounting of the events described It is documented by notes and taped
interviews taken in the field and includes lessons learned from the mouths of the Marines who are currently fighting in
Vietnam It is published for the information of those men who are serving and who will serve in Vietnam as well as for the use
of other interested Americans so that they may better understand the demands of the Vietnam conflict on the individual
